Do you want to:

- Prepare for Homeownership?
- Clean up your credit?
- Learn how to budget your money?

Join the Family Self-Sufficiency Program- The program that rewards you financially for increasing your income when you work.

"With the financial and emotional support of the FSS Program and the ongoing support of my children I graduated with my BSN. This is a great success for all of us.

I am now working in the health care field making a sustainable income, and can now afford to send my children to college which was not an option before. I would have never made it this far without the support of the HUD and FSS programs. I now have a bright future and so does my children." Mary
