Called to order at 5:09 pm, by Kevin McConnell

I. Introductions/Public Comment

II. Action Items
   Approval of Minutes- No quorum present minutes carried forward to next meeting.

   Review and approve the new 2015-2020 State approved Alcohol and Other Drug Prevention plan for Sonoma County- No quorum present, carried forward to next meeting.

III. Special Presentations
   N/A

IV. OTP (Prop 36) and Other Law Enforcement/Court Referral Programs
   California Human Development (CHD)
   CHD screened 16 Prop 36 clients during the last reporting period May 18th -June 8th. Of those 16, 12 were referred to outpatient, 3 to residential and 1 to intensive outpatient (IOP). CHD currently has 47 Prop 36 clients enrolled in outpatient services and 6 in pretreatment. There is no waitlist for outpatient services however, clients waiting to enter residential treatment will attend pretreatment group until bed space opens. Waitlists vary by program.

   Drug Abuse Alternative Center (DAAC)
   Turning Point Residential Treatment Program (TP) has varying lengths of treatment ranging from 31 (TPOP) days to 270 days. Individual treatment plans created based on client need or referring agency.
What is the difference between outpatient treatment and intensive outpatient treatment? Outpatient treatment is less than 9 hours per week while Intensive outpatient requires 9+ hours per week. Clients receive individual treatment plans, which strongly encourage self-help groups.

V. Health Policy Planning and Evaluation, Healthy Communities Section Report

- The Board of Supervisors (BOS) passed the Tobacco Retailer License (TRL) with few adjustments. The TRL will go into effect July 1st and will be enforced within unincorporated Sonoma County only. The new TRL includes E-Cigs. Applications currently accepted.

During a recent operation aimed at curbing sales of alcohol to underage minors, the Sebastopol Police used an underage decoy who was able to purchase alcohol at 13 of 14 establishments targeted. The decoy used the identification of a 26-year-old during attempts to purchase alcohol. Employees at 11 of the 14 establishments asked for the identification. However, they did not examine it closely, according to police.

Police said the results highlight the need for employees to undergo training in responsible beverage service. Only two of the 14 employees who sold alcohol to the 18-year-old had received such training. No arrests were made during the operation; instead, a Sebastopol police officer contacted the employee and manager to discuss best practices for verifying that patrons are of legal age when they attempt to purchase alcohol.

The Sonoma County Department of Health Services provides training in responsible beverage service at no cost at various locations, including Sebastopol.

- The county has created a marijuana task force to work and address issues associated with the possible legalization of Marijuana in California. The Law Enforcement sub-committee will be working to address marijuana-impaired drivers.

VI. AODS Section Report

Budget Hearings are under way for FY 16/17. DHS BH presented to the Board of Supervisors Tuesday June14th, all funding approved.

BH continues working to complete the Drug Medi-Cal Waiver. Currently eight counties have completed and submitted the waiver. The state continues to finalize details.

VI. Roundtable Discussion

Kevin McConnell

- Legal Aid of Sonoma County sponsors a monthly workshop to assist in cleaning up your criminal record by getting prior criminal convictions dismissed or “expunged.” Workshops are generally held on the first Wednesday of each month with some exceptions--please
call to confirm scheduling. For additional information about these workshops, please contact:
Holly Browne, Paralegal 707-542-1289
LSRP Manager for SonomaWORKS
Legal Aid of Sonoma County 144 South E Street, Suite 100 Santa Rosa, CA 95404
Hours: Monday-Thursday 9:00 - 5:00

- A Driver’s License Retrieval workshop is held approximately 6x per year. The workshop provides information about reinstating your license for criminal or administrative issue. Contact the Legal Aid office 707-542-6095 for more information.

- A free Veterans Legal Clinic is open at the Santa Rosa VA Clinic. The legal clinic is held every Wednesday beginning at 1:00pm at 3841 Brickway Blvd. An experienced Northern California criminal defense attorney provides a variety of legal services to Veterans, free of charge.

**Cheryle Stanley**
WRS received donations to create a family room within the WRS facility. This much-needed space provides a gathering place for clients, families and children.

Meeting Adjourned at 6:04pm.

Next Meeting: July 20, 2016
Orenda Center conference room #1 - 1430 Neotomas Avenue Santa Rosa, CA 95405
