

Supervisor Shirlee Zane invites you to honor World Elder Abuse Awareness Day

## Let's Work Together to Support Our Older Adult Community

The COVID Crisis has increased isolation for older and dependent adults in Sonoma County. Supervisor Zane invites community members of all ages to join together in supporting local solutions.

**Be empowered, informed, and supported by a panel of experts from:**

- Sonoma County District Attorney's Office
- Human Services Department Adult & Aging Division
- Local non-profit organizations

**Find out ways to work together supporting local older and dependent adults and prevent elder abuse.**

**Monday, June 15 6:00pm to 7:30pm**

Every year an estimated 5 million, or 1 in 10, older Americans experience elder abuse, neglect or exploitation. Working together, we can build the social supports that can prevent this abuse and keep everyone safe as we age. World Elder Abuse Awareness Day (WEAAD) is commemorated June 15th around the world each year.
