

## Sonoma County Fish and Wildlife Commission 2020 Scholarship Application

The Sonoma County Fish and Wildlife Commission's scholarship program is designed to provide tangible encouragement and public recognition for academic achievement or community service to students with a course of study in the fields of natural resource management, environmental restoration, and/or preservation.

The scholarships, in the amount of one thousand dollars (\$1,000.00) each, will be awarded to up to five (5) Sonoma County students.

### Eligibility requirements:

- Resident of Sonoma County
- Enrollment in, or plan to enroll in a course of study in the area of botany, zoology, environmental science, marine science, resource management, natural science, wildlife conservation, resource conservation and/or restoration, fisheries or other biology, or oceanography at a college campus
- Currently enrolled as a high school senior (entering college in Fall 2020) through graduate school

### Application requirements:

- Completed scholarship application form (attach additional pages if needed)
- School transcript for the past academic year
- Two letters of recommendation

**Completed application packet, including application form, transcript, and letters of recommendation, must be received in our office or postmarked by March 31, 2020, to be considered for the award.** Applications received or postmarked after March 31, 2020, will not be considered.
