Participant FAQs about the Sonoma County Coordinated Entry System

What is a Coordinated Entry System (CES)?
- Coordinated Entry is a streamlined system designed to efficiently match people experiencing homelessness to available housing programs. It prioritizes those who are most in need of assistance.
- Referrals are made only to permanent housing, not shelter.

What is a CES Assessment?
- Used to determine eligibility for referrals to homeless housing services such as Permanent Supportive Housing and Rapid Rehousing.
- Places you on a centralized By Names List so you don’t have to apply program by program.
- It may match you with housing services that meet your needs when they are available, although an assessment does not guarantee a referral.
- Includes the VI-SPDAT survey.

What is the Sonoma County Coordinated Entry System By-Name-List?
- The CES By-Name-List is a dynamic list of individuals, families, and transitional age youth who are experiencing homelessness prioritized by vulnerability.
- The CES By-Names-List is not a first come, first served waiting list and does not guarantee referrals to any particular service or program.
- Eligible households who are the most vulnerable and the most in need will be connected to available housing programs first.
- If you do not accept the housing referral offered to you, you will maintain your placement on the By-Name-List and will be offered the next eligible referral.
- The By-Name-List is stored in the Homeless Management Information System, which is not accessible to the public.

What are my rights as a participant in Sonoma County CES?
- The CES, Access Points and Cooperating Agencies must comply with the nondiscrimination provisions of federal civil rights laws, which bar discrimination on the basis of race, color, religion, national origin, sex, actual or perceived sexual orientation or gender identity, disability, familial status, marital status, citizenship (or lack thereof). Cooperating Agencies may deny services on the basis of stated eligibility requirements.
- You have the option for your information to be stored on the By-Name-List anonymously, and it can be removed at any time.

How do I submit a complaint or grievance?
- Please contact the Coordinated Entry Operator at: ce@homefirstscc.org or 866-542-5480.

I’ve completed the CES Assessment. What should I do now?
- Continue to pursue other housing options, services, and benefits. Many people who are on the list will NOT be offered a housing opportunity or will wait a very long time for a referral.
- Stay in contact with a CES Access Point, shelter, or outreach team every 90 days to maintain your active status on the By-Name-List and eligibility for housing referrals. Keep your contact and location information up to date.
- Update your CES Assessment annually or when a major life event occurs.
