Adult & Aging Services Division Services for Older Adults and People Living with Disabilities Vendor Application

Angela Struckmann, Director
astruckmann@schsd.org

Thank you for your interest in providing services for older adults and people living with disabilities. Attached herein you will find all of the information needed to apply to contract with the County.

Oscar Chavez, Asst. Director
ochavez@schsd.org

Program Purpose and Goals: The Adult & Aging Services Division provides social and health care management for older adults 60 years of age or older and people living with disabilities who wish to remain in their own homes or a community setting to avoid institutional care. The County is accepting applications to provide the services listed in Attachment 2. Service needs are assessed in coordination with the client and documented in care plans developed by Adult & Aging staff. Vendors are requested to provide a service using a Service Authorization Form (SAF) provided by the County social worker.

To be determined, Asst. Director

Qualified respondents who submit applications will be considered for contracts on a case-by-case basis, dependent on program needs and client service needs. Submitting an application does not guarantee a contract with the County. Additionally, the County is under no obligation to order any services during the term of a vendor's contract and reserves the right to negotiate additional terms and conditions if required by funding sources.
