

Join Us for a Lower Russian River Trail Workshop in May

Sonoma County Regional Parks Department is kicking off the **Lower Russian River Trail Study** and we need to hear from you! We want to know:

- » How would a car-free and continuous trail from Forestville to Jenner serve you?
- » What destinations or amenities would you like to see a trail include?
- » What is your vision for the Lower Russian River corridor?

The study is in its early stages, and your ideas will help shape the future of this trail. Come to one of our community workshops to meet with County staff and the project team to share your thoughts and learn about this exciting opportunity for transportation and recreation. You'll have two opportunities to meet the team. For more info, call (707) 565-2041.
