

Shelter Monitoring Committee

Draft scope and make up

Scope

The shelter monitoring committee is a group could be responsible for the following topics.

- Compliance with the shelter intake policy
- A body to replace the shelter standards committee and could provide on-going suggestions for the shelter standards
- Meet with LEAB to hear and recommend suggestions to shelter providers.
- Receive comments from community on shelters.
- Hear grievances that cannot be solved by internal grievance processes.
- Monitor shelter compliance with standards set forth in the shelter standards.

Membership

Members could be appointed by the CEA committee to serve on a volunteer basis. Make up could consist of community members and homeless service agency representatives. Members could meet quarterly to discuss issues mentioned above. They can draft reports and make presentations to the CEA committee.
