If the Board of Supervisors decides, by legislative action, to contract out any Bargaining Unit work, the County will send (hand delivered or by certified mail, return receipt requested) a written 90-calendar day notice to each employee represented by the

Council who will lose his or her allocated position or will have his or her regular work schedule reduced as a result of the contracting out action. The County will send the Council copies of all employee notices. The 90-day notice will specify that the employee will lose his or her position or will have a reduction in work hours effective 90 calendar days from the date the employee receives the notice.

If the County should decide to layoff or reduce the work hours of an employee prior to the expiration of the 90-day notice period, the employee shall receive regular pay and benefits for the amount of the employee's regular workdays remaining within the 90-day notice period. In the event that an employee receives a 90-day notice under this Section, the County will continue to make a reasonable effort to place the affected employee in another available position(s) within the County for which the employee is qualified consistent with applicable Civil Service Rules and other related employment requirements. In return for the foregoing, the Council agrees the County is under no obligation under state law or the County Employee Relations Policy to meet and confer with the Council over either the decision to contract out Bargaining Unit work or the impact to represented employees resulting from such contracting out. During the 90-day notice period, the Council and the County agree to collaboratively discuss possible options/alternatives to mitigate negative impacts on represented employees.

ARTICLE 11: SALARIES AND ADMINISTRATION OF THE SALARY SCHEDULE

11.1 Salaries

Salary Scales shall be as specified in Appendix B for each classification in the Bargaining Unit.

11.1.1 Market/Equity and Salary Adjustments

- (a) Effective the pay period that begins December 3, 2019: the County will increase the current I step of each job classification in the salary table specified in Appendix B and attached to this agreement by \$1.15/hour. The County will then recalculate each salary scale in Appendix B from the adjusted I step to maintain an approximate 2.5% differential between salary steps.

Following the above adjustments, the County will provide a salary adjustment by increasing the adjusted A step of the County Engineer benchmark classification by 4.0%, as set forth in Appendix B-1. The County will concurrently increase the adjusted A-I steps of each non-benchmark classification linked to the County Engineer benchmark classification based on the County's internal salary administration alignments.

- (b) Effective the pay period that begins May 19, 2020: the County will increase the current I step of each job classification in the salary table specified in Appendix B and attached to this agreement by \$1.15/hour. The County will then recalculate each salary scale in Appendix B from the adjusted I step to maintain an approximate 2.5% differential between salary steps.

Following the above adjustments, the County will provide a salary adjustment by

increasing the adjusted A step of the Water Agency Engineer III benchmark classification by 0.45%, as set forth in Appendix B-1. The County will concurrently increase the adjusted A-I steps of each non-benchmark classification linked to the Water Agency Engineer III benchmark classification based on the County's internal salary administration alignments.

- (c) Effective the pay period that begins May 18, 2021: the County will increase the current I step of each job classification in the salary table specified in Appendix B and attached to this agreement by \$1.15/hour. The County will then recalculate each salary scale in Appendix B from the adjusted I step to maintain an approximate 2.5% differential between salary steps.

Following the above adjustments, the County will provide a salary adjustment by increasing the adjusted A step of the Water Agency Engineer III benchmark classification by 0.45%, as set forth in Appendix B-1. The County will concurrently increase the adjusted A-I steps of each non-benchmark classification linked to the Water Agency Engineer III benchmark classification based on the County's internal salary administration alignments.

11.1.2 Cost of Living Adjustments

- (a) Effective with the pay period that begins December 17, 2019, the County will increase by two and nine tenths percent (2.9%) the A-I steps of each scale in the Salary Table specified in Appendix B.
- (b) Effective the pay period that begins June 2, 2020, the County will increase by two and nine tenths percent (2.9%) the A-I steps of each scale in the Salary Table specified in Appendix B.
- (c) Effective the pay period that begins June 1, 2021: the County will provide a salary adjustment by increasing the adjusted A step of each job classification specified in Appendix B by at least 1.95% and not more than 3.85%. To determine the actual salary increase, the County will compare the following values:

(V1)The San Francisco-Oakland-Hayward All Urban Annual Consumer Price Index (CPI-U) issued by the Bureau of Labor Statistics in January 2021 for the preceding December percentage change from December of the prior year.

(V2)The County's actual annual growth percentage of secured property taxes collected between fiscal years 2018-2019 and 2019-2020, divided by 1.5

The effective salary adjustment to be applied to the salary scale will be based on the lesser of value (V1) and value (V2) above, in the following manner:

- If the lesser of value (V1) and value (V2) is less than or equal to 2%, then the effective salary adjustment will be 1.95%.
- If the lesser of value (V1) and value (V2) is greater than or equal to 4%,

then the effective salary adjustment will be 3.85%.

If the lesser of values (V1) and (V2) is between 2% and 4%, the effective salary adjustment will be calculated according to the following formula:

Lesser of value (V1) and value (V2) = (X)
(X) - 2% = (F)
(F) x 0.95 = (G)
(G) + 1.95 = effective salary adjustment: (H)

Examples:

(X) = 2.5%
2.50 - 2.00 = 0.50
0.50 x 0.95 = 0.475
0.475 + 1.95 = 2.425%

(X) = 3.50%
3.50 - 2.0 = 1.50
1.50 x 0.95 = 1.425
1.425 + 1.95 = 3.375%

- (d) Effective the pay period that begins May 31, 2022: The County will provide a salary adjustment by increasing the adjusted A step of each job classification specified in Appendix B by at least two percent and not more than four percent. To determine the actual salary increase, the County will compare the following values:

(V1)The San Francisco-Oakland-Hayward All Urban Annual Consumer Price Index (CPI-U) issued by the Bureau of Labor Statistics in January 2022 for the preceding December percentage change from December of the prior year.

(V2)The County's actual annual growth percentage of secured property taxes collected between fiscal years 2019-2020 and 2020-2021, divided by 1.5.

The effective salary adjustment to be applied to the salary scale will be based on the lesser of value (V1) and value (V2) above, in the following manner:

- If the lesser of value (V1) and value (V2) is between 2% and 4%, the County will increase the A step by the lesser of the two values.
- If the lesser of value (V1) and value (V2) is less than or equal to 2%, County will increase the A step by 2%.
- If the lesser of value (V1) and value (V2) is greater than or equal to 4%, the County will increase the A step by 4%.

11.1.3 Cash Allowance

- (a) Subject to the reductions identified in Section 11.1.3(b)-(d), below, the County shall pay each permanent full- and part-time employee, in addition to their hourly regular earning rate from the salary schedule, a cash allowance of \$3.45 per paid status hour that the employee is in pay status excluding overtime, up to a maximum of eighty (80) hours in a pay period, (for approximately a maximum of \$600 per month).

Such hourly cash allowance is compensation for services rendered in that pay period and shall be taken into account for the purposes of computing employees' final compensation for pension purposes, as well as all usual taxation as their regular earning rate from the salary schedule. It shall not be included on the salary schedule and shall not be impacted by future increases on the salary schedule. It is not intended as a supplement toward medical, dental, or any other insurance or benefit.

- (b) Effective December 3, 2019, the County will reduce the hourly cash allowance to \$2.30 paid per pay status hour that the employee is in a paid status, up to a maximum of 80 hours in a pay period.
- (c) Effective May 19, 2020, the County will reduce the hourly cash allowance to \$1.15 paid per pay status hour that the employee is in a paid status, up to a maximum of 80 hours in a pay period.
- (d) Effective May 18, 2021, the County will reduce the hourly cash allowance to \$0.00 paid per pay status hour that the employee is in paid status, up to a maximum of 80 hours in a pay period.
- (e) In consideration for the foregoing, the County has agreed to increase the I step of the salary scale of each job classification identified in Appendix B by \$1.15/hour over a three (3) year period as set forth in Section 11.1.1 (Market/Equity and Salary Adjustments).

11.2 Salary Upon Employment

Except as otherwise provided herein, appointment to any position in any class shall be made at the minimum rate, and advancement to rates greater than the minimum rate shall be within the limits of the salary scale for the class.

In exceptional cases after reasonable effort has been made to obtain employees for a particular class at the minimum rate, employment of individuals who possess special qualifications higher than the minimum qualifications prescribed for the particular class may be authorized at a rate higher than the minimum upon recommendation of the appointing authority with approval of the County.

11.3 Salary Consideration Upon Reappointment or Return

A full-time or part-time employee who resigns in good standing and is reappointed on a full-time, part-time or Extra Help basis in the same or a closely related class in the same or a lower salary scale within two (2) years of resignation, shall not be paid less than two steps below the step

paid at the time of resignation. Approval of the County is only required if the person is rehired at a step which exceeds the step paid at the time of resignation.

A full-time or part-time employee who resigns in good standing and, within one (1) month of the date of resignation, is appointed to an Extra Help job in any class may, with approval of the appointing authority, receive the hourly rate which is closest to but does not exceed the step rate received upon resignation.

11.4 Salary Extra Help to Extra Help or Permanent Appointment

An Extra Help employee who is appointed to an allocated part-time or full-time position or on an Extra Help basis in any class and without a break in service, shall be paid at a step in the appropriate salary scale which is nearest in amount to that of the step received in the classification held immediately prior to such appointment. Employment at a higher salary step not to exceed the maximum of the scale may be authorized upon recommendation of the appointing authority and approval of the County. This provision does not apply to the appointment of an Extra Help employee to another Extra Help position(s) held simultaneously with the first position.

11.5 Salary Upon Restoration

Any full-time or part-time employee displaced, laid off, or voluntarily demoted in lieu of layoff and reappointed within two (2) years in the same class from which separated or in a closely related class in the same salary scale, or in a lower salary scale than the class from which separated shall be paid at the salary step closest to but not exceeding the step of the applicable scale paid at the time of displacement, layoff or voluntary demotion. Such employee shall be considered for merit increase when the employee's total hours in pay status before and after separation and restoration equal the number of hours required for merit increase.

11.6 Salary Upon Promotion

Except as otherwise provided herein, any full- or part-time employee who is promoted to a position or a class allocated to a higher salary scale than the class from which the employee was promoted shall receive the salary step rate of the appropriate range which would constitute an increase of salary most closely equivalent to but not less than five percent (5%) of the employee's salary step rate before promotion, but not less than the minimum salary scale of the new class nor greater than the maximum salary of the new class.

If a promotion occurs during the same pay period a merit increase is due and approved, the merit increase shall be computed first and subsequently the increase due to promotion.

An employee who is promoted shall be considered for a merit increase when the employee's total hours in pay status, exclusive of overtime subsequent to promotion, equals 1,040 hours. The effective date of the merit increase shall be in accordance with Section 11.19.

11.7 Salary – Upon Promotion – Advanced Salary Step

Upon promotion of a full-time or part-time employee to a new class, the Human Resources Director may recommend to the County Administrator that the person being promoted shall receive a rate of pay which is higher than that to which the employee is entitled, but which in no way exceeds the top of the scale.

11.8 Salary Upon Demotion During Probation (Failed Probation)

Any full-time or part-time employee who, during the employee's probationary period, is demoted to a class which the employee formerly occupied in good standing during the same period of continuous employment in paid or unpaid status, shall have the employee's salary reduced to the salary the employee would have received if the employee had remained in the lower class throughout the employee's period of service in the higher class. The employee's eligibility for merit advancement shall be determined as if the employee had remained in the lower class throughout the period of service in the higher class.

11.9 Salary Upon Involuntary Demotion

A full- or part-time employee, to whom the circumstances described in Section 11.8 do not apply, who is demoted involuntarily to a position in a class which is allocated to a lower salary scale than the class from which the employee is demoted, shall have the employee's salary reduced to the salary in the range for the new class next lower than, or not more than five percent (5%) lower than the salary received before demotion, except that such employee shall not be paid more than the maximum of the scale of the class to which the employee is demoted. The employee's eligibility for merit advancement shall not change as a result of demotion.

11.10 Salary Upon Voluntary Demotion

A full- or part-time employee, to whom the circumstances described in Section 11.8 above do not apply, who is demoted voluntarily or who is displaced as a result of layoff to a position of a class which is allocated to a lower salary scale than the class from which the employee is demoted, or displaced as a result of layoff shall receive the highest salary step in the scale for the new class which does not exceed the salary received before demotion or displacement but not exceeding the maximum of the salary scale for the new class. The employee's eligibility for merit advancement shall not change as a result of demotion or displacement.

11.11 Salary Upon Reappointment from Voluntary Demotion

Any full-time or part-time employee who is demoted voluntarily and who is reappointed on a full-time or part-time basis in the same class within two (2) years, shall be reappointed at either the same step the employee received at the time of demotion or the salary step nearest the amount of the employee's present salary step, whichever is greater.

11.12 Salary Upon Transfer

A full-time or part-time employee who transfers from one allocated position to another allocated position in the same job class shall be placed at the same salary step that the employee was receiving prior to the transfer. A full-time or part-time employee who transfers from one allocated position in a job class to another allocated position in a closely related job class as defined in the Civil Service Rules for which s/he possesses the minimum qualifications shall be paid at the step in the new scale nearest in amount to what the employee received prior to transfer.

11.13 Salary Upon Reallocation of Class

An employee in a position of a class which is reallocated from one salary scale to another shall continue to receive the same salary step.

11.14 Salary Upon Reclassification of Position - Same Salary

Whenever a position is reclassified to a class which is allocated to the same salary scale, the incumbent shall retain the same salary step received prior to the reclassification if the incumbent is appointed to fill the position.

11.15 Salary Upon Reclassification of Position - Higher Salary

Except as otherwise provided herein, whenever a position is reclassified to a class which is allocated to a higher salary scale, the salary of the incumbent shall be as provided in this article upon promotion if the incumbent is appointed to fill the position.

11.16 Salary Upon Reclassification of Position - Lower Salary

Whenever a position is reclassified to a class which is allocated to a lower salary scale, the salary of the incumbent shall be as provided by this article upon voluntary demotion, if the incumbent is appointed to fill the position. Whenever the effect of reclassification is to reduce the salary of an incumbent, the Board of Supervisors may, upon recommendation by the Director of Human Resources, direct that the incumbent shall continue to receive the previously authorized salary until termination of employment in the position, or until a percentage increase in pay may be authorized, whichever first occurs. Appropriate records shall show such an incumbent as being paid at a special fixed rate (Y-Rate) of the salary scale for the employee's class.

11.17 Merit Advancement Within Salary Scale

Merit increases within a scale shall not be automatic. They shall be based upon merit and shall be made only upon written approval by the employee's Department Head or appointing authority. Merit increases shall be made within the appropriate salary scale for the class by computing the new salary step rate which is most closely equivalent to five percent (5%) higher than the previous base hourly salary.

11.18 Salary Upon Advancement Within a Scale

Each employee shall be considered for an initial merit increase when the employee's total hours in pay status within the current class exclusive of overtime equals 1,040 hours. Each such employee shall be considered for subsequent merit increases when the employee's total hours in pay status exclusive of overtime at each step to which advancement equals 2,080 hours.

11.19 Effective Date of Merit Increase

All merit increased will be effective on the date the employee is eligible in accordance with Sections 11.17 (Merit Advancement Within Salary Scale) and 11.18 (Salary Upon Advancement Within a Scale).

11.20 Temporary Assignment to a Higher Class

An employee assigned by the County to perform the majority of duties of a higher classification to fill a vacancy caused by resignation, termination, promotion or an extended leave of absence, must complete the required personnel forms and must meet the minimum qualifications of the higher classification. Such employee shall be paid according to the salary of the scale for the new class at a step most closely equivalent to five percent (5%) greater

than the employee's salary before promotion, but not less than the minimum salary of the new class, nor greater than the maximum salary of the new class. The employee shall receive this salary as long as the employee continues to serve in such assignment and shall be entitled to receive increases for the position in accordance with the merit increase Section of this Memorandum as though the employee had been appointed on the day that the employee began to receive the salary designated for the position.

11.20.1 Temporary Assignment – Merit Increase Eligibility

Temporary assignments shall be administered in the following manner:

- a) If an employee assigned to a higher class has not yet reached the “1” step in the lower class, in-service hours while temporarily assigned to a higher class shall count as time served in the lower class for purposes of merit increase(s). If the employee reaches the “1” step of the lower class while temporarily assigned, all subsequent in-service hours worked while assigned to the higher class will begin counting toward a merit increase in the higher class.
- b) If an employee is at the “1” step of the lower class when assigned to the higher class, in-service hours while temporarily assigned to a higher class shall count as time served in the higher class for purposes of merit increase(s) beginning with the first hour assigned in the higher class.
- c) An employee who is subsequently reassigned by the County within 12 months of the ending date of the most recent temporary assignment shall be considered for a merit increase in the higher class when the employee’s total cumulative hours in the higher class are in accordance with Section 11.18 (Salary Upon Advancement Within a Scale).

However, if the employee received credit toward a merit increase in the lower class for hours worked in a temporary assignment as provided in Subsection 11.20.1(a), such hours shall not also count toward a merit increase in the higher class.

11.21 Classification Study Requests

In response to a written request from a Department Head, the Council, or an employee for a reclassification study, the Human Resources Department shall acknowledge receipt of said request, and if possible, indicate the general priority, if known, within thirty (30) calendar days of the date said request is received by the Human Resources Department.

The Director of Human Resources or his/her designee will review the status of pending classification study requests with a staff member of Council upon request.

Before the Board of Supervisors establishes the salary scale for any new class represented by the Council, the County shall meet and discuss the salary scale for the new classification with the Council.

11.22 Successor MOU Negotiations

East Bay MUD, Marin Municipal Water District, Vallejo Sanitation and Flood Control District, Alameda Zone 7, Alameda Water District, Napa Sanitation District, Delta Diablo, and Central Contra Costa Sanitation.

For successor negotiations, the County and the Council reserve the right to survey and gather compensation data from other comparable water/sanitation districts, as well as those listed above for the Water Agency classifications.

With respect to the Sonoma County classifications, the County and the Council shall gather data from the survey agencies of their choice. Subject to data availability, the County and Council shall make the data available to each other by the start of the next negotiations, or as soon as possible thereafter for both County and Water Agency classifications.

11.23 Labor Management Committee - Total Compensation Survey

The parties agree that in preparation for the next contract negotiation only, and at WCE's request on or after February 1, 2022, a Labor Management Committee ("LMC") will be established to discuss the County's total compensation survey methodology. If the LMC is established, the LMC will meet up to three (3) times for up to two (2) hours each to discuss the County's total compensation methodology. The LMC will consist of four (4) employees from WCE, plus one representative (not employed by the County). The County team shall consist of no fewer than three management representatives from the County. Nothing in this paragraph precludes the parties from discussing comparable agencies, classifications, and benchmarks during negotiations.

ARTICLE 12: HOURS AND OVERTIME

12.1 Purpose of Article 12 (Hours and Overtime)

When the cumulative time of calls exceeds one (1) hour, an employee shall be entitled to receive overtime compensation for the cumulative time of the calls to the nearest quarter of an hour. Phone work performed during a regularly scheduled telecommuting assignment is not eligible for payment under this Section.

16.1 Workforce Development and Training

Within available resources, the County will provide the maximum in quality staff development. 16.5 Continuing Education - Approval by Appointing Authority

When a Continuing Education Course (CEC) is offered during an employee's normal work schedule, the employee may be authorized Continuing Education leave. Such leave authorization shall be subject to the approval of the employee's appointing authority and must be directly related to the employee's present position, or career advancement within the present department. Approval of one course in a series does not automatically constitute approval for the entire series unless specifically authorized by the appointing authority. Continuing Education Leave shall be considered as time worked.

16.6 In-Service Training - Program Description

The County shall make every effort to provide a program of In-Service training for employees

in the Bargaining Unit designed to maintain a high standard of performance and to increase the skills of employees in the Bargaining Unit.

Training courses to be attended shall have a direct bearing on the work of the employee. Attendance of training courses may be authorized by the Department Head. Decisions by Department Heads on request by employees should be based on the following criteria: The effect the absence of the employee will have on the department's operations and its ability to continue to provide the services and perform the functions for which it is responsible; the relationship of the subject of the program, seminar, conference or workshop to the function performed by the employee and the department, and the employee's professional development; the method of financing the training requested by the employee.

16.7 In-Service Training - Financial Resource Options

There are three (3) ways the expenses of the program might be paid:

1. By the County: Expenditures for travel, meals, lodging, registration and other items included annually within the department budget.
2. By Other Public or Private Agencies: Occasionally, employees receive approval for their expenditures to be paid by grants from the State or Federal governments, from private organizations or from professional organizations.
3. By the Individual Employee: Occasionally, the departmental budget may not permit trips to be paid by the County. The employee may feel that the trip would be of benefit to the employee's professional development, and therefore, would be willing to pay the expenses if the employee were permitted time off from work at full salary.

16.8 Employee Attendance Selection

When more than one employee within a department requests to attend In-service training and it is not possible to grant attendance for all those employees who have made such a request because of the criteria listed above, the Department Head shall establish an attendance list based on the priority order of:

The County's thirteen (13) pay period leave without pay benefit entitlement shall run concurrent with FMLA/CFRA/CPDL.

The employee's entitlement under COBRA law begins when the employee is no longer eligible for a County contribution toward medical benefits. When the employee returns to fifty percent (50%) or greater of the employee's allocated full time equivalent in pay status, eligibility for a County contribution toward health benefits is regained. Benefit coverage begins the first of the following month once a completed and signed Employee Benefits Enrollment/Change form is received by the Human Resources Benefits Unit within 31-days

For Bargaining Unit members hired on or after January 1, 2009, the County contributions to the employee's County HRA account described in Section 19.3 (County contribution toward Retiree Medical Plans – Employees Hired On or After 1/1/2009), combined with the County's former contribution to the HRA as described in 19.6.1 (Additional HRA-Biweekly Contribution), constitute the County's entire obligation towards medical benefits upon termination and/or retirement and the parties agree that no other retiree medical benefits exist.

19.6.4 Additional HRA – Determination of Intent

In the event that any court, arbitrator, administrative agency, or other tribunal of competent jurisdiction determines that any of the contributions described in Section 19.6.1 (Additional HRA-Bi-Weekly Contribution) are to be included in calculating the County's contribution toward retiree medical insurance for any retiree(s), then the contributions described in Section 19.6.1 (Additional HRA-Bi-weekly Contribution) shall be held in abeyance and the parties shall meet and confer on the matter to preserve the intent of the parties in an attempt to reach an agreement to preserve the benefits negotiated in Section 19.6.1 (Additional HRA-Bi-weekly Contribution).

19.6.5 Waiver

In consideration for the supplemental HRA benefits provided in Section 19.6 (Additional HRA – Eligibility), the Council on behalf of itself and its current members/survivors as of January 12, 2010, waives any cause of action based on County conduct regarding retiree medical benefits from April 1, 2007 through August 5, 2013 (end of pay period closest to Board adoption). Unless compelled by operation of law, the Union further agrees it will not initiate, financially support, or participate in any grievances, claims, demands, or suits against the County resulting from or in connection with the matters described herein.

19.6.6 For active employees enrolled in a County sponsored medical plan, the County will make a one-time transfer of the funds contributed under this Section 19.6 into the active employee HRA account when administratively feasible.

The County makes no representation or warranties in regard to the tax treatment of the HRA, including whether any portion of the HRA is taxable by the Internal Revenue Service or the Franchise Tax Board.

If a date-specific holiday listed in Section 20.1 falls on a Sunday, the following Monday shall be the County observed holiday. All other date-specific holidays listed in Section 20.1 shall be observed on the date specified in Section 20.1.

20.3 Holidays – Compensation Full-Time – Employees Not Scheduled to Work

A full-time employee whose assigned work schedule does not include either the date specific holiday or the observed holiday, shall elect to receive eight (8) hours of paid holiday or eight (8) hours of compensatory time in accordance with Section 12.6. All other full-time employees whose regular assigned work schedule includes the date-specific holiday or the observed holiday shall receive their regular eight (8) hours pay at their base hourly rate of pay.

This paid holiday benefit shall be reduced proportionally by any unpaid time in the pay period in which the holiday falls.

20.4 Holidays – Compensation – Working on Holidays

The County shall compensate an employee who actually works on either the date-specific holiday or the County “observed” holiday listed in Section 20.1 at the overtime rate. The County shall compensate an employee who works on both the date-specific holiday and the related County observed holiday listed in Section 20.1 at the overtime rate for one holiday and at straight time based on the employee’s base hourly rate of pay for the other holiday. Unless required by law, only one (1) day shall be paid at the overtime rate of pay.

20.5 Part-Time Employees

For each holiday listed in Section 20.1, each part-time employee shall receive holiday pay equivalent to one-tenth (0.1) of an hour for each hour regularly scheduled to be worked based on the employee's ongoing work schedule. If the employee's total hours in paid status (excluding the holiday benefit) exceeds the hours regularly scheduled to be worked, the employee shall receive holiday pay equivalent to one-tenth (0.1) of an hour for each hour in paid status (excluding the holiday benefit). This holiday pay shall not exceed eight (8) hours for each holiday nor, for a part-time employee, be less than three and two-tenths (3.2) hours

for each holiday in the pay period.

20.6 Holidays – Compensation – Employees on Leave Without Pay

An employee on leave without pay who has paid leave remaining (including vacation, sick leave or compensatory time), shall not be permitted to use that paid leave to demonstrate that the employee was in paid status on the employee’s regularly scheduled workdays before and after the holiday as required by Section 20.1.

20.7 Floating Holiday

Each regular, full-time employee will be granted eight floating holiday hours each calendar year. The employee must be in paid status on the employee’s regularly scheduled workdays before and after using the floating holiday. The timing of the employee’s use of the floating holiday shall be subject to advance approval of the Department Head or designee. The floating holiday hours may be taken at any time during the calendar year, but may not be carried over into the next calendar year. Further, there will be no cash out of floating holiday hours. Floating holiday hours must be taken in no less than 1/10 of an hour increments. Each part-time employee shall be entitled to a prorated number of hours based on allocated FTE at the time of the annual calendar year allocation.

21.3 Vacation – Accrual

Each employee who has completed the following in-service hours shall accrue vacation leave at the appropriate rate shown below. In-service hours include all hours in paid status excluding overtime up to a maximum of eighty (80) per pay period.

Rates shown below will be adjusted to reflect any unpaid time in each pay period.

Years of Completed Full-Time Service	Service Hours of Completed Service	Rate for 80 In-Service Hr. Per Pay Period	* Maximum Accumulated Hours
0 through 5	0 - 10,434	4.94	280
5 through 10	10,435 – 20,870	5.25	280
10 through 15	20,871 – 31,305	6.48	280
15 through 20	31,306 – 41,741	7.09	280
20 through 25	41,742 – 52,177	7.70	280
25 or greater	52,178 or more	8.01	280

21.4 Vacation – Credit Upon Reappointment

Each employee with 10,435 in-service hours (five (5) or more years) who resigned in good standing and is reappointed within two (2) years shall be credited with all prior continuous service less 4,174 in-service hours (two (2) years) for purposes of new vacation accrual. Each employee with 10,435 in-service hours (five (5) or more years) who is laid off and who is reappointed within two (2) years, shall be credited for vacation accrual purposes with the same number of in-service hours as the employee had accrued at the time of layoff.

21.5 Vacation Schedules

Vacation schedules shall be arranged by Department Heads with particular regard to the needs of the service, and whenever possible, with regard to the wishes of the employee. Every effort shall be made to arrange vacation schedules so that each employee will take as much vacation in each year as accrues to the employee in that year. Each employee's vacation time may be so divided as the needs of the service require or permit. No employee may take vacation without advance approval of the Department Head or appointing authority. No employee may take vacation leave in advance of that actually accumulated at the time such leave is taken.

21.6 Payment for Unused

Each employee who is separated from the County service shall be entitled to payment in lieu of all unused vacation leave which the employee may have accumulated as of the employee's last day of work and shall be computed on the basis of such employee's base hourly rate at the time of termination.

21.7 Vacation Savings Plan

Under Vacation Savings Plan (VSP), each eligible (permanent or probationary) full-time employee may elect to set aside up to twenty (20) hours of base rate pay each plan year during years 3 through 5 (4,174 to 10,434 service hours) of permanent, probationary, or unclassified employment. Part-time employees will be eligible to set aside hours on a pro-rata basis, based on their allocated FTE (full time equivalent) position.

Employees enroll during an annual open enrollment period in October/November for the subsequent plan year. The plan year runs from January 1 – December 31. Full-time and part-time employees become eligible to enroll in the VSP upon reaching 4,174 service hours as of the pay period end date immediately preceding the start of open enrollment. Eligibility to enroll ends upon completion of 10,434 in-service hours as of the last day of the pay period immediately preceding the start of an annual open enrollment.

Employees new to this MOU who have between 4,174 and 10,434 in-service hours may enroll within their first 60 days for the current plan year. Information on the plan will be provided by the payroll clerk. Deductions for current plan year enrollments must be completed by the end of the final pay period in December of the current plan year.

Employees who have reached 4,174 hours by the last day of the pay period immediately preceding the beginning of an annual enrollment, and who have not exceeded 10,434 service hours, must complete their election through the County's self-service program or paper

enrollment form during the open enrollment period. Employees indicate the number of hours (up to 20) they wish to purchase, and the number of pay periods over which the deductions will occur beginning on the first pay period of the new plan year. Deductions for regular and special enrollments will be in equal amounts over the number of pay periods selected by the employee at the base hourly rate of pay at the time of the first deduction. Deductions must be completed by the end of the final pay period in December. Employees may submit one enrollment per plan year. Elections must be in whole hour increments.

At the end of the plan year, up to 20 hours may roll forward to the subsequent plan year until the last pay period in April. Any unused hours from the prior year on account at the end of the last pay period in April will be paid back to the employee in May.

The dollar value and hours available in the VSP bank will appear on the employee's paystub, the County's self-service program, and Timesaver.

Deductions are made on an after-tax basis. If there are insufficient funds to cover the deduction, the deduction will not be taken and the amount will automatically recalculate for the remaining elected pay periods in the plan year.

Employees may cancel participation in the program by notifying the Auditor Payroll Division in writing by completing a Vacation Savings Plan Enrollment/Cancellation Form. The employee designates whether the amount accrued to date will be paid out to the employee or will carry forward under the plan provisions. Balances being paid back to the employee will be paid off as soon as administratively feasible.

In the event the employee separates from County employment or has a change in eligibility status for the plan, unused VSP will be paid to the employee as soon as administratively feasible. Reaching 10,434 hours during the plan year is not considered a "change in status" under this provision.

Use of VSP hours are subject to the following guidelines:

- a. Time may be used in one-tenth hour increments
- b. Use of VSP hours is subject to the same provisions in Section 21.5 Vacation Schedules, and require the same pre-approval process as accrued vacation hours.
- c. When paid, VSP hours are not taxed and are paid at the same hourly rate of pay as they were deducted.
- d. If the value in the VSP bank is not sufficient to cover the employee's payroll deductions, the employee must arrange for payment with Auditor Payroll.
- e. VSP hours will count toward seniority and merit, and will be considered "paid status" for the purposes of health benefits, vacation and sick leave accrual, and holiday pay only.
- f. VSP hours will not be credited to retirement service hours, or be included in retirement final annual salary calculation.

of accrued sick leave per eligible event, and not to exceed the number of hours authorized by medical certification. CFRA bonding leave does not qualify for use of sick leave.

Information on FMLA/CFRA/PDL eligibility, documentation, and benefit and pay status is provided under Section 22.6 – Family Care and Medical Leave under FMLA/CFRA.

22.3 Required Documentation

22.3.1 Annual Period

The “annual period” is a calendar year. For new employees who begin mid-year, the annual period begins on the employee’s first day of work, restarts on January 1, and runs on a calendar year basis thereafter.

22.3.2 First Forty-Eight Hours

The first 48 hours, or number of hours equal to 6 days of an employees regular schedule (whichever is greater), of accrued sick leave used by an employee in an annual period will be applied to and subject to the provisions of the California paid sick leave laws. During this period, if the need for paid sick leave is foreseeable, the employee shall provide reasonable advanced notice. If the need for paid sick leave is unforeseeable, the employee shall provide notice of the need for the leave as soon as practicable. If the County has reasonable suspicion of sick leave abuse, a signed medical certification may be required for each use of accrued sick leave to the extent permissible by law.

22.3.3 Subsequent Hours

For use of accrued sick leave beyond the first 48 hours or number of hours equal to six (6) days in the annual period (consecutive or non-consecutive), as described above, a signed medical certification may be required. Reasonable medical certification of incapacity shall be required for sick leave use lasting more than forty-eight (48) consecutive work hours, and as required by law under CFRA eligible events.

22.3.4 Reasonable Certification

Reasonable certification may be required, within a reasonable time after the absence, when an unscheduled absence occurs to obtain relief if the employee is a victim of domestic violence, sexual assault, or stalking, in accordance with Section 22.2.1(d) of this Agreement. Such certification shall be treated as confidential. Certification may be provided directly to Human Resources and shall not be disclosed to any person except to the affected employee, or as provided by law.

22.3.5 FMLA/CFRA/PDL

If use of accrued sick leave is for an FMLA, CFRA, or PDL qualifying event, medical certification is required, in accordance with the law, and as outlined in the Medical Leave Policy.

22.4 Sick Leave Distribution at Death or Layoff

The County shall pay each employee who separates from County service by death or layoff,

the monetary equivalent of twenty-five percent (25%) of all unused sick leave remaining to such employee's credit as of the time of separation, computed on the basis of such employee's base hourly pay. Extra Help sick leave hours are not eligible this provision.

22.5 Sick Leave Conversion/Distribution at Retirement

- (a) Conversion at Regular Retirement: Only an employee separating from County Service on regular, non-disability retirement shall convert one hundred percent (100%) of all unused sick leave remaining to such employee's credit at the time of retirement to retirement service credit as provided by Government Code Section 31641.03. Extra Help sick leave hours are not eligible for conversion to retirement service credit.
- (b) Distribution at Disability Retirement: The County shall pay each employee separated from County service by a disability retirement at such employee's base hourly rate for all unused sick leave remaining to such employee's credit as of the time of separation. The County shall not pay an employee under this Section for any sick leave hours donated to the employee by other employees under a catastrophic leave benefit. Extra Help sick leave hours are not eligible for this provision.
- (c) Payoff at Regular Retirement: For each employee who separates from County service on a regular, non-disability retirement, who reaches 100% of the retirement benefit allowed by law, and who is prevented by law from converting some or all of the employee's remaining unused sick leave to service credit under Section 22.5 (Conversion at Regular Retirement), the County shall pay the employee the monetary equivalent of twenty-five percent (25%) of all unused sick leave retaining to such employee's credit at the time of separation, computed on the basis of the employee's base hourly rate of pay. Extra Help sick leave hours are not eligible for this provision.

22.6 Family Care & Medical Leave

Each eligible employee is entitled to family care and medical leave as provided by the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), as amended. The leaves under FMLA and CFRA will run concurrently to the extent permitted by law.

22.6.1 Eligibility

To be eligible for family care and medical leave, on the date on which leave is to begin, a full-time or part-time employee must have been employed by the County for at least twelve (12) months, which need not be consecutive, and have actually worked at least 1,250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.

22.6.2 Family Care and Medical Leave Entitlement

Subject to the provisions of this MOU, County policy, and state and federal law, including the federal FMLA and the CFRA, an eligible employee is entitled to a total of twelve (12) workweeks of unpaid leave during any twelve (12) month period for any one, or more, of the following reasons:

22.6.2.1 The birth of a child and to care for the newborn child (FMLA and CFRA);

- 22.6.2.2 The placement with the employee of a child for adoption or foster care and care for the newly placed child (FMLA and CFRA);
- 22.6.2.3 To care for the employee's child, parent, spouse, or registered domestic partner (CFRA only) who has a serious health condition. (Child is defined as biological, adopted, or foster child, stepchild, legal ward, or child of a person standing in loco parentis who is under 18 years of age or an adult dependent child. Parent is defined as biological, foster or adoptive parent, stepparent, or legal guardian. Parent does not include a parent-in-law under this provision.)
- 22.6.2.4 Because of an employee's own serious health condition that makes the employee unable to perform the functions of the employee's position, except for disability on account of pregnancy, childbirth, or related medical conditions, which is covered by pregnancy disability leave. (Pregnancy disability counts toward only California Pregnancy Disability Leave (PDL) and FMLA leave.)
- 22.6.2.5 Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a U.S. National Guard or Reserve member on active duty (or has been notified of an impending call or order to active duty status) in support of a contingency operation (FMLA only).

The twelve (12) month period for FMLA/CFRA purposes is determined by a "rolling" twelve (12) month period measured backwards from the date an employee first uses FMLA/CFRA leave.

22.6.3 Family Care and Medical Leave to Care for a Covered Servicemember With a Service Injury or Illness

Subject to the provisions of this MOU, County policy, and state and federal law, including the FMLA, an eligible employee may take FMLA leave to care for a covered servicemember with a serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the servicemember. This 12 month period used under FMLA/CFRA to determine sick leave eligibility is separate from the "annual period" defined in 22.3.1)

- 22.6.3.1 A eligible employee's entitlement under Section 22.6.3 is limited to a total of twenty-six (26) workweeks of leave during a single 12-month period to care for a covered servicemember with a serious injury or illness. The "single 12-month period" in which the 26-weeks-of-leave-entitlement described in this Section begins on the first day an employee takes leave to care for the covered servicemember.
- 22.6.3.2 During the "single 12-month period" described above, an eligible employee's FMLA leave entitlement is limited to a combined total of twenty-six (26) workweeks of FMLA leave for any qualifying reason.

22.6.4 Pay Status and Benefits

22.6.4.1 Except as provided in this Article, the family care and medical leave will be unpaid. The County will, however, continue to provide County contributions toward the health plan premium during the period of family care and medical leave for up to twelve (12) work weeks on the same basis as coverage would have been provided had the employee not taken family care and medical leave. The employee will be required to continue to pay the employee's share of premiums payments, if any.

22.6.4.2 Nothing in this Section shall preclude the use of medical or pregnancy disability leave in Section 18.7 (Medical/Pregnancy Disability Leave) when the employee is medically incapacitated or disabled. If an employee does not qualify for continued benefits under this Section 22.6. or Section 18.7 (Medical/Pregnancy Disability Leave) and the employee wishes to continue benefit coverage, then Section 18.8 (Continuation of Health Benefits Coverage) applies.

22.6.5 Relationship of Family Care and Medical Leave to Other Leaves

Any leave of absence that qualifies as family care and medical leave and is designated by the County as family care and medical leave will be counted as running concurrently with any other paid or unpaid leave to which the employee may be entitled for the same qualifying reason. Section 22.7 identifies accrued paid leave which an employee may be required to use concurrently with unpaid family care and medical leave.

22.6.6 Relationship to Pregnancy Disability Leave

The family care and medical leave provided under this Section is in addition to any leave taken on account of disability due to pregnancy, childbirth, or related medical conditions for which an employee may be qualified under state law.

22.6.7 Notice to the County

22.6.7.1 The employee must provide written notice to the County as far in advance of the leave as possible and as soon as the employee reasonably knows of the need for the leave. If the need for the leave is foreseeable based on an expected birth, placement of a child for adoption or foster care or planned medical treatment, the notice must be provided at least 30 calendar days in advance of the leave, or if not reasonably known 30 calendar days before the leave, then as soon as reasonably practicable.

22.6.7.2 The written notice must inform the County of the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

22.6.7.3 The employee shall consult with the County and make a reasonable effort to schedule any planned medical treatment or supervision so as to minimize disruption to department operations.

22.6.8 Medical Certification

- 22.6.8.1 An employee's request for family care and medical leave to care for a child, a spouse, or a parent who has a serious health condition shall be supported by a certification issued by the health care provider of the individual requiring care. If additional leave is required after the expiration of the time originally estimated by the health care provider, the employee shall provide the County with recertification by the health care provider.
- 22.6.8.2 An employee's request for family care and medical leave because of employee's own serious health condition shall be supported by a certification issued by the employee's health care provider.
- 22.6.8.3 As a condition of an employee's return from leave taken because of the employee's own serious health condition, the employee is required to obtain certification from the employee's care provider that the employee is able to resume work.
- 22.6.8.4 Employees are required to use the medical certification forms available from the County Human Resources Department to meet the certification and recertification requirements of this Section.

22.6.9 County's Response to Leave Request

It is the County's responsibility to designate leave, paid or unpaid, as family and medical leave-qualifying and to notify the employee of the designation.

22.6.10 Dual Parent Employment

Where both parents are County employees, allowable leave for the birth, adoption, or foster care placement of a child or the care of an employee's ill parent is limited to a total of twelve (12) work weeks in a 12-month period between the two employees. Their family care and medical leave entitlement is not limited or combined for any other qualifying purpose.

22.6.11 Employee's Status on Returning From Leave

Except as provided by law, on return from family care and medical leave, an employee is entitled to be returned to the same or equivalent position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee has no absolute right to return to the same position. Use of family care and medical leave will not result in the loss of any employment benefit that accrued prior to the start of an eligible employee's FMLA/CFRA leave.

22.6.12 FMLA/CFRA Procedures, Definitions, and Forms

A description of the required process and procedures to follow for intermittent leave and reduced leave schedules, forms to use when requesting family care and medical leave, and applicable definitions are included in the County Medical Leave Policy and found on the County Human Resources Department website, and are available from the Human Resources Department. The provisions of this Article 22 are subject to

Article 33, Grievance Procedure, of this MOU, but the County Medical Leave Policy is not subject to Article 33, Grievance Procedure, of this MOU.

22.6.13 This Section 22.6 shall be interpreted as the legal minimum family care and medical leave available to eligible employees. The County may grant additional leave without pay under this Section (22.6) provided it is consistent with the applicable provisions of the Sonoma County Civil Service Rules, County leave policies and other provisions of this memorandum.

22.7 Leaves of Absence Without Pay - Applies to All Leaves Without Pay

22.8 Paid Parental Leave

22.8.1 Eligibility

Effective 10/1/2018 for eligible events that occur on or after Board adoption, any permanent or probationary employee who has been continuously employed by the

County for at least 12 months prior to the start of the leave shall be eligible for Paid Parental Leave (PPL) to use within 12 months of the following events:

- Birth of a child of the employee, the employee's spouse, or the employee's registered domestic partner
- Placement of a child with the employee's family for adoption or foster care

For the purposes of PPL, the definition of "parent" and "child" are as defined by the California Family Rights Act.

22.8.2 Benefit and Use

Eligible employees shall be granted 320 PPL hours to use within 12 months of the qualifying event.

PPL is based on as 12 month rolling calendar. No more than 320 PPL hours may be used in any 12 month period.

PPL is based on the employee's base hourly wage plus cash allowance. It is considered "paid status" for the purpose of merit, seniority, premiums, vacation and sick leave accrual, and County benefit eligibility and contributions.

PPL is pensionable and counts towards retirement service credit.

PPL may be used in a block of continuous time or as intermittent leaves as arranged in advance. Unless approved by the Director of Human Resources, PPL cannot be used retroactively.

Use of PPL shall not be cause for an employee to lose his/her current assignment on a permanent basis; however, assignments may be altered to accommodate the employee's or departments operational needs when working a reduced schedule.

An employee in a disability period following birth of a child must use sick leave down to 40 hours before using PPL.

22.8.3 Coordination of Benefits and Leaves

PPL can be fully integrated with any short-term disability or California Paid Family Leave program. STD and PFL will not reduce PPL leave entitlement. For time covered by FMLA/CFRA job protected leave for bonding, PPL must be used prior to other accrued leave or Leave without Pay. If an employee has exhausted FMLA/CFRA entitlements, PPL must be used prior to Leave without Pay for arranged leaves for the purpose of bonding. PPL does not need to be used when an employee is on leave for reasons other than bonding. To the extent CFRA leave is available, it will run concurrently with PPL.

22.8.4 Implementation

For qualifying events occurring after 10/1/2017, PPL may be applied to any remaining CFRA eligible bonding hours still available to the employee after the program effective date.

ARTICLE 23: COMPASSIONATE LEAVE

A full-time or part-time employee may be granted up to thirty-two (32) hours of leave with pay, in the event of death of spouse, domestic partner, child, step-child, son-in-law, daughter-in-law, brother, brother-in-law, sister, sister-in-law, grandparent, grandchild or person who served as a parent to the

employee when the employee was a minor, and the mother or father of the employee or of the spouse of the employee. With respect to this Article, the term "spouse" shall also include domestic partner and the term "parent" is as defined in Section 22.2.c.2. Up to an additional eight (8) hours of Sick Leave may be used to supplement Compassionate Leave. Where travel in excess of 300 miles one way from the employee's residence is required, up to an additional one (1) of the employee's regular work days of sick leave may be used to supplement compassionate leave. Up to an additional forty (40) hours of accrued vacation leave or accrued comp time off may be granted to supplement compassionate leave upon request.

Part-time employees shall be eligible for a pro-rated bereavement leave benefit that is computed by multiplying the total normal biweekly hours by 0.40 (e.g. 40 hrs. x 0.40 for half-time employees = 16 hrs.) Ongoing work schedule for purposes of this Section shall mean an average of the two (2) pay periods immediately preceding the need for bereavement leave or the employee's normal biweekly allocation of hours, whichever is greater.

ARTICLE 24: COURT LEAVE

A full-time or part-time employee is entitled to a leave of absence with pay at the employee's base hourly rate to respond to an enforceable subpoena to appear in a court or administrative agency hearing in California other than as a litigant and for reasons other than those caused by the employee's connivance or misconduct. - (a) **GRIEVANCE.** A grievance is a complaint by an employee, a group of employees, or by a recognized employee organization on behalf of an employee(s) (all herein after referred to as a "grievant") concerning any term or condition of employment which the appointing authority has complete or partial authority and power to change or which the appointing authority may seek to resolve through action by another Department Head. Where a grievance concerns a matter which is controlled in whole or in part by another Department Head(s), such Department Head(s) shall be made a party to the grievance. A grievance may relate to a management interpretation or application of law, ordinance, regulations, the resolutions of this Board, or departmental rules and regulations. Specifically excluded from the definition of grievance and from the grievance procedure are:
- (1) Complaints, the resolution of which would require a change in or an amendment to law, ordinance, or the resolutions, rules or regulations of this Board;
 - (2) Discrimination complaints which shall be filed through the County's equal Opportunity Discrimination Complaint Procedure;
 - (3) Dismissals, suspensions, and reductions in rank or compensation; and
 - (4) In addition to (4), above, all other matters appealable under the Civil Service Ordinance and/or the Rules of the Civil Service Commission.
- (b) **GRIEVANCE PROCEDURE.** The grievance procedure is the method by which a grievant may seek management action to relieve or eliminate the grievance.
- (c) **GRIEVANCE APPEALS COMMITTEE.** A Grievance Appeals Committee of three members shall be a forum for consideration and resolution of grievances. Committee members shall be composed as follows:
- (1) One person selected by the recognized employee organization representing the grievant. If the grievant is unrepresented, then the grievant may select a Committee member of the grievant's choosing.
 - (2) The Director of Human Resources or designee. If the grievant is employed in the Human Resources Department, then the County Administrator shall select this Committee member.
 - (3) The third member of the Committee shall be mutually selected by the first two Committee members chosen by the grievant and the Human Resources Director. The third member of the Committee must be so selected within ten (10) days of the day the first two members were selected. If the first two Committee members are unable to agree upon a selection, then the first two Committee members shall strike names off of a list of the current members of the County Civil Service Commission until only one (1) name remains, who shall be the third member of the Committee. The order of striking shall be determined by a coin toss. No Committee member may be selected who is employed in the department in which the grievant is employed. Committee members shall select a chairperson. The Human Resources Department shall provide secretarial services to the Committee. The Committee shall meet on call of its chairman and with mutual agreement, as to date and time of the meeting, among the grievant, the appointing authority and the other Committee members. Deliberations of the Committee shall be informal, confidential and provide a full and fair hearing of the

grievance and proposed solutions without formal rules of evidence or a stenographic or electronic recording of the proceedings.

- (d) DAYS. The term "days" as used in this procedure shall mean regular County business days, Mondays through Fridays, from 8:00 a.m. to 5:00 p.m., but excluding formal County holidays or weekends.

Section 2. REPRESENTATION

An employee may be represented in any step of this grievance procedure by a representative of the recognized employee organization which represents the grievant as a County employee, or, if the grievant is an unrepresented County employee, the grievant may be represented by a person of the grievant's own choosing. No member of the Grievance Appeals Committee may represent the grievant.

Section 3. DISCRIMINATION

No employee shall be subjected to discrimination, coercion, restraint, or reprisal by reason of good faith utilization of this grievance procedure.

Section 4. TIME OFF

Reasonable time off without loss of regular pay from normal County work duties shall be accorded to an employee for the purpose of presenting a grievance, representing the grievant in grievance proceedings or serving as a member of the Grievance Appeals Committee. Time off is subject to the condition that before leaving the employee's usual duties, the employee shall obtain the permission of his/her immediate supervisor. Such permission shall not be unreasonably withheld.

Section 5. INFORMAL GRIEVANCE PROCEDURE

It shall be the mutual responsibility of employees and management to endeavor to resolve grievances informally at the lowest practicable level of management. To this end, the grievant shall first present the grievance to the grievant's immediate supervisor in an informal meeting within ten (10) days after the occurrence of the circumstances giving rise to the grievance or the grievant's first knowledge thereof. The grievant may request the meeting be held at any reasonable time, and the supervisor shall meet with the grievant as soon as reasonably practicable after receipt of the request. In the meeting, the grievant and the supervisor shall review the grievance. The employee shall fully and fairly explain: the alleged action or inaction by the County which caused grievance; the policy, rule, law or regulation allegedly violated by the County; and the remedy the grievant believes will resolve the grievance. The parties shall cooperate in seeking a resolution of the grievance. If questions beyond the scope of the supervisor's authority or knowledge are involved, the supervisor may consult the supervisor's superiors or other County officers. The supervisor shall present an informal, verbal decision with supporting reasons to the grievant within five (5) days after the meeting.

Section 6. FORMAL GRIEVANCE PROCEDURE

An employee whose grievance is not satisfactorily resolved by the informal procedure may institute a formal grievance. The formal grievance shall conform to the following:

- (a) All formal grievances shall be in writing on the form appended to this resolution. A supply of forms shall be maintained in each department and shall be readily accessible to all employees.
- (b) Within five (5) days after receipt of the supervisor's decision in the informal proceeding, the grievant may file a formal grievance on the form prescribed. The grievant shall provide the necessary information called for at the top of the form and in Steps I and II of the Grievance form in clearly legible writing, printing, or typing. The grievant shall file the original form with the immediate supervisor.
- (c) The immediate supervisor shall meet with the grievant within five (5) days after filing of the grievance form for discussion of the formal grievance. The immediate supervisor shall complete "Supervisor's decision" portion of the form and return it to the grievant within five (5) days after their meeting. A copy of the supervisor's decision and attached grievance documents shall also be filed in the file with the Human Resources Director.
- (d) The grievant may appeal the decision of the immediate supervisor by completing the first part of Step III of the grievance form and filing it with the grievant's appointing authority within five (5) days after receipt of the supervisor's decision. The functions of the appointing authority hereunder may be performed by the appointing authority's duly authorized representative.
- (e) The appointing authority shall meet with the grievant within five (5) days after filing of the appeal for discussion of the grievance. If the matter is controlled in whole or in part by another Department Head(s), such Department Head(s) shall be consulted and made a party to the grievance. The grievant's appointing authority shall complete the rest of the Step III ("Appointing Authority response") and return it to the employee within fifteen (15) days after such meeting. A copy of the appointing authority's response and any attached grievance documents shall also be filed with the Human Resources Director and any Department Head(s) made party to the grievance.
- (e) The grievant may appeal from the decision of the appointing authority by filing a written request for such appeal to the Human Resources Director within five (5) days after receipt of the appointing authority's decision. The Human Resources Director shall immediately deliver a copy of the written appeal to the grievant's appointing authority. The Human Resources Director shall then obtain the name of the Grievance Appeals Committee member selected by the grievant or the grievant's recognized employee organization. The Human Resources Director shall select a Committee member to represent the Human Resources Director and then provide assistance as necessary to select the third Committee member in accordance with the selection process in Section 1(c), above. The grievant's written appeal shall provide full details of the facts of the grievance and why the appointing authority's response did not satisfactorily resolve the grievance.
- (g) The Grievance Appeals Committee shall schedule the appeal for hearing not later than twenty (20) days after the filing of the grievance and shall forthwith notify the

grievant and the grievant's appointing authority and any Department Head(s) made party to the grievance of the time and place at which the appeal will be considered. The Committee may reach and announce a decision at the close of the hearing or it may retire and deliberate in private before announcing its decision. In order to be properly reached, a decision by the Committee must be agreed upon by at least two (2) members, be in writing and show both the findings of facts and the reasoning behind the decision. The Committee shall deliver with proof of service, a copy of its decision to the appointing authority, and the grievant, and any Department Head(s) made party to the grievance, within ten (10) days after conclusion of the hearing.

- (h) Either the grievant or the appointing authority or any Department Head(s) made party to the grievance may appeal the decision of the Grievance Appeals Committee by filing a written appeal with the other party, with the Human Resources Director and with the Clerk of the Board of Supervisors within five (5) days after receipt of the decision of the Appeals Committee. The Board of Supervisors shall have the discretion to decide the grievance and render a final decision based solely on a review of the grievance records or it shall schedule the appeal for a public hearing in a manner the Board deems appropriate. If the Board chooses to decide the grievance based on the record, it shall render a final decision in the form of a Resolution within a reasonable period of time not to exceed 30 days from the date the Clerk of the Board received the appeal. If the Board of Supervisors chooses to hear the grievance, the Clerk of the Board of Supervisors shall give written notice of the time and place of the hearing to the grievant and the appointing authority. The Board of Supervisors shall hear and determine the grievance within a reasonable period of time not to exceed thirty (30) days from the date the Clerk of the Board received the appeal. The grievant, the appointing authority or any Department Head(s) made party to the grievance and their representatives, may appear and present their arguments in front of the Board. The decision of the Board of Supervisors shall be evidenced by a Resolution of the Board. The Clerk shall mail to the employee, the appointing authority, any Department Head(s) made party to the grievance, and the Human Resources Director a copy of the Board's Resolution. The decision of the Board of Supervisors shall be final.
