GETTING STARTED WITH SOCO’S EMPLOYEE SELF-SERVICE

Summary of Steps

Logging Into Employee Self-Service
Logging Out of Employee Self-Service
Understanding Employee Self-Service Navigation
Employee Self-Service Screen/Function Navigation

LOGGING INTO EMPLOYEE SELF-SERVICE

1. Click on the link below to launch the application or enter the following URL into your web browser:

   https://ngssprod.sonomacounty.ca.gov:7012/selfServiceADF/faces/ssLogin

   The following Login screen will appear:

   ![Login Screen](image)

   2. Enter Login information:

   Last Name: Enter your last name. This is not case sensitive.
   Employee ID: Enter your five-digit employee ID number.
   Password: Enter your password. This is case sensitive.

   If you forget your password, click “Forgot your password? Click Here.” on the login screen:
You will be redirected to the following page:

Enter your legal first and last name as well as employee ID number. The system will generate a new password and email it to your work email address. If you do not receive an email with your new password or you have any other issues obtaining a password, contact the ISD Help Desk at 565-2030.

Note: If asked to create a new password please observe the following valid password format:

- Passwords must start with an alphabetic character.
- Passwords may NOT start with a number.
- Passwords cannot equal the user name.
- Passwords cannot be a common word like welcome, user, password, computer, etc.
- The minimum password length is 8.
- The password must contain a numeric digit.
- The password must contain at least one of these characters: ! # $ % & ( ) * + , - / ; ? _
- Passwords cannot contain the following characters: ** @
Upon Login, the Employee Self-Service dashboard will display:

Click Menu at upper left to reveal Menu:

Click drop down arrows to reveal a list of sub-menu items, OR click **Home** in Menu to open full screen menu with sub-menus:
LOGGING OUT OF EMPLOYEE SELF-SERVICE

1. For security reasons you should always log out of the application. You can log out of the application in the following ways:

   a. Click the <EXIT> button at the top right corner of the application.

   b. Click the <X> “Close” button on the browser window.

UNDERSTANDING EMPLOYEE SELF-SERVICE NAVIGATION

The Employee Self-Service application is contained within a web browser window. For this reason you must use the navigation buttons within the Self-Service page to navigate through the application. When a navigation button is available for use, it will light up green.
Back and Forward Arrows:

Click the Back and Forward arrows at the top right of each page to navigate back and forth. **NOTE:** Clicking the “back” or “forward” button on your web browser will navigate you **out** of the application.

Command Buttons:

When commands are available they appear Green on your screens at upper left and right.

**Upper Left:**
- [Launch](#)
- [Reset](#)
- [Cancel](#)

**Upper Right:**
- [Undo](#)
- [Download](#)
- [Print](#)

**Undo Unsaved Changes**

Clicking the <UNDO> or <Reset> button [undo](#) will undo any changes made since the last save.

**Apply Changes**

Clicking the <SAVE> button [save](#) will apply any new changes made to the page you are on.
Print View

Clicking the <PRINT> button will open a printable copy of the screen you are looking at. Press the Control-P keys in order to print the screen.

EMPLOYEE SELF-SERVICE SCREEN/FUNCTION NAVIGATION

The Employee Self-Service main menu contains several sub-menus. Within each sub-menu are links to screens/functions where information can be viewed or changed.
