This form is for use by all state and local government agencies. The form identifies persons that receive admission tickets and passes and describes the public purpose for the distribution. This form was prepared by the Fair Political Practices Commission (FPPC) and is available at www.fppc.ca.gov.

General Information

FPPC Regulation 18944.1 sets out the circumstances under which an agency's distribution of tickets to entertainment events, sporting events and like occasions would not result in a gift to individuals that attend the function. In general, the agency must adopt a policy which identifies the public purpose served in distributing the admissions and then must post the policy on the agency's website. The Form 802 serves to detail each event and the public purpose of each agency distribution. FPPC Regulation 18942 lists exceptions to reportable gifts, including ceremonial events, when listed on this form.

When the regulation procedures are followed, persons who receive admissions are listed on a Form 802. Agency officials do not report the admissions on the official's Statement of Economic Interests, Form 700, and the value of the admission is not subject to the gift limit.

The Form 802 also informs the public as to whether the admissions were made at the behest of an agency official and whether the behested tickets were provided to an organization or specific individuals.

Website Posting

The Form 802 must be posted on the agency's website within 30 days after the distribution. If the agency does not maintain a website, the form must be maintained by the agency as a public record, be available for public inspection and copying, and be forwarded to the FPPC for posting on its website.
