Subject: Item #3 - Amendment to the 2019-2020 Action Plan and Citizen Participation Plan

The Department of Housing and Urban Development is disbursing $5 billion in CDBG-CV money and $4 billion to Continuums of Care in ESG-CV through the CARES Act. Sonoma County has been allocated $1,109,159 in CDBG-CV and $564,000 in ESG-CV. Funding must be used to prevent, prepare for, and respond to the coronavirus pandemic, including mitigation of economic impacts that have resulted from business closures. Examples of eligible uses for CDBG-CV funds include, but are not limited to:

- Providing short term emergency assistance to low-income households;
- Providing grants or revolving loan funds for small and medium enterprises;
- Supporting community non-profits performing essential services;
- Developing workforce and training services for displaced workers;
- Retrofitting community facilities for medical or quarantine uses;
- Essential supply deliveries to elderly and other vulnerable populations; and
- Supporting various interrupted or at-risk core governmental functions.

In order to receive this funding, the Community Development Commission must submit to HUD a substantial amendment to its 2019-2020 Action Plan. The attached amendment outlines broad funding categories that staff recommends focusing on to respond to the COVID-19 crisis in Sonoma County. Solicitation(s) in the form of a Notice of Funding Availability and/or Request for Proposals will be released upon approval by the Board of Supervisors to solicit proposals for projects that fall under these categories.

Requested Action

Staff requests that the Committee recommend the Substantial Amendment attached here for approval by the Board of Supervisors on June 9, 2020.
Resolution Of The Board Of Supervisors Of The County Of Sonoma, State Of California, and the Board of Commissioners of the Sonoma County Community Development Commission

Whereas, the Federal Government passed the Coronavirus Aid, Relief and Economic Security Act (CARES Act) in response to the COVID-19 pandemic, which was declared a national emergency by President Trump on March 13, 2020 and,

Whereas, through the CARES Act, the Department of Housing and Urban Development has made available an additional $1,109,159 in supplemental Community Development Block Grant (CDBG) funding to the County of Sonoma for grants that may be used to prevent, prepare for, and respond to coronavirus (CDBG-CV grants); and

Whereas, the CARES Act also made available to the County of Sonoma an additional $564,000 in Emergency Solutions Grant (ESG-CV) funding for the benefit of unsheltered homeless, sheltered homeless, and those at risk of homelessness;

Planning Considerations

Infectious disease response conditions rapidly evolve and may require changes to the planned use of funds:

- CDBG grantees must amend their Consolidated Annual Action Plan (Con Plan) when there is a change to the allocation priorities or method of distribution of funds; an addition of an activity not described in the plan; or a change to the purpose, scope, location, or beneficiaries of an activity (24 CFR 91.505).
- If the changes meet the criteria for a “substantial amendment” in the grantee’s citizen participation plan, the grantee must follow its citizen participation process for amendments (24 CFR 91.105 and 91.115).
- Under the CARES Act, CDBG grantees may amend citizen participation and Con Plans concurrently in order to establish and implement expedited procedures with a comment period of no less than 5-days.

Resources

The Department has technical assistance providers that may be available to assist grantees in their implementation of CDBG funds for activities to prevent or respond to the spread of infectious disease. Please contact your local CPD Field Office Director to request technical assistance from HUD staff or a TA provider.

\(^1\) On March 27, 2020, President Trump approved the Coronavirus Aid, Relief, and Economic Security Act (Public Law 116-136) (CARES Act). The CARES Act makes available $5 billion in CDBG coronavirus response (CDBG-CV) funds to prevent, prepare for, and respond to coronavirus.

\(^2\) Section 105(a)(8) of the HCD Act caps public service activities at 15 percent of most CDBG grants. Some grantees have a different percentage cap.

Subject: Item #4 - Award of Project Based Vouchers

The U.S. Department of Housing and Urban Development (HUD) allows Housing Authorities to attach up to 20% of its Section 8 Housing Choice Voucher program funding to specific housing units by project-basing vouchers. In contrast to the tenant-based voucher program, project-based housing subsidy remains with the unit after a tenant moves out. Project-Based Vouchers (PBV) are an important resource providing predictable operating revenue to new and existing affordable multifamily rental housing ensuring the most vulnerable members of our community have stable, affordable housing. In order to be eligible for Project Based Vouchers, the owner of a project must agree to rent the unit to eligible tenants for the duration of the Housing Assistance Payments (HAP) contract, which is often up to twenty years.

In keeping with the Board of Commissioners’ goal to expand opportunities for affordable housing in Sonoma County, the Housing Authority released a Request for Proposals (RFP) making up to 100 Project-Based Vouchers available to property owners and developers. In response to the RFP, 12 applications were received for a total of 128 project based vouchers.

A panel of three Sonoma County Community Development Commission (SCCDC) employees and one Housing Authority manager from the City of Santa Rosa reviewed and ranked the proposals in accordance with the criteria outlined in the RFP. Of the 12 applications received, two did not meet minimum threshold standards for accessibility and a third is not being recommended based upon the review panel’s ranking of applications.

Collectively, the projects recommended for award meet the goals of increasing the affordable housing stock within the County, providing affordable housing in areas outside of poverty concentration, and providing housing in areas that are transit oriented.

Staff are requesting the Committee’s review and recommendation of award of PBVs to the projects listed in this memo. If awarded, the Housing Authority will have committed 12% of its Housing Choice Voucher program (348 vouchers) as PBVs.
Recommended Projects are listed in alphabetical order.

MEMORANDUM

Date: June 3, 2020

To: Community Development Committee

From: Martha Cheever, Housing Authority Manager

Subject: Item #5 - Housing Authority CARES Act Administrative Fees

On May 4, 2020, the Housing Authority received $619,318 from the CARES Act. This funding is specifically designated for uses associated with Housing Authority Administrative needs in response to the COVID-19 pandemic. The funds must be expended by December 31, 2020 or HUD will require the Housing Authority to return the funds.

The CARES Act Administrative Fees will largely be used to cover payroll costs, to upgrade Housing Authority software, to have staff participate in required trainings and to fund other minor costs associated with telework i.e. postage paid envelopes, etc.

In addition to the uses listed above, staff are requesting the Committee’s approval for the following uses of CARES Act funding:

1. Engage a consultant to perform initial eligibility appointments and recertification exams
2. Shift the funding of the landlord incentive program ($150,000) authorized by this Committee on February 19, 2020 to the CARES Act funding.
3. Expand the landlord signing bonus program to provide all property owners who lease to a Housing Authority client a $500 signing bonus dating back to May 1, 2020. This program would exclude affordable housing developments and Project Based Voucher units. Note: The program approved by this Committee in February, 2020 was only applicable for Housing Authority clients exiting homelessness.

Recommended action:

1. Authorize CARES Act funding to be used for landlord signing bonuses of $500 per new lease beginning May 1, 2020
2. Authorize the Housing Authority to engage a consulting firm to assist with initial eligibility appointments and annual reexaminations
