### **The MCAH Advisory Board Goals:**

1. Increase public awareness of the physical and mental health needs of childbearing and parenting people, children, and adolescents.
2. Promote an equitable, effective, and accessible healthcare delivery system for childbearing and parenting people, children, and adolescents.
3. Identify unmet health needs of childbearing and parenting people, children, and adolescents.
4. Advocate for possible solutions of these unmet needs by advising the Department of Health Services and Board of Supervisors.

### **Instructions for the Public**

Addressing the Board: Any member of the public desiring to address the Board should wait until the public comment item on the agenda.

Agenda Supporting Materials: Materials related to an item on this agenda submitted to the MCAH Advisory Board after distribution of the agenda packet are available for public inspection at the Department of Health Services, Public Health Division at 625 5<sup>th</sup> Street, Santa Rosa during normal business hours.
