D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the Annual PHA Plan. The Annual PHA Plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public for serving the needs of low-income, very low-income, and extremely low-income families.

Public reporting burden for this information collection is estimated to average 6.02 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Below is a report on the PHA's progress in achieving the goals and objectives described in the 2020 5-Year Plan

PHA Goal: Maintain High Performer SEMAP score. The Section 8 Management Assessment Program (SEMAP) enables HUD to identify housing authority capabilities and deficiencies related to the administration of the program. Grading is based on 15 different indicators. Due to the COVID-19 pandemic, HUD waived SEMAP ratings for the Fiscal Year ending 2021 and carried the Housing Authority's High Performer score forward. A high performer score indicates that the PHA is effectively utilizing the Section 8 program to provide decent, safe and affordable housing and qualifies the PHA to apply for additional vouchers as they become available.

During calendar year 2021, The Housing Authority adopted several waivers which were available through the CARES Act. These waivers allowed for streamlined operations and delays of certain HUD requirements due to the pandemic. Because many SEMAP indicators may have been directly or indirectly affected due to the adoption of available CARES Act waivers, HUD is allowing a waiver of 2021 SEMAP scoring under PIH Notice 2021-31. The Housing Authority has requested a waiver of SEMAP scoring for the period ending June 30, 2022. If approved, SEMAP scoring will resume for the period ending June 30, 2023. This will allow the Housing Authority time to normalize operations enabling a continued High Performer score.

PHA Goal: Apply for new vouchers as available. The Housing Authority has continued to apply for new vouchers each time they are made available. Since the adoption of its 2020 5 Year Plan, the Housing Authority has received 323 new vouchers - 111 new Mainstream vouchers (CY 2020), 59 Family Unification Program Vouchers (CY 2020), and 153 Emergency Housing Vouchers (2021). These vouchers have been deployed through collaborative efforts with the Sonoma County Continuum of Care, the Sonoma County Coordinated Entry System and local supportive services providers.

In addition to vouchers that are made available through traditional HUD Public and Indian Housing (PIH) Notices of Funding Availability (NOFA), the SCHA was awarded renewal grants for its Special Needs Assistance Programs through HUD Continuum of Care. These grant funds enable SCHA to provide rental assistance to families, individuals, and youth with disabilities who are experiencing homelessness.

The SCHA has continued its successful partnerships with supportive service agencies through the Continuum of Care and Family Unification programs. These partnerships assist some of the hardest to serve clients, including persons with disabilities, homeless families, senior citizens, victims of domestic violence, former foster youth, and families in the process of reunifying with their children. On average, the SCHA assists approximately 3,000 households each month through its various rental assistance programs.

PHA Goal: Expand the supply of affordable housing. The Housing Authority has continued to utilize Project Based Vouchers as a way to address the need for affordable housing in Sonoma County.

HCV-50075

B.6 Progress Report

PHA Annual Plan for Fiscal Year Ending 6/30/2022

- During calendar year 2020, the Housing Authority awarded 100 project based vouchers to developments throughout Sonoma County. Many of these units are expected to be occupied during calendar year 2022.
- During calendar year 2021, the Housing Authority entered into Housing Assistance Payment Agreements for 16 new project based voucher units in Petaluma (5) and Sonoma (9).
- During calendar year 2022 a request for proposals was released seeking applications for up to 200 new project based voucher units. The request for proposals prioritizes existing units that will be homeless-dedicated permanent supportive housing units.

Attracting new landlords to participate in the Housing Authority's rental assistance programs has continued to be a priority. The landlord engagement program which was implemented in 2019 has continued to be successful, bringing in 113 new landlords in calendar year 2020 and 126 new landlords during calendar year 2021.

Additionally, the Housing Authority's Housing Navigation program has continued to be successful in locating and assisting some of the areas most vulnerable residents in achieving permanent housing. By leveraging Whole Person Care grant funds made available through the Sonoma County Department of Health Services, the Housing Navigation program has assisted 103 highly vulnerable persons who were experiencing homelessness in achieving permanent housing (62 in 2021 and 41 in 2020). These funds, which expired December 31, 2021, provided deposit assistance up to two times the monthly rent and landlord incentives which helped provide a tool for rent negotiations.

PHA Goal: Promote self-sufficiency. Due to COVID-19 and staffing challenges, the Housing Authority was unable to draw names from its Family Self-Sufficiency (FSS) waitlist in 2021. This has resulted in a decline in the number of FSS participants. Despite challenges associated with the pandemic, there have been 5 FSS graduates since 2020 (2 in CY 2020 and 3 in CY 2021). Three of these graduates no longer require assistance from the Housing Authority.

The Housing Authority ended 2021 with 22 FSS participants. Because of the low number of program participants, the Housing Authority was unable to apply for funding for an FSS Service Coordinator for calendar year 2022. It is expected that with the hiring of a new FSS Coordinator in 2022 that FSS participation will increase allowing the pursuit of funding for calendar year 2023.

PHA Goal: Ensure equal opportunity and affirmatively further fair housing. The SCHA continues its commitment to ensuring equal opportunity and affirmatively furthering fair housing.

In October 2021, the Housing Authority pulled the last names off of its existing waitlist and reopened a new waitlist lottery. Following the close of the lottery application period, 750 applicants were selected at random to be placed on the Housing Choice Voucher waitlist. All 750 applicants are expected to have an opportunity to receive service within a 24-month period. This

new lottery-based system, implemented in 2019, has been very successful in removing any barriers people may have based upon location they reside in at application.

The Housing Authority is actively working with partner agencies to develop a local Assessment of Fair Housing (AFH). This document is expected to be complete mid-2022 and incorporated into the County Housing Element.

During calendar year 2021, a review of the accessibility of all the Housing Authority's programs and services was completed. The Housing Authority is actively working to address deficiencies that were identified during the survey. All work associated with the physical accessibility of the office space is expected to continue through 2024.

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the ___ 5-Year and/or X Annual PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the PHA fiscal year beginning 07/01/2022, in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located (24 CFR § 91.2).
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments (AI) to Fair Housing Choice, or Assessment of Fair Housing (AFH) when applicable, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan (24 CFR §§ 91.2, 91.225, 91.325, and 91.425).
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA provides assurance as part of this certification that:
 - (i) The Resident Advisory Board had an opportunity to review and comment on the changes to the policies and programs before implementation by the PHA;
 - (ii) The changes were duly approved by the PHA Board of Directors (or similar governing body); and
 - (iii) The revised policies and programs are available for review and inspection, at the principal office of the PHA during normal business hours.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program.
7. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintains records reflecting these analyses and actions.
8. For PHA Plans that include a policy for site-based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2011-65);

- The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing; and
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR 903.7(o)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
 10. In accordance with 24 CFR § 5.105(a)(2), HUD's Equal Access Rule, the PHA will not make a determination of eligibility for housing based on sexual orientation, gender identify, or marital status and will make no inquiries concerning the gender identification or sexual orientation of an applicant for or occupant of HUD-assisted housing.
 11. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
 12. The PHA will comply with the requirements of Section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
 13. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

 16. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
 17. The PHA will keep records in accordance with 2 CFR 200.333 and facilitate an effective audit to determine compliance with program requirements.
 18. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
 19. The PHA will comply with the policies, guidelines, and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Financial Assistance, including but not limited to submitting the assurances required under 24 CFR §§ 1.5, 3.115, 8.50, and 107.25 by submitting an SF-424, including the required assurances in SF-424B or D, as applicable.
 20. The PHA will undertake only activities and programs covered by the Plan in a manner consistent with its Plan and will utilize covered grant funds only for activities that are approvable under the regulations and included in its Plan.
 21. All attachments to the Plan have been and will continue to be available at all times and all locations that the PHA Plan is available for public inspection. All required supporting documents have been made available for public inspection along with the Plan and additional requirements at the primary business office of the PHA and at all other times and locations identified by the PHA in its PHA Plan and will continue to be made available at least at the primary business office of the PHA.
 22. The PHA certifies that it is in compliance with applicable Federal statutory and regulatory requirements, including the Declaration of Trust(s).

Provide a description of how the PHA Plan is consistent with the Consolidated Plan or State Consolidated Plan and the AI.

There is a great, unmet need for housing in Sonoma County which is detailed in the two Consolidated Plans covering the jurisdiction of the PHA. These needs are identified by income, family type and specific housing problems.

1. The Sonoma County 2020 Consolidated Plan states that affordable housing and assisting the County's homeless are high priorities. Specific goals related to these priorities are to make market rate housing units affordable to low income persons through the provision of rental subsidies and to implement strategies for homelessness prevention and intervention county-wide. Activities included within the PHA Five Year Plan are consistent with the priorities contained in the Sonoma County Consolidated Plan, which include providing decent, affordable housing for low-income persons, and coordinated efforts to assist those experiencing homelessness to gain housing.
2. The Consolidated Plan for the City of Petaluma includes goals specific to increasing the supply of affordable rental housing for Petaluma's lowest income households, preserving existing affordable housing stock, providing services to special needs populations, and providing housing assistance to low-income person living with HIV/AIDS. Activities included in the PHA Five Year Plan are consistent with the initiatives contained in the City of Petaluma Consolidated Plan which include providing decent, affordable housing for low-income persons and expanding economic opportunities for low-income persons.

The most recent Analysis of Impediments to Fair Housing study (AI) found that the lack of affordable housing was a primary barrier faced by persons of protected classes within the jurisdiction of the PHA.

Activities and specific goals included in the PHA Five Year Plan which are consistent with the Consolidated Plan and Analysis of Impediments to Fair Housing include:

- a. Applying for additional vouchers as available
- b. Collaboration with local homeless services providers to reach the most vulnerable members of the community
- c. Expanding the supply of affordable housing
- d. Promoting self-sufficiency
- e. Partnering with local supportive services agencies to provide vulnerable clients seeking to exist homelessness housing location and stabilization services
- f. Ensuring equal opportunity and affirmatively further fair housing.

Annual Certification and Board Resolution

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairperson or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year PHA Plan, hereinafter referred to as "the Plan", of which this document is a part, and make the following certification and agreements with the Department of Housing and Urban Development (HUD) for the fiscal year beginning July 1, 2022 in which the PHA receives assistance under 42 U.S.C. 1437f and/or 1437g in connection with the mission, goals, and objectives of the public housing agency and implementation thereof:

The PHA certifies that it will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d—4), the Fair Housing Act (42 U.S.C. 3601-19), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794), title II of the Americans with Disabilities Act (42 U.S.C. 12101 *et seq.*), and other applicable civil rights requirements and that it will affirmatively further fair housing in the administration of the program. In addition, if it administers a Housing Choice Voucher Program, the PHA certifies that it will administer the program in conformity with the Fair Housing Act, title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, title II of the Americans with Disabilities Act, and other applicable civil rights requirements, and that it will affirmatively further fair housing in the administration of the program. The PHA will affirmatively further fair housing, which means that it will take meaningful actions to further the goals identified in the Assessment of Fair Housing (AFH) conducted in accordance with the requirements of 24 CFR § 5.150 through 5.180, that it will take no action that is materially inconsistent with its obligation to affirmatively further fair housing, and that it will address fair housing issues and contributing factors in its programs, in accordance with 24 CFR § 903.7(o)(3). The PHA will fulfill the requirements at 24 CFR § 903.7(o) and 24 CFR § 903.15(d). Until such time as the PHA is required to submit an AFH, the PHA will fulfill the requirements at 24 CFR § 903.7(o) promulgated prior to August 17, 2015, which means that it examines its programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction’s initiatives to affirmatively further fair housing that require the PHA’s involvement; and maintains records reflecting these analyses and actions.
