

# Rapid Rehousing (RRH) Standards

---

Developed by a working group of RRH providers

- COTS, WCCS, SAY, TLC, IFSN, Catholic Charities, YWCA

Notable updates and changes

- Updated reasonable accommodation and guiding principles policy to align with shelter standards
- Establishes ESG as guiding regulations but provides variance if other funding sources offer more flexibility.
- Provides guidance on how to determine length and amount of assistance, determination of Fair Market Rent, Rent Reasonableness, room share situations, rental assistance agreements and lease requirements
- Provides resource links to regulations and program rules
