Brian Leubitz, Chair

Beth Bruzzone

Marti Campbell

Scott Farmer

Meeting called to order by Brian Leubitz

- Motion to approve Agenda by Beth Bruzzone, Seconded by Marti Campbell, Agenda unanimously approved
- No conflicts of interest reported
- No minutes available for approval

Public Comment:

C Madden: Expressed concern about Jenner Headlands traffic, parking and pedestrians. Not enough parking and so people parking along roads and walking where there is no shoulder. Can Jenner Headlands have people sign up for weekend slots instead of people parking all over Hwy 1? Brian, Chair, commented that since this is not on our agenda, the comment will be sent to District 5 for response.

No further public comment.

Agenda Item # 1 at 7:44 in the Video Recording:

Discussion of the King Ridge Bike Event – deferred to later.

Agenda Item #2 at 9:51 on the Video Recording

Josh Perucci gave an overview of the Fish Fest planned for April 30/May 1

Is a community fundraiser. Beth described the many activities and food at the festival.

BBFishfest.org for more information, early tickets.

Robin Rudderow comment asking the Fish Fest committee about volunteers. Josh: still need plenty of volunteers.

Agenda #1 again at 15:57 in the video

Guest Austin McInerney of Hopper Events

Reviewed ride map and revised route.

There was a robust conversation around

1) Changes made to the ride in response to the concerns expressed by the River MAC and Coast MAC communities.

2) Concerns expressed about the Coastal Commission rules and their leaving the administration of permits to the overall Permit Sonoma ministerial process.

Please see the video for the full discussion.

1:07 at Video: request for agenda suggestions for April MAC meeting

Motion to adjourn: Marti Campbell, Seconded by Scott Farmer, unanimously passed.
