STATE FAIR HEARING

As a Medi-Cal client, you have the right to request a State Fair Hearing, an independent review conducted by the Department of Social Services. If you are dissatisfied with the County's decision to a grievance/appeal/expedited appeal or you have received a Notice of Adverse Benefit Determination (NOABD) and have exhausting the County's Grievance/Appeals/Expedited Appeal Process. However, if SCBH fails to adhere to Appeal notice and timing requirements, you are entitled to State Fair Hearing.

You may request a State Hearing in response to receiving a Notice of Appeal Resolution (NAR) concerning the outcome of a NOABD. The client has **120 calendar** days from the NAR date to request a State hearing. If you file for a State Hearing within **10 calendar** days of the receipt of a NOABD, under certain circumstances, your existing level of services may be maintained, pending the outcome of the hearing.
