Measure O

County of Sonoma

Measure Question
To provide local mental health and addiction services and facilities for children, adults, veterans, seniors and those experiencing homelessness including: permanent supportive housing; crisis assessment; emergency psychiatric care; early detection and intervention; suicide prevention; and opioid and substance use prevention, treatment and recovery, shall the County of Sonoma establish a countywide ¼ cent sales tax for ten years, providing approximately $25 million annually, with annual audits and citizen oversight to ensure funds are properly spent?

What Your Vote Means

<table>
<thead>
<tr>
<th>YES</th>
<th>NO</th>
</tr>
</thead>
<tbody>
<tr>
<td>A “yes” vote on Measure O will authorize the County to increase the sales tax rate one-quarter percent, or ¼-cent on each dollar countywide to fund the behavioral health services described in the expenditure plan.</td>
<td>A “no” vote on Measure O will prohibit the County from imposing the proposed sales tax.</td>

<tbody>
<tr>
<td>Measure O asks voters whether the County of Sonoma should impose a ¼-cent special sales tax countywide to be used exclusively to provide local mental health and addiction services and facilities for children, adults, veterans, seniors, and those experiencing homelessness, including: permanent supportive housing; crisis assessment; emergency psychiatric care; early detection and intervention; suicide prevention; and opioid and substance use prevention, treatment, and recovery. The Board of Supervisors unanimously voted to place this measure on the ballot. The full text of Measure O, including the Expenditure Plan, is published in this voter information pamphlet. If approved, Measure O would provide children, veterans, seniors, those experiencing homelessness, and people facing trauma or drug addiction with access to care in Sonoma County. If approved, Measure O would impose a special tax that will provide approximately $25,000,000 of revenue annually. As a special tax, those revenues will be placed in a separate fund maintained in the County Treasury and may be used only for the specific purposes set forth in the full text of Measure O. The Expenditure Plan lists five categories of projects that may be funded by the tax, including: (i) Behavioral Health facilities, including residential care facilities, transitional housing for individuals discharging from crisis services, and psychiatric health facility and operations; (ii) Emergency Psychiatric / Crisis Services, including Mobile Support Team expansion, Crisis Stabilization Unit, Residential Crisis Services, and Inpatient Hospital Services for adults; (iii) Mental Health and Substance Use Disorder outpatient services, including prevention, early intervention and recovery services for children and youth; (iv) Behavioral Health Homeless / Care Coordination, including behavioral health services for homeless individuals, and care coordination for high needs homeless; and (v) Transitional and Permanent Supportive Housing. If voters approve Measure O, the Board of Supervisors will establish an Independent Citizens’ Oversight Committee to provide transparency and fiscal accountability. The Committee will review the receipts and expenditures from the tax, including the independent audit of each agency’s use of the tax proceeds. Additional Accountability Safeguards include: (i) annual audits of the use of the tax proceeds conducted by an independent certified public accounting firm; and (ii) an annual report from the Sonoma County Department of Health Services submitted to the Citizens’ Oversight Committee detailing the agency’s prior fiscal year activities and updates on specific projects funded by the tax. The tax proposed by Measure O will become effective only if approved by a two-thirds majority of those voting on the measure. A “yes” vote on Measure O will authorize the County to increase the sales tax rate one-quarter percent, or ¼-cent on each dollar countywide to fund the behavioral health services described in the expenditure plan. The new rate would go into effect on April 1, 2021, and remain in effect until March 31, 2031. The proposed sales tax would be imposed and collected by merchants in the same manner as state-imposed sales tax. A “no” vote on Measure O will prohibit the County from imposing the proposed sales tax.</td>
<td>This measure would increase the sales tax collected in Sonoma County by one-quarter of one cent per dollar (0.25%) on all taxable sales occurring in Sonoma County for ten years. Based on records from the California Department of Tax and Fee Administration for the period of July 2019 through June 2020, the additional sales tax rate of 0.25% would yield approximately $25.0 million each year for mental health, addiction and homeless services and facilities in Sonoma County. The imposition of tax from the measure would be operative on April 1, 2021, with the first full year of revenues impacting the budget for fiscal year 2021-22. Passage of this measure would increase County of Sonoma revenues by approximately $25 million per year of which $24.5 million would be allocated to Behavioral Health services and $500,000 would be allocated to Community Development Commission homeless services. The net proceeds from this measure would be allocated to five program categories: 22% for Behavioral Health Facilities, 44% for Emergency Psychiatric/Crisis Services, 18% for Mental Health &amp; Substance Use Disorder Outpatient Services, 14% for Homeless Behavioral Health/Care Coordination, and 2% for Transitional &amp; Permanent Supportive Housing. The expenditure categories and revenue allocation percentages are as follows: 1. Behavioral Health Facilities 22% $ 5,500,000 Residential Care Facility Transitional Housing for individuals discharging from crisis services Psychiatric Health Facility and Operations 2. Emergency Psychiatric / Crisis Services 44% 11,000,000 Mobile Support Team Expansion / Crisis, Assessment, Prevention and Education Crisis Stabilization Unit Residential Crisis Services Inpatient Hospital Services - Adult 3. Mental Health &amp; Substance Use Disorder Outpatient Services 18% 4,500,000 Mental Health Services and Children’s Shelters Mental Health Services for Children and Youth Services to support Residential Care Facilities, Permanent Supportive Housing, and other Housing Substance Use Disorder Services Expansion 4. Homeless Behavioral Health / Care Coordination 14% 3,500,000 Behavioral Health Services for individuals who are homeless Care Coordination for High Needs Homeless 5. Transitional &amp; Permanent Supportive Housing 2% 500,000 Supportive Housing Pool 100% $ 25,000,000 The Board of Supervisors may by a fourth-fifths vote authorize the transfer of proceeds from the measure from one expenditure category to another. Funds may also be reallocated between programs within one of the five categories. The Board of Supervisors shall establish a Citizens’ Oversight Committee to provide transparency and ensure fiscal accountability. If the election is successful, the County will be reimbursed for the cost of the election from the proceeds of the tax. In accordance with the Elections Code, the scope of this fiscal impact statement has been limited to the measure’s effect on revenues and expenditures. It does not address larger countywide fiscal issues such as the measure’s effect on the overall County economy.</td>

<tr>
<td>Measure O will provide Sonoma County residents with essential mental health and homelessness services.</td>
<td>Join us in telling Sonoma County officials: “No, Not Now” to higher taxes in this time of uncertainty and chaos. Vote No on Measure O.</td>
</tr>
<tr>
<td>The COVID-19 pandemic has shown how important it to ensure everyone in our community can access mental health resources, especially when nearly half of adults in the United States will experience mental illness during their lifetime. Measure O provides locally controlled funding to keep our community, particularly children, veterans, seniors, those experiencing homelessness and those with mental health or substance use challenges, safe and healthy in the wake of the pandemic and beyond.</td>
<td>Too many people have lost their jobs – more as COVID continues to close small businesses. People are forced to save every dollar to pay their bills, put food on the table, and keep their home. Without any meaningful help coming from our federal and local governments to fix this, is right now really the right time to increase the cost of groceries for families and school supplies for kids dealing with distance learning? Housing for our homeless is a critical need. If it passes, Measure O provides only 2% of the $250 million raised for housing services. Without a coordinated strategy to address our homeless situation and without any meaningful funding, this tax won’t change the tragedy we see under overpasses and in our parks.</td>
</tr>
<tr>
<td>Without dedicated Measure O funding, Sonoma County first responders and law enforcement officers continue handling mental health emergencies. Voting Yes on O provides dedicated funding to ease the burden on emergency services and our healthcare systems, and keep those in need of mental health services out of the jail.</td>
<td>The rest of this $250 million tax seems to be to replace cuts the County made to its budget. Unfortunately, a tax when we can least afford it is the proposed solution, instead of government making choices to keep those important services.</td>
</tr>
<tr>
<td>Local veterans and those experiencing homelessness or with mental health or substance use challenges deserve access to resources and treatment. Measure O provides funding for dedicated services to help people find the care and support they need, including additional inpatient psychiatric services for those with urgent needs.</td>
<td>Accountability is promised through an oversight committee, but without an explanation of how the committee will work or who will serve on it. Make no mistake about it, local government can deliver an almost limitless number of good services. Unfortunately, our ability to pay for it does have a limit. Vote No on Measure O.</td>
</tr>
<tr>
<td>Budget shortfalls have forced drastic cuts to essential services throughout Sonoma County, including in schools and crisis facilities. Measure O invests in behavioral and mental health early intervention programs, giving local children, traumatized by multiple disasters, access to care.</td>
<td></td>
</tr>
<tr>
<td>Measure O helps provide services for children, veterans and seniors; emergency psychiatric care; mental health and addiction facilities; services and permanent supportive housing for those experiencing homelessness; behavioral and mental health crisis assessment; suicide prevention.</td>
<td></td>
</tr>
<tr>
<td>Strict fiscal accountability keeps every penny in Sonoma County and nothing can be taken by the State or used for other purposes. Independent citizens’ oversight and annual audits are also required.</td>
<td></td>
</tr>
<tr>
<td>Please join local leaders, elected officials, health professionals, veterans, teachers and many others – Yes on Measure O.</td>
<td></td>

Arguments and rebuttals are the opinions of the authors. They are printed exactly as submitted, including errors.

<table>
<thead>
<tr>
<th>Argument Against Measure O</th>
<th>Rebuttal to Argument Against Measure O</th>
</tr>
</thead>
<tbody>
<tr>
<td>Just like the roads tax, library tax, fire tax and parks tax before it, Measure O reminds us once again that the Board of Supervisors cannot live within its means. Tax money previously intended for these worthy purposes continues to be squandered on unsustainable pension plans. This measure is not about homelessness or mental health, it is about financial mismanagement. Supervisors tell us they have done all they can to reduce pensions and point to Sacramento saying further relief must come from the state. That is just simply not true. They steadfastly refuse to request the needed assistance from state officials as if that absolves them of any further responsibility. Supervisors are quick to request state help when it serves their purposes, however. This tax, for example, would not have even been possible had our Board of Supervisors not prevailed upon State Senator Mike McGuire to lift the cap on local sales taxes. Having bumped up against the cap with earlier tax increases, this tax would have exceeded the threshold had McGuire not sponsored and pushed through legislation last year in a mind-numbing seven days with little public notice or input. If our Board of Supervisors can be so quick to enlist state help to remove the sales tax cap, why not employ the same urgency to cap our skyrocketing public employee pension crisis? Quite simply, the Supervisors and their colleagues in Sacramento rely on public employee union contributions and endorsements to secure their re-elections. And they aren’t about to bite the hand that feeds them. So there you go. Either we continue to approve new sales tax increases every election cycle or we finally say enough is enough. The choice is yours. Vote no on Measure O.</td>
<td>Opponents of Measure O are using pensions and Sacramento politics to confuse voters and shift the focus away from those whose lives depend on Measure O. Measure O is essential for providing additional homelessness and mental health services in Sonoma County. Measure O supports those who need these essential services most, including children, adults, veterans, seniors, those experiencing homelessness and those with mental health or substance use challenges. While naysayers say this is a “bad time” for a funding measure, we couldn’t disagree more. This critical measure could not come at a more important time. Given the impacts of wildfires, the COVID-19 Pandemic, an economic recession and distance learning, residents of all ages need help coping. Measure O is vital to providing the mental health services our community needs. Measure O will provide essential, locally-controlled, dedicated funding for emergency psychiatric care; mental health and addiction facilities; services and permanent supportive housing for those experiencing homelessness; behavioral and mental health crisis assessment; and suicide prevention. Measure O will also take the burden off of law enforcement who are currently overwhelmed with handling mental health emergencies. All Measure O funds are subject to independent oversight, must stay local in Sonoma County and cannot be used for other purposes or taken by the State. We cannot wait and hope things will get better. Please join Congressman Mike Thompson, County Superintendent of Schools Steve Harrington and Latino leaders such as Esther Lemus in caring for the mental health of our families and community. Yes on Measure O.</td>

Section 1. TITLE. This ordinance shall be known as the Sonoma County Local Mental Health, Addiction and Homeless Services Measure Transactions and Use Tax Ordinance. The County of Sonoma, hereinafter shall be called “County or District.” This ordinance shall be applicable in the incorporated and unincorporated territory of the County.

Section 2. OPERATIVE DATE. “Operative Date” means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

Section 3. PURPOSE. This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.5 of Part 1.7 of Division 2 which authorizes the County to adopt this tax ordinance which shall be operative if a (2/3) majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefor that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

E. Sonoma County Behavioral Health Services’ mission is to promote recovery and wellness to Sonoma County residents through mental health and substance use disorder services across the spectrum, from prevention, early intervention and treatment to aftercare and recovery.

F. Suicide and mental health conditions have become a growing epidemic across the country and in Sonoma County. The current coronavirus pandemic has added additional strain, negatively impacting mental health and creating new barriers for those seeking treatment.

G. Many in Sonoma County are experiencing homelessness or are still healing from the trauma caused by the wildfires. Sixty percent of households are impacted by a mental health condition or opioid use and drug addiction. The lack of necessary mental health resources and substance abuse services has overwhelmed law enforcement and first responders who are left to handle mental health and substance abuse emergencies.

H. At the same time that more and more residents need treatment, budget shortfalls have forced drastic reductions to services. Lack of Federal and State funding has resulted in cuts to essential programs, such as early intervention programs serving children at schools and reductions in the number of beds available at facilities to serve those in a crisis. Additional funding is needed to ensure that those who need it most – children, veterans, seniors, those experiencing homelessness and people facing trauma or drug addiction – have access to the essential care they need.

I. The proposed tax would provide local mental health and addiction services and facilities for children, adults, veterans, seniors and those experiencing homelessness, including: permanent supportive housing, crisis assessment, emergency psychiatric care, early detection and intervention, suicide prevention, and opioid and substance use prevention, treatment and recovery.

Section 4. CONTRACT WITH STATE. Prior to the operative date, the County shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the County shall not have contracted with the California Department of Tax and Fee Administration prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

Section 5. TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated and unincorporated territory of the District at the rate of one quarter of one per cent (0.25%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Section 6. PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

Section 7. USE TAX RATE. An excise tax is hereby imposed on the storage, use or other consumption in the District of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of one quarter of one per cent (0.25%) of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

Section 8. ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

Section 9. LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of this County shall be substituted therefor. However, the substitution shall not be made when
Local Ballot Measure: O

Full Text of Measure O (Cont.)

1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Treasury, or the Constitution of the State of California;

2. The result of that substitution would require action to be taken by or against this County or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
   a. Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
   b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the said provision of that code.

4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "District" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

1. "A retailer engaged in business in the District" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars ($500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

Section 10. PERMIT NOT REQUIRED. If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional tax-exempt permit shall not be required by this ordinance.

Section 11. EXEMPTIONS AND EXCLUSIONS.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

B. There are exempted from the computation of the amount of transactions tax the gross receipts from:

1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or transactions tax and the use tax the amount of any sales tax or use tax is shipped to a point outside the District, pursuant to the contract of sale, by any foreign government.

2. Other than fuel or petroleum products purchased by operators of aircraft to be used or consumed principally outside the County in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, of possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the District shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the District or participates within the District in

Sonoma County 49-516 9452
making the sale of the property, including, but not limited to, soliciting or
receiving the order, either directly or indirectly, at a place of business of the
retailer in the district, or through any representative, agent, canvasser,
solicitor, subsidiary, or person in the District under the authority of the retailer.

7. "A retailer engaged in business in the District" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 in the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the District.

D. Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

Section 12. AMENDMENTS. All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

Section 13. ENJOINING COLLECTION FORBIDDEN. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the County, or against any officer of the State or the County, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

Section 14. SEVERABILITY. If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance and the application of such provision to other persons or circumstances shall not be affected thereby.

Section 15. EFFECTIVE DATE. This ordinance relates to the levying and collecting of the District transactions and use taxes and shall take effect immediately.

Section 16. TERMINATION DATE. The authority to levy the tax imposed by this ordinance shall expire March 31, 2031.

Section 17. ELECTION COSTS. Payment for the costs of the election shall be the responsibility of the County. If the election is successful, the County shall be reimbursed for the cost of the election from the proceeds of the tax.

Section 18. CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION COSTS. Payment for the costs of contracting with the California Department of Tax and Fee Administration for administration of the tax shall be the responsibility of the County. If the election is successful, the County shall be reimbursed for any fee charged by the California Department of Tax and Fee Administration from the proceeds of the tax.

Section 19. ADOPTION OF THE EXPENDITURE PLAN. The Board hereby adopts the attached Expenditure Plan, which is incorporated into this Ordinance by reference.

Section 20. INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE AND ANNUAL AUDIT. As further defined in Expenditure Plan (Exhibit A) the Board of Supervisors shall establish a citizens' oversight committee to provide transparency and ensure fiscal accountability.

Section 21. COMPLIANCE WITH CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA). Pursuant to the State CEQA Guidelines section 15378(b)(4), adoption of this Ordinance and Expenditure Plan is not a "project" subject to the requirements of CEQA. Prior to the commencement of any project included in the Expenditure Plan, any necessary environmental review required by CEQA shall be completed. Estimated costs in the Expenditure Plan include the cost of such environmental review.

PASSED AND ADOPTED

In regular session of the Board of Supervisors of the County of Sonoma introduced on the 28th day of July, 2020, and finally passed and adopted this 4th day of August, 2020, on regular roll call of the members of said Board by the following vote:

SUPERVISORS:
Rabbit: ___ Zane: ___ Gore: ___ Hopkins: ___ Gorin: ___
Ayes: ___ Noes: _____ Absent: _____ Abstain: ___

WHEREUPON, the Chair declared the above and foregoing ordinance duly adopted and

SO ORDERED.

Sheryl Bratton, County Clerk and Clerk of the Board of Supervisor

Sonoma County Local Mental Health, Addiction and Homeless Services Measure Expenditure Plan

Introduction

Sonoma County Behavioral Health Services’ mission is to promote recovery and wellness to Sonoma County residents through mental health and substance use disorder services across the service spectrum, from prevention, early intervention and treatment, to aftercare and recovery. These services are provided directly or through partnerships with community based agencies.

Suicide and mental health conditions have become a growing epidemic across the country and in Sonoma County. The current coronavirus pandemic has added additional strain, negatively impacting mental health and creating new barriers for those seeking treatment. Many in Sonoma County are experiencing homelessness or are still healing from the trauma caused by wildfires. 60% of households are impacted by a mental health condition or opioid use and drug addiction. The lack of necessary mental health resources and substance abuse services has overwhelmed law enforcement and first responders who are left to handle mental health and substance abuse emergencies.

At the same time that more and more residents need treatment, budget shortfalls have forced drastic reductions to services. Lack of Federal and State funding has resulted in cuts to essential programs, such as early intervention programs serving children at schools and reductions in the number of beds available at facilities to serve those in a crisis. Additional funding is needed to ensure that those who need it most—children, veterans, seniors, those experiencing homelessness and people facing trauma or drug addiction—have access to the essential care they need.
The Sonoma County Department of Health Services and Sonoma County Community Development Commission have come together to put forth a measure to provide needed additional resources for Sonoma County. The Sonoma County Local Mental Health, Addiction and Homeless Services Measure Expenditure Plan below provides investment into five program categories. Each program category will receive a percentage share of sales tax revenues, currently estimated at a total of $250 million (in 2020 dollars) over a 10-year period.

The ballot question reads: To provide local mental health and addiction services and facilities for children, adults, veterans, seniors and those experiencing homelessness including: permanent supportive housing; crisis assessment; emergency psychiatric care; early detection and intervention; suicide prevention; and opioid and substance use prevention, treatment and recovery, shall the County of Sonoma establish a countywide ¼ cent sales tax for ten years, providing approximately $25 million annually, with annual audits and citizen oversight to ensure funds are properly spent?

Project Descriptions

The Expenditure Plan has five program categories that include specific program areas. The Expenditure Plan calls for a specific percentage of revenue to be allocated to each of the categories and the funding then distributed to the proposed list of program areas.

Cost for the items listed under each expenditure category includes support cost for accounting, planning, project management and audits.

The list below does not reflect priority order. Assumes $25 million per year.

### Expenditure Category

<table>
<thead>
<tr>
<th>Expenditure Category</th>
<th>Percentage of total</th>

#### Residential Care Facility (RCF)
RCFs provide housing & services to individuals with Severe Mental Illness (SMI) who need additional social and behavioral health support to live in the community.

#### Transitional Housing for individuals discharging from crisis services
Transitional Housing is a needed service for individuals who have high levels of mental health needs and do not have a long-term placement agreement.

#### Psychiatric Health Facility & Operations
There is a need for a local locked psychiatric facility to serve Sonoma County residents. This will ensure individuals access emergency psychiatric services more timely, at a cost savings to the County.

#### Mobile Support Team (MST)
MST accompanies law enforcement on calls to provide crisis intervention to individuals in psychiatric distress. CAPE provides crisis services to schools in Sonoma County.

#### Crisis Stabilization Unit (CSU)
The CSU provides services to individuals in psychiatric crisis, to assist them to stabilize and return to the community or transfer to a psychiatric facility for ongoing treatment.

#### Residential Crisis Services
Crisis Residential Treatment facilities provide housing & mental health services to individuals who require longer-term services to stabilize & do not require a locked setting.

#### Inpatient Hospital Services – Adult
County Department of Health Services (DHS), as the Mental Health Plan, is required to provide inpatient psychiatric care to Medi-Cal beneficiaries on involuntary holds or otherwise in need of intensive psychiatric services.

#### Mental Health Services at Children’s Shelters
DHS provides on site mental health services to children who have experienced trauma living in the County Children’s Shelter.

#### Mental Health Services for Children and Youth
Children and youth with mental health needs will receive services for prevention, early intervention and case management.

#### Services to support Residential Care Facilities, Permanent Supportive Housing, and other Housing
Individuals with mental health and/or Substance Use Disorder (SUD) needs who require in-home and community-based services to live successfully in the community. These services will support individuals provided with permanent supportive housing, which interrupts the cycle of homelessness.

#### Substance Use Disorder Services Expansion
Expand Sonoma County Drug Medi-Cal Services to provide outpatient and residential treatment services to individuals with substance use disorders.

#### Behavioral Health Services for individuals who are homeless
Individuals who are homeless and need mental health and substance use disorder services to successfully transition to housing in the community.

#### Care Coordination for High Needs Homeless
Care Coordination provides multi-disciplinary case management and other services to enable individuals who have been homeless to live successfully in permanent supportive housing in the community.

#### Supportive Housing Pool
To help secure housing resources to service the homeless populations in the County.

### Oversight and Administration

The implementation of the Measure will be the responsibility of the Sonoma County Board of Supervisors. The Board of Supervisors may approve by a four-fifths vote authorizing the transfer of transaction and use tax revenue from one category to another category for the specific programs identified in the Expenditure Plan. Funds may also be reallocated within one of the five categories set forth in the Expenditure Plan if a program is needed to be expanded or contracted; and/or came under budget; and/or additional federal or state revenue or grant funding became available; and/or program could not be implemented due to extraordinary circumstances; and/or the implementing agency requested a change to the program.
Independent Citizens’ Oversight Committee and Annual Audit

The Board of Supervisors shall establish a citizens’ oversight committee to provide transparency and ensure fiscal accountability. The committee shall review the receipt and expenditures of the revenue from the transactions and use tax, including the County’s annual independent audit. The committee’s review shall be completed in conjunction with the County’s budget process. The committee shall produce an annual oral or written report on its review which shall be considered by the Board at a public meeting. Any final written report shall be a public record. The Board shall adopt a resolution regarding the appointment of seven committee members, and any additional duties of the committee. Two of the Committee members will be selected by the Sonoma County City Selection Committee. Additional members shall include a Hospital Representative or first responder (a list of names of potential members submitted by the hospital association, fire chiefs association or law enforcement association), a business community representative (a list of names of potential members submitted by a chamber or business association), and a community member with lived experience of mental health needs or homelessness. Committee Members will serve a three-year term and are eligible to be reappointed by their appointing body.

The funds collected from the transactions and use tax ordinance shall be accounted for and tracked by the County Auditor-Controller Treasurer-Tax Collector to facilitate citizen oversight.

The amount generated by this revenue source and how it was used shall be included in the annual review of the County’s financial operations by an independent certified public accountant, which the committee shall review.

To preserve the integrity and independence of the oversight process, the committee’s responsibilities shall not include decision-making on spending priorities, financing plans or tax rate projections or assumptions and the committee shall have no authority to direct, nor shall it direct, County or City staff or officials.

Annual Report

An annual Sonoma County Local Mental Health, Addiction and Homeless Services Measure Transactions and Use Tax Ordinance Report shall be prepared by Sonoma County Department of Health Services no later than the last day of the sixth month following the end of each fiscal year. The Report shall be submitted to the Citizens’ Oversight Committee for review. The Committee will submit their findings and conclusions to the County Board of Supervisors. The Report will also be made available to the public. The Annual Report shall detail the prior fiscal year’s activities related to the retail transactions and use tax. The Report shall include revenues generated by the Transactions and Use Tax, expenditures (in summary form), funds carried over from previous fiscal years, and any remaining funds to be carried over for expenditure in subsequent fiscal years. The report may also include any future expenditures/projects that the County is considering and for which they are seeking confirmation of eligibility for use of the proceeds from this measure.

California Department of Tax and Fee Administration Costs.

Payment for the costs of contracting with the California Department of Tax and Fee Administration for administration of the tax shall be the responsibility of the County. If the election is successful, the County shall be reimbursed for any fee charged by the California Department of Tax and Fee Administration from the proceeds of the tax.

Election and Administration Costs

Payment for the costs of the election shall be the responsibility of the County. If the election is successful, the County shall be reimbursed for the cost of the election from the proceeds of the tax. The annual administrative cost borne by the County’s Auditor staff and the California Department of Tax and Fee Administration will be deducted from the annual proceeds from the sales tax before distribution to the Health Department.
