

# Grant Funded Programs 2022-2023

---

## Definitions

*Prevention* – For kids at risk of entering the justice system.

Goal: Identify kids at risk. Provide information and services to help kids and families develop positive skills and connections so kids avoid delinquent behavior and stay out of the justice system.

*Intervention* – For kids who have entered the justice system.

Goal: Provide services and supervision to help kids and families develop positive skills and connections so kids will be able to successfully exit the justice system.

*Suppression* – For kids in the act or just before the act of breaking the law.

Goal: Partner with schools and neighborhoods in a community policing approach. Gather and respond to intelligence to keep crime from happening, and catch people who commit crimes.

*Incapacitation* – For kids who require temporary confinement to assure community safety.

Goal: In a safe and secure environment provide behavior change programming and transition planning with a strong emphasis on reentry, to assure youth do not return to the justice system after release, and assure that the appropriate developmental opportunities are in place during the entire period of confinement.
