Agenda

1. Introductions
2. Review goal
3. Report on progress for anticipated outcomes
4. Expectations for next meeting

Goal: In order to decrease homelessness in Sonoma County, the Task Group will provide useful, actionable data and recommendations to the Leadership Council on how to narrow the gap between housing supply and demand through PSH, Affordable Housing and Rapid Re Housing “production.”

Anticipated Outcomes:

1. Through data gathering, the task group will paint a clear picture for decision makers of the trends of PSH, AH and RRH in Sonoma County
2. The Task Group will provide information on what the key barriers to closing the PSH and AH gaps are and recommendations on how to overcome these barriers.
3. The Task Group will provide recommendations on how to enhance the impact of RRH.
