CANDIDATE'S STATEMENT OF QUALIFICATIONS

Candidates for U.S. Representative, and candidates for California state legislative office who accept voluntary expenditure limits, may purchase space in the County Voter Information Guide to print a Statement of Qualifications. The Statement shall be filed in the office of the elections official in each county in which the candidate wishes to have the statements printed. The statement must be filed no later than the close of business on the deadline for filing nomination documents for the office, or by the 88th day before the election if it is for an election for which nomination papers are not required to be filed (i.e. General or runoff elections). Once filed, a statement may not be changed; however the statement may be withdrawn during the period for filing nomination papers and until 5 p.m. of the next working day after the close of the nomination period.

Statements shall be limited to a recitation of the candidate's own personal background and qualifications and shall not in any way make reference to other candidates for the office, or to another candidate's qualifications, character or activities. The statement must be written in the first person (i.e., "I am running..." not "She is running..." or "Jane Doe is running...") of the candidate's own education and qualifications.
