

HOUSING ASSISTANCE COMMITTEE LOAN

Statement of Responsibility

Pursuant to the Promissory Note executed between me and the County of Sonoma on this date, County will permit payments to be made on my loan through payroll deductions, subject to the following conditions:

1. I agree that payments on my loan shall be made through payroll deductions and that this payment method does not alleviate me from the ultimate responsibility for timely payments or repayment of the loan.
2. I further agree that if I terminate employment with the County or if the County terminates my employment the maximum amount permitted by law will be deducted from my final paycheck. I will repay the remaining amount of the loan, if any, through monthly installments, each of which will be equal to twice the amount of the previous semi-monthly payroll deduction. If I default on these monthly payments, I understand that the total outstanding balance will become due and payable in full.
