Sonoma County Homeless Management Information System (HMIS)

Lead Agency Evaluation Plan

The Sonoma County HMIS Lead Agency is responsible for management, training, and oversight of homeless data collection and reporting. This Evaluation Plan provides a set of guidelines and metrics by which the HMIS Data Committee can use to evaluate the HMIS system as a whole to ensure compliance with HUD Regulations and provide recommendations to improve the system. Findings from this Evaluation Plan should help guide the HMIS Lead Agency to ensure current HMIS Governance, Data Quality Plan, Privacy Plans and Security Plans are being followed and updated as needed. The HMIS Data Committee reviews its data in four categories: System Administration, Training, Data Analysis and Reporting, and Communication. This grid below assists individuals in completing the evaluation by providing key items to assess.

The Sonoma County HMIS Lead Agency oversees the general management of all the HMIS projects and day-to-day set-up, operation of the projects in HMIS to ensure accessibility of the HMIS software, performance, set-up, and monitoring of the system security to adhere to the CoC Privacy and Procedures Plan. Sonoma County HMIS implementation grant uses a single Efforts to Outcome Software System vendor for both HMIS and Coordinated Entry. To ensure quality data is entered into the system for the CoC, the Lead Agency will interpret, visualize and present data to CoC, to make sure reporting requirements are met. The Lead Agency will develop and conduct trainings and create manuals to help users understand the data collection. Finally, the Lead would provide communication to the community of any changes to the system and manage communication related to data on behalf of the CoC.

Vendor Review and oversight is omitted from this evaluation plan as it is conducted annually and submitted to HUD in the form of the HMIS APR. The Most recent APR should be attached to this document for completeness.

The software vendor was chosen based on the following steps:

1. Lead Agency develops Request for Proposal (RFP)
2. RFP reviewed and approved by the HMIS Data Committee
3. Applicants reviewed by an ad hoc evaluation committee
4. Recommendations to the CoC Board for approval
5. Final approval with Sonoma County Board Of Supervisors
