### 3.2 Definitions

Approved Leave Of Absence: Any paid or unpaid absence from work that has been approved by the employee's department head.

Base Hourly Rate: The base hourly rate shall be the hourly rate corresponding to the salary step in the salary range to which the employee is assigned.

Bi-Weekly Pay Period: Fourteen (14) consecutive calendar days which begin on a Tuesday and end with the second Monday thereafter.

Break In Service: A break in employment from the County such as a termination or resignation. A break in service does not occur because an employee is on an unpaid status.

Calendar Year: January 1<sup>st</sup> through December 31<sup>st</sup>.

Compensatory Time: Time off with pay at the applicable hourly rate to which an employee is entitled, as provided for in this Memorandum, instead of cash compensation.

County: The County of Sonoma, any of its organizational units or boards and commissions, as administratively determined by the County; may include department heads, Board of Supervisors, Chief Administrative Officer or a supervisor.

Department Head: The Chief Probation Officer, District Attorney, Sheriff Coroner, Director of Human Services, Director of Fire/Emergency Services, Director of Regional Parks, or their designee.

Emergency Operations: The performance of County functions or services necessary, in the opinion of the County, to protect or preserve the lives, safety, health, or property of the County or the public it serves, but "emergency operations" shall not be construed to mean situations where the County knew in advance of non-emergency situations and could have reasonably planned for any work schedule change necessary to adequately cope with the situation.

Employee: Any person legally employed by the County and a member of the bargaining unit represented by the Association.

Employee Full-Time: An employee who is employed in an allocated position which is regularly scheduled for eighty (80) hours of work in each pay period.

Extra-Help Employees: As defined in the Civil Service Rules and not represented by this bargaining unit.

Flex-Time Work Schedule: A non-regular work schedule with or without a consistent pattern as to the number of work hours per day or week, but an arrangement whereby the employee is obligated to perform work and be responsible for flexing the hours of his/her own work schedule. Employees assigned to a flex-time work schedule will be eligible for overtime only when the hours worked exceed eighty (80) in a pay period or as otherwise required by law.

Hours Worked: All time spent by the employee while the employee is engaged in duties or activities required by the County and pursued necessarily and primarily for the benefit of the County. Non-Exempt Employee: An employee designated by the County to be covered by the provisions of the Fair Labor Standards Act.

Paid status: Whenever an employee is at work, absent on a paid holiday, absent on leave with pay, or absent on authorized compensatory time off.

Probationary Employee: An employee who is serving a probationary period as provided in the Civil Service Rules.

Probationary Period: A period which is used for the adjustment and evaluation of a newly appointed or reassigned employee as provided for in the Civil Service Rules.

Regular Rate of Pay: Defined in the Fair Labor Standards Act and used for computing statutory overtime for the non-exempt employee. It is calculated by taking the employee's base hourly rate times the number of hours worked in a given work period plus the total of all standby compensation and any special assignment premiums due to the employee in the work period divided by the number of hours worked in the work period.

Regular Work Period: The determination by the County of the fixed regularly recurring work period used for the determination of statutory overtime. For non-sworn, non-exempt employees the regular work period is seven consecutive days which currently begins at 12:01 a.m. Tuesday morning. For sworn, non-exempt employees the regular work period is currently fourteen (14) consecutive days which coincides with the County's bi-weekly pay period.

Similarly, each step of the salary scale shall be expressed in cents per hour.

Statutory Overtime: Overtime that is required by FLSA. Currently, for the non-sworn, non-exempt employee it is all hours worked in excess of 40 in a regular 7-day work period. For the sworn, non-exempt employee, it is all hours worked in excess of 86 in a regular 14-day work period.

### **ARTICLE 5 – ASSOCIATION RIGHTS**

#### 5.1 Bulletin Boards

The County will furnish reasonable bulletin board space measuring no less than 36 x 48 inches. Bulletin boards shall be located in mutually acceptable areas and shall, when reasonably possible, be out of plain view of the public. All materials to be posted on said boards shall be in good taste and strictly impersonal in nature and limited to the legitimate business of the Association. Prior to posting, all material shall be plainly and legibly initialed by an authorized representative of the Association.

#### 5.2 Communications

The County's interdepartmental messenger service may be used for individual business-oriented communication between employees who are represented by the Association and between the paid staff of the Association and such employees, provided that paid staff of the Association shall pick up and deliver all written communications outside the County's normal distribution route. The Association understands that the continuance or discontinuance of the interdepartmental messenger service is a matter within sole discretion of the County.

#### 5.3 Work Access

Authorized non-employee Association representatives will be given access to work locations during working hours to investigate and process grievances or post bulletins

on the bulletin board(s) without unreasonable interference with employee work. The Association shall give the department head and the Employee Relations Manager a written list of such authorized Association Representatives. Only those people whose name appears on the current list shall be granted access under this provision.

The County agrees to deduct all Association dues, insurance premiums and assessments from the pay of those employees who have authorized in writing to the County that such deduction be made. The amounts deducted shall be remitted promptly to the Association or its designee, with an alphabetical list of the employees from whom deducted.

5.5 Successor Memorandum Procedures

The County and the Association will strive to arrive at mutually agreeable ground rules to cover any element of the meet and confer process for a successor Memorandum of Understanding. Reasonable release time shall be granted to Association representatives for purposes of meeting and conferring toward a successor MOU. Release time shall be afforded for a maximum of six (6) representatives in successor MOU negotiations for purposes of time spent in meeting and conferring.

5.6 Non-Discrimination

The County will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Memorandum of Understanding because of representation by the Association or legitimate Association activity, as provided in this Memorandum on behalf of the members of the four bargaining units covered by this Memorandum.

5.7 Time For Association Activities

The County and the Association agree to the primary principle that Association activities will normally be carried on outside of employee working hours. It is further recognized that there are reasonable limited deviations from this policy such as posting of Association notices and distribution of information which do not require substantial amounts of time. Where such activities cannot reasonably be performed except during scheduled working hours, and where such activities are performed without disruption of employee work performance, they are authorized and may be done without loss of pay to the employees involved.

5.8 Paid Leave "Pool"

a. Paid Leave

Upon request of the Association, and after approval of the Employee Relations Manager, the County may grant Association paid leave to Association representative(s) to attend to Association business related to County of Sonoma representation, when such business would conflict with the work schedule of an employee representative(s). Such release time shall include reasonable and

necessary travel time. "Association business" shall mean Association Executive Board meetings, conventions, seminars or other Association events, all of which must be related to employer-employee relations and involving matters solely pertaining to the bargaining units covered by this Memorandum of Understanding. The total number of hours of Association paid leave will be 500 hours per fiscal year and be available for use as a pool of hours, all to be used by Association representatives, other than the President. Association representatives must contact the Association office to request such paid leave. Upon request, the Association can roll over up to a maximum of two hundred (200) unused paid leave pool hours from one fiscal year to the next.

Effective the first full pay period following Board of Supervisors' adoption of the 2016-2018 MOU, the County will add two hundred (200) hours of Union Release Time into the bank.

b. Unpaid Leave

Additional release hours beyond the annual pool of paid Association leave hours may be granted by the County for Association business on an unpaid leave basis or by the employee representative requesting use of accrued vacation and/or compensatory time off. When on Association leave, bargaining unit members are in off-duty status and the County is not responsible for their actions.

c. Denial Of Leave Requests

The County shall not unreasonably deny a request for paid Association business leave or unpaid leave, vacation and/or compensatory time off for Association business unless the County determines the number of Association representatives requesting time off for Association business would create an undue hardship on operational effectiveness, including excessive overtime costs to replace the absent Association representative(s). To expedite resolution of disputes, the Association may file grievances regarding the denial of Association business leave requests beginning at the third step of the grievance process (Article 30, Section 30.10).

d. Indemnification

The Association shall defend, indemnify, hold harmless, release and save the County, its agents and employees, from and against any and all claims, demands, suits, orders, judgments, expenses or other forms of liability arising out of or in connection with this Article and/or any action taken or not taken by the County and/or the Association under this Article, including, but not limited to, Association members taking release time to attend to Association business. The request for use of facilities shall be made in advance to the County and indicate the date, time and purpose of the meeting and facilities needed.

5.11 Data Run — All Employees In Units

At the Association's request, the County will provide the Association with a data run of the names, class titles, and departments of all employees within the bargaining units covered by this Memorandum of Understanding. The Association recognizes and respects the legal right of each employee to the employee's privacy and agrees not to use any information obtained pursuant to this Memorandum of Understanding or to allow others to use the information for commercial gain, nor in any manner that would violate those rights. With respect to this promise, the Association agrees to indemnify, defend and hold harmless the County, its officers, employees, and agents, from any claim, liability, or damage arising from the Association's breach of its duty under this Section (5.11).

5.12 Data Run — New Employees In Units

The County shall, once per month, make available to the Association President a list of the names, home addresses (where the employee so authorizes the release to the County and the Association), and work locations of all newly hired employees. The President of the Association, or designee, shall be entitled to contact all newly hired employees for the purpose of providing the employee with an Association brochure and other information about the Association. These activities will be conducted on the President's and the newly hired employee's own time. Upon request, the Association may be authorized to make this contact with newly hired employees at a departmental orientation period if the County agrees that such contacts will not interfere or detract from the purpose of the departmental orientation process.

5.13 Board Agenda

The County will arrange to transmit or make available to the Association President, or designee, two copies each week of the Board of Supervisors' regular public meeting agenda in advance of the regular Board meeting. The County will also continue to transmit or make available to the Association President, or designee, two copies of the regular Civil Service Commission agenda and classification studies scheduled on that

4. Liability Insurance & Third-Party Claims Against The County:

The Association will maintain a liability insurance policy with a \$3,000,000 coverage limit for directors/officers, including employees on President Release. The right to refuse such hours for a President's replacement from the same Department is at that Department Head's discretion.
- B. The Association agrees to request such release time 14 calendar days (minimum) in advance, whether the employee is from the same or different County Department. The County Department will respond within 7 days of receipt of the initial request. Failure to

provide timely response constitutes *automatic approval*. The Department will not arbitrarily deny the time. Reasons for denial, such as serious operational impacts will be articulated in writing to the Association. The Department may deny the requested release time if overtime costs would be incurred to provide the release time. If the Association agrees to reimburse the County for the overtime costs, then the County may not deny the release time on the sole basis of overtime costs.

8. Shift Bid:

- A. If an incumbent SCLEA President declares his/her intention to run for re-election, the parties agree that he/she will not participate in the upcoming shift bid in his/her County department. Should the President not be re-elected, he/she will be returned to a shift in the same manner, under the same policies and procedures applied to post-shift bid assignments.
- B. If an incumbent SCLEA President declares his/her intention not to run for re-election and is not named on the ballot, he/she will be eligible to participate in the upcoming shift bid in his/her County department.

All other benefits to which an employee is entitled under the terms of this MOU shall continue and no additional benefits will be provided to employees temporarily assigned to a higher class. The employee will have the right to refuse higher classification assignments.

When the temporary assignment ends, merit hours completed during the temporary assignment to the higher class will be applied to the primary assignment for purposes of determining step placement and eligibility for subsequent merit increases.

## ARTICLE 14 – HOURS AND OVERTIME

### 14.1 Application

This Article is intended only as a basis for outlining standards for hours of work, work schedules and a basis for calculating overtime payments. Hours specified under Section 14.2, Types of Employment, indicate a commitment by the County to the normal maximum hours each employee is to be regularly scheduled, as long as there is sufficient work.

### 14.2 Types Of Employment

Full Time: An allocated position which is regularly scheduled for eighty (80) hours of work in a bi-weekly pay period.

Part Time: An allocated position which is regularly scheduled for less than eighty (80) hours of work in a bi-weekly pay period.

Extra Help: A non-allocated assignment of duties which is defined in the Civil Service Rules.

### 14.3 Work Schedules

The County reserves the right to establish and modify work schedules consistent with this Memorandum.

### 14.4 Flex-Time Schedule

Employees assigned to a flex-time schedule will be eligible for overtime only when the hours worked exceed eighty (80) in a pay period or as otherwise required by law. The County reserves the right to discontinue the flex-time schedule and reassign an employee to a normal daily work schedule based on the operational needs of the department.

### 14.5 Posting Of Work Schedules

For the convenience of employees, work schedules will be posted in advance.

### 14.6 Work Schedule Change

The County reserves the right to establish and modify individual work schedules. Except in cases where emergency operations require less notice, a notice of change in an individual's work schedule arising from other than transfer or promotion shall be given to the affected employee not less than seven (7) calendar days prior to the effective date of the schedule change. Failure to give the seven (7) day notice to a full-

time employee shall entitle the affected employee to overtime compensation for all hours actually worked on the new schedule until seven (7) calendar days notice is given. If any full-time employee has been given seven (7) calendar days advance notice of a shift change and the shift change results in the employee doubling back to work the new shift after leaving the work site, all hours worked on the new shift within the employee's same work day as the former shift will be paid at the employee's base rate, not at overtime, except as otherwise required by law. Part-time employees shall not be paid overtime for changes in schedule unless it results in an employee working over a normal work shift (8 or 10 or more hours) in a regular work day or over eighty (80) hours in a pay period. The term "emergency operations" shall be construed to mean the performance of County functions or services necessary, in the opinion of the County, to protect or preserve the lives, safety, health, or property of the County or the public it serves, but "emergency operations" shall not be construed to mean situations where the County knew in advance of non-emergency situations and could have reasonably planned for any work schedule change necessary to adequately cope with the situation.

Statutory overtime for the *sworn, non-exempt employee* is defined as all hours worked in excess of eighty-six (86) hours in a 14-day work period (which currently coincides with the pay period).

#### 14.8 Non-Statutory Overtime

For the *sworn, non-exempt employee* and for the *exempt employee*, non-statutory overtime is defined as hours in paid status, [except sick leave](#), in excess of eighty (80) in a regular 14-day work period. Non-statutory overtime for all employees is also defined as hours in paid status, [except sick leave](#), in excess of the normal full-time daily work shift established by the department head or any other circumstance except Section 14.6 where overtime pay is provided in this Memorandum.

Non-statutory overtime, as described above, will include sick leave hours for employees subject to mandatory overtime in excess of 20 hours per month, including block training, for two consecutive months prior to activation of this rule. For purposes of this section, "mandatory overtime" refers to a monthly administratively established number of hours for which employees are required to sign up.

In the event an Emergency schedule change results in mandatory overtime falling below 20 hours (including block training), inclusion of sick leave in the non-statutory overtime calculation will be subject to meet and confer.

14.9 Assignment Of Overtime

A department head may require and authorize an employee to work overtime if such overtime is essential to the continuing efficient operation of the department in which the employee works. No employee shall work overtime unless authorized by the employee's designated supervisor.

14.10 Overtime Earned

Overtime shall be earned at the rate of one and one half (1-1/2) hours for each one (1) hour of overtime worked.

14.11 Overtime Compensation

- a Exempt employees shall be compensated for accrued overtime either in cash at the employee's base hourly rate or as compensatory time off. Non-exempt employees shall first be compensated for statutory overtime in cash at the employee's regular rate of pay. Additional overtime earned by the non-exempt employee shall be compensated either in cash at the employee's base hourly rate or as compensatory time off. The employee assigned to overtime shall make a choice whether to be compensated in cash or in compensatory time until a maximum of forty (40) hours of compensatory time have been accrued. The department head in each County department has the right to specify how an employee will be compensated for overtime after (40) hours of compensatory time have been accumulated and until a maximum of one hundred and twenty (120) hours of compensatory time have been accumulated. When one hundred twenty (120) hours of compensatory time are accumulated, the department will compensate the employee in cash for any additional overtime worked.
- b Notwithstanding the language in Section 14.11.a above, the department head may require overtime worked to relieve compensatory time off to be paid in cash.

14.12 Approval For Compensatory Time Off

No employee shall take compensatory time off without prior approval of the employee's department head. The department head shall attempt to schedule such time off at the time agreeable to the employee.

14.13 Requests For Compensatory Time Payments

Each employee may request payment for any or all of the employee's current balance of compensatory time off with the employee's normal pay for any pay period.

14.14 Compensatory Time Payment At Separation

Each employee who is separated from County service shall be entitled to payment for accrued compensatory time at the employee's base hourly rate at the time of the employee's separation.

14.15 Half-Time Pay Provision

If overtime compensation causes an employee's total regular hours in a pay period to be less than the employee's ongoing schedule then the overtime hours shall be compensated at straight time and the employee shall receive half-time compensation at the base hourly rate in cash or in compensatory time off, in accordance with Section 14.11.

14.16 Overtime Not Cumulative

Overtime eligibility provisions are not cumulative. An employee shall not be entitled to multiple overtime compensation even though more than one overtime condition in this Memorandum may apply.

14.17 Non-Applicability Of FLSA

In the event FLSA is rendered inapplicable to the County, either by legislative or judicial action, then the County shall, from the effective date of such action, consider all overtime as non-statutory and assign all employees to a fourteen-day (14) regular work period.

14.18 Shift Bidding – Detention

The break in service caused by the layoff shall be bridged upon restoration such that, although no service time is earned during the break, consecutive service is restored for eligibility for this benefit.

b. County Contribution:

1. Initial County Contribution:

- A) On the first pay date following completion of the eligibility requirements, regular full-time employees shall receive a lump sum contribution of \$2,400 deposited into an HRA account established in their name. Thereafter, contributions will be made each pay period based on the actual hours worked during that pay period.
- B) The lump sum contribution amount for regular part-time employees shall be pro-rated based on their allocated position only (e.g., a regular employee in a 0.5 full-time equivalent (FTE) allocated position will receive a lump sum contribution of \$1,200 deposited into their HRA account).

2. Regular County Contribution:

After the initial contribution (defined above) is made, the County shall contribute \$.58 per paid status hour (no more than eighty (80) hours biweekly), not including overtime, for each eligible employee. For a full-time employee, this equates to approximately \$100 per month or \$1,200 per year, after the initial eligibility period is met.

3. Access To Account Balance:

- A) Participants may access the balance in their Retiree HRA account upon termination of employment and attainment of age fifty (50) or upon retirement from the Sonoma County Retirement System, whichever is earlier.
- B) Participants may defer accessing the account balance to any time beyond the earliest date described in (a).
- C) Amounts that remain in the account balance are available to reimburse the participant for the same permitted medical expenses for the spouse and any other eligible dependents, however, federal regulations at this time do not permit the inclusion of expenses for domestic partners.

4. Survivors of eligible retirees with account balances:

- A) Spouses and eligible dependent children or dependent adults that are disabled may continue to access account balances after the death of the retiree subject to the limitations and maximums as stipulated by law.
- B) Domestic partners are not permitted access to the account balances of the participant at this time by virtue of restrictions in the federal regulations that govern these types of accounts.

5. Forfeiture of account balance:

- A) If an active employee dies prior to retirement, the amount of account balance is available to participating spouses and dependents to reimburse them for medical expenses permitted under the relevant section of the Internal Revenue code.
- B) Account balances in part or in total for active participants or retirees without any eligible spouse or dependent or unused account balances after the death of the last eligible spouse or dependent will be forfeited and returned to all other active and retired participants in the form of a dividend allocated in direct proportion to the amount to be distributed divided by the total account balance for all participants applied to each individual account balance. These distributions will occur within one hundred and twenty (120) days after the annual certified audit of the plan is submitted to the administrator and the County.

This benefit will be subject to regulation under section 105(b) of the Internal Revenue Code and subject to revenue rulings for these types of plans as promulgated.

19.4 Surviving Dependent – County Contribution For Employees Hired Before January 1, 2009

Upon the death of a retiree, the County will continue to pay the County's Retiree HRA contribution to:

This benefit will be subject to regulation under section 105(b) of the Internal Revenue Code and subject to revenue rulings for these types of plans as promulgated.

T

19.5. County HRA Contribution – Full Obligation

For bargaining unit members hired before January 1, 2009, the County contributions to the Retiree HRA account described in Article 19.2 constitute the County's entire obligation towards medical benefits upon termination and/or retirement and the parties agree that no other retiree medical benefits exist.

For bargaining unit members hired on or after January 1, 2009, the County contributions to the employee's County HRA account described in Article 19.3 constitutes the County's entire obligation toward medical benefits upon termination and/or retirement and the parties agree that no other retiree medical benefits exist.

If the termination date is in the middle of the pay period, end of pay period date will apply.

## 22.2 Sick Leave Use

Earned sick leave credits may, with the approval of the department head, be used by the employee, as outlined below:

### 22.2.1 Sick Leave Use – Non-FMLA/CFRA/PDL Leave:

Accrued sick leave for incidents other than FMLA/CFRA/PDL qualifying events may be used as follows:

- a. Employee Illness: During the employee's own incapacity due to illness or injury.
- b. Employee Treatment or Examination: During the time needed by the employee to undergo medical or dental treatment or examination.
- c. For Care of a Family Member: For diagnosis, care or treatment of an existing health condition of, or preventative care for the employee family member. For leave under this section 22.2.1, "family member" is defined as a:
  1. Child (defined as biological, adopted, or foster child, stepchild, legal ward, or a child to who the employee stands in place of a parent, regardless of age or dependency status);
  2. Parent (defined as a biological, foster, or adoptive parent, step parent, or other person who stood in place of a parent to the employee or the employee's spouse or domestic partner when the employee was a child. A biological or legal relationship is not necessary for a person to have stood in place of a parent to the employee as a child.)
  3. Employee's spouse or registered domestic partner, as defined in Appendix E of the MOU;
  4. Grandparent, grandchild, or sibling of the employee or the employee's spouse or registered domestic partner, as defined in Appendix E of the MOU.

Sick leave use for family members listed in this section 22.2.1(c) shall not exceed forty-eight (48) hours per occurrence unless extended by joint action of the employee's Department Head and the Director of Human Resources

by reason of exceptional hardships. "Occurrence" means per illness or related incidents. The 48 hours do not have to be consecutive.

California "Kin Care" (Labor Code 233) provides that an employee may use an amount of paid sick leave each calendar year that is equal to the amount of time that would normally accrue in a six month period, and may be used in the same manner as other sick leave as described in this section 22.2.1. Kin Care provisions run concurrent with other protected leaves and do not extend the maximum period of leave to which the employee is entitled to under FMLA or CFRA.

- a. Domestic Violence, Sexual Assault, or Stalking: When an employee is a victim of domestic violence, sexual assault or stalking, to work to obtain or attempt to obtain any relief, including but not limited to, a temporary restraining order, restraining order, or other injunctive relief, to help ensure the health, safety, or welfare of themselves or their child(ren); to seek medical attention for injuries caused by domestic violence, sexual assault or stalking; obtain services from a domestic violence shelter, program or rape crisis center as a result of domestic violence, sexual assault or stalking; obtain psychological counseling related to an experience of domestic violence, sexual assault, or stalking; participate in safety planning or take other actions to increase safety from future domestic violence, sexual assault, or stalking, including temporary or permanent relocation. Documentation may be required for approval of use of sick leave under this provision, pursuant to section 22.3.1 Documentation Requirements.

#### 22.2.2 Sick Leave Use - FMLA/CFRA/PDL Qualifying Leave

In accordance with The Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA), and the Pregnancy Disability Act (PDA) earned sick leave credits may, with the approval of the Department Head, be used by an employee as follows:

- a. Employee Illness: During the employee's own incapacity due to illness or injury.
- b. Employee Treatment or Examination: During the time needed by the employee to undergo medical or dental treatment or examination.
- c. Disabled by Pregnancy: When a woman employee is disabled by pregnancy, which means that in the opinion of her health care provider, she is unable because of pregnancy to work at all or is unable to perform any one or more of the essential functions of her job or to perform these functions without undue risk to herself, the successful completion of her pregnancy, or to other persons.
- d. Care of Family Member: When a child, stepchild, spouse or spouse's parent, or domestic partner, being a member of the employee's household or a person for whom the employee is entitled to a Federal Income Tax dependent exemption, or the employee's parent, is incapacitated by illness or injury and it is necessary for

the employee to care for such child, stepchild, spouse, parent of the employee or spouse, or domestic partner Child is defined as biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands in place of a parent, who is either under 18 years of age or an adult dependent child. An adult dependent child is an individual who is 18 years of age or older and who is incapable of self-care because of a mental or physical disability within the meaning of Government Code section 12926(j) and (l).

“Parent” for purposes of this section is defined as biological, foster, or adoptive parent, step parent, a legal guardian or other person who stood in place of a parent to the employee when the employee was a child. A biological or legal relationship is not necessary for a person to have stood in place of a parent to the employee as a child.)

For FMLA/CFRA qualifying events to care for a covered family member incapacitated by injury or illness, employees are allowed to use up to 480 hours of accrued sick leave per eligible event, and not to exceed the number hours authorized by medical certification. CFRA bonding leave does not qualify for use of sick leave.

Information on FMLA/CFRA/PDL eligibility, documentation, and benefit and pay status is provided under Section 22.8 – Family Care and Medical Leave.

### 22.3 Sick Leave – Required Documentation

Annual Period:

The “annual period” is a calendar year. For new employees who begin mid-year, the annual period begins on the employee’s first day of work, restarts on January 1, and runs on a calendar year basis thereafter.

#### 22.3.1 First Forty-Eight Hours:

The first 48 hours, or number of hours equal to 6 days of the employees regular schedule (whichever is greater), of accrued sick leave used by an employee in each an annual period will be applied to and subject to the provisions of the California paid sick leave laws. During this period, if the need for paid sick leave is foreseeable, the employee shall provide reasonable advanced notice. If the need for paid sick leave is unforeseeable, the employee shall provide notice of the need for the leave as soon as practicable. If the County has reasonable suspicion of sick leave abuse, a signed medical certification may be required for each use of accrued sick leave to the extent permissible by law.

#### 22.3.3 Subsequent Hours:

For use of accrued sick leave beyond the first 48 hours or number of hours equal to six (6) days in the annual period (consecutive or non-consecutive), as described above, a signed medical certification may be required. Reasonable medical certification of incapacity shall be required for sick leave use lasting more than

forty-eight (48) consecutive work hours duration, and as required by law under CFRA eligible events.

#### 22.3.4

Reasonable certification may be required, within a reasonable time after the absence, when an unscheduled absence occurs to obtain relief if the employee is a victim of domestic violence, sexual assault, or stalking, in accordance with Section 12.2.1(d) of this Agreement. Such certification shall be treated as confidential. Certification may be provided directly to Human Resources and shall not be disclosed to any person except to the affected employee, or as provided by law.

#### 22.3.5 FMLA/CFRA/PDL:

If use of accrued sick leave is for an FMLA, CFRA, or PDL qualifying event, medical certification is required, in accordance with the law, and as outlined in the Medical Leave Policy.

#### 22.4 Sick Leave – Conversion At Regular Retirement

Each employee who separates from County service on regular, non-disability retirement shall convert one hundred percent (100%) of all unused sick leave remaining to each employee's credit, at the time of retirement, to retirement service credit as provided by Government Code Section 31641.03, excepting that Extra Help sick leave hours are not eligible for conversion to retirement service credit.

#### 22.5 Sick Leave – Distribution At Death Or Layoff

The County shall pay each employee who separates from County service by death (non-duty related) or layoff, the monetary equivalent of twenty-five percent (25%) of all unused sick leave remaining to such employee's credit as of the time of separation, computed on the basis of the employee's base hourly pay. Extra Help sick leave hours are not eligible this provision.

#### 22.6 Sick Leave – Distribution At Disability Retirement Or Duty Related Death

The County shall pay each employee separated from County service by a disability retirement or duty-related death shall be entitled to payment at such employee's base hourly rate for all unused sick leave remaining to such employee's credit as of the time of separation or duty-related death. This Section shall not apply to an employee separated from County service by a service retirement. The County shall not pay an employee under this Section for any sick leave hours donated to the employee by other employees under a catastrophic leave benefit. Extra Help sick leave hours are not eligible this provision.

#### 22.7 Sick Leave – Payoff At Regular Retirement

leave to service credit under Section 22.4 (Sick Leave – Conversion at Regular Retirement), the County shall pay the employee the monetary equivalent of twenty-five percent (25%) of all unused sick leave retaining to such employee's credit at the time of separation, computed on the basis of the employee's base hourly rate of pay. Extra Help sick leave hours are not eligible this provision.

## 22.8 Family Care & Medical Leave

22.8.1 Each eligible employee is entitled to family care and medical leave as provided by the Family and Medical Leave Act (FMLA) and the California Family Rights Act (CFRA), as amended. The leaves under FMLA and CFRA will run concurrently to the extent permitted by law.

### 22.8.2 FMLA/CFRA Eligibility

To be eligible for family care and medical leave, on the date on which leave is to begin, a full-time or part-time employee must have been employed by the County for at least twelve (12) months, which need not be consecutive, and have actually worked at least 1,250 hours of service during the twelve (12) month period immediately preceding the commencement of the leave.

### 22.8.3 Family Care And Medical Leave Entitlement

Subject to the provisions of the this MOU, County policy, and state and federal law, including the federal FMLA and the CFRA, an eligible employee is entitled to a total of twelve (12) workweeks of unpaid leave during any twelve (12) month period for any one or more, of the following reasons:

- 22.8.3.1 The birth of a child and to care for the newborn child (FMLA and CFRA);

(Pregnancy disability counts toward

only California Pregnancy Disability Leave (PDL) and FMLA leave.)

- 22.8.3.5 Because of any qualifying exigency arising out of the fact that the employee's spouse, son, daughter, or parent is a U.S. National Guard or Reserve member on active duty (or has been notified of an impending call or order to active duty status) in support of a contingency operation (FMLA only).

The twelve (12) month period for FMLA/CFRA purposes is determined by a "rolling" twelve (12) month period measured backwards from the date an employee first uses FMLA/CFRA leave.

#### 22.8.4 Family Care And Medical Leave To Care For A Covered Servicemember With A Service Injury Or Illness

Subject to the provisions of this MOU, County policy, and state and federal law, including the FMLA, an eligible employee may take FMLA leave to care for a covered servicemember with a serious injury or illness if the employee is the spouse, son, daughter, parent, or next of kin of the servicemember. This 12 month period used under FMLA/CFRA to determine sick leave eligibility is separate from the "annual period" defined in 22.3.1)

- 22.8.4.1 An eligible employee's entitlement under Section 22.8.4 is limited to a total of twenty-six (26) workweeks of leave during a single 12-month period to care for a covered servicemember with a serious injury or illness. The "single 12-month period" in which the 26-weeks-of-leave-entitlement described in this begins on the first day an employee takes leave to care for the covered servicemember.

- 22.8.4.2 During the "single 12-month period" described above, an eligible employee's FMLA leave entitlement is limited to a combined total of twenty-six (26) workweeks of FMLA leave for any qualifying reason.

#### 22.8.5 Paid status And Benefits

- 22.8.5.1 Except as provided in this Article, the family care and medical leave will be unpaid. The County will, however, continue to provide County contributions toward the health plan premium during the period of family care and medical leave for up to twelve (12) work weeks on the same basis as coverage would have been provided had the employee not taken family care and medical leave. The employee will be required to continue to pay the employee's share of premiums payments, if any.

22.8.5.2 Nothing in this Section shall preclude the use of medical or pregnancy disability leave in Section 18.6.1 (Medical/Pregnancy Disability Leave) when the employee is medically incapacitated or disabled. If an employee does not qualify for continued benefits under this Section 22.8 or Section 18.6.1 (Medical/Pregnancy Disability Leave) and the employee wishes to continue benefit coverage, then Section 18.6.2 (Continuation of Health Benefits Coverage) applies.

#### 22.8.6 Relationship Of Family Care And Medical Leave To Other Leaves

Any leave of absence that qualifies as family care and medical leave and is designated as family care and medical leave will be counted as running concurrently with any other paid or unpaid leave to which the employee may be entitled for the same qualifying reason. Section 22.8.14 identifies accrued paid leave which an employee may be required to use concurrently with unpaid family care and medical leave.

#### 22.8.7 Relationship To Pregnancy Disability Leave

#### 22.8.8 Notice To The County

22.8.8.1 The employee must provide written notice to the County as far in advance of the leave as possible and as soon as the employee reasonably knows of the need for the leave. If the need for the leave is foreseeable based on an expected birth, placement of a child for adoption or foster care or planned medical treatment, the notice must be provided at least 30 calendar days in advance of the leave, or if not reasonably known 30 calendar days before the leave, then as soon as reasonably practicable.

22.8.8.2 The written notice must inform the County of the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

22.8.8.3 The employee shall consult with the County and make a reasonable effort to schedule any planned medical treatment or supervision so as to minimize disruption to department operations.

#### 22.8.9 Medical Certification

22.8.9.1 An employee's request for family care and medical leave to care for a child, a spouse, or a parent who has a serious health

condition shall be supported by a certification issued by the health care provider of the individual requiring care. If additional leave is required after the expiration of the time originally estimated by the health care provider, the employee shall provide the County with recertification by the health care provider.

22.8.9.2 An employee's request for family care and medical leave because of employee's own serious health condition shall be supported by a certification issued by the employee's health care provider.

22.8.9.3 As a condition of an employee's return from leave taken because of the employee's own serious health condition, the employee is required to obtain certification from the employee's care provider that the employee is able to resume work.

22.8.9.4 Employees are required to use the medical certification forms available from the County Human Resources Department to meet the certification and recertification requirements of this section.

#### 22.8.10 County's Response To Leave Request

It is the County's responsibility to designate leave, paid or unpaid, as family and medical leave-qualifying and to notify the employee of the designation.

#### 22.8.11 Dual Parent Employment

Where both parents are County employees, allowable leave for the birth, adoption, or foster care placement of a child or the care of an employee's ill parent is limited to a total of twelve (12) work weeks in a 12-month period between the two employees. Their family care and medical leave entitlement is not limited or combined for any other qualifying purpose.

#### 22.8.12 Employee's Status On Returning From Leave

Except as provided by law, on return from family care and medical leave, an employee is entitled to be returned to the same or equivalent position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay, and other terms and conditions of employment. An employee has no right to return to the same position. Use of family care and medical leave will not result in the loss of any employment benefit that accrued prior to the start of an eligible employee's FMLA/CFRA leave.

#### 22.8.13 FMLA/CFRA Procedures, Definitions, And Forms

A description of the required process and procedures to follow for intermittent leave and reduced leave schedules, forms to use when requesting family care and medical leave, and applicable definitions are included in the County Medical Leave Policy and found on the County

Human Resources Department website, and are available from the Human Resources Department.

This Section 22.8.14 shall be interpreted as the legal minimum family care and medical leave available to eligible employees. The County may grant additional leave without pay under this Section (22.8.14) provided it is consistent with the applicable provisions of the Sonoma County Civil Service Rules, County leave policies, and other provisions of this memorandum.

22.9 Paid Parental Leave

### 22.9.1 Eligibility

Effective 10/1/18, any permanent or probationary employee who has been continuously employed by the County for at least 12 months prior to the start of the leave shall be eligible for Paid Parental Leave (PPL) to use within 12 months of the following events:

- Birth of a child of the employee, the employee's spouse, or the employee's domestic partner
- Placement of a child with the employee's family for adoption or foster care

For purposes of PPL, the definition of "parent" and "child" are as defined by the California Family Rights Act.

### 22.9.2 Benefit and Use

Eligible employees shall be granted 320 PPL hours to use within 12 months of the qualifying event. Part-time employees shall be eligible for a pro-rated number of PPL hours, based on allocated FTE.

PPL is based on a rolling 12 month calendar. No more than 320 PPL hours may be used in any 12 month period.

PPL is based on the employee's hourly wage plus cash allowance. It is considered "paid status" for the purpose of merit, seniority, premiums, vacation and sick leave accrual, and County benefit eligibility and contributions.

PPL is pensionable and counts towards retirement service credit.

PPL may be used in a block of continuous time or as intermittent leaves arranged in advance. Unless approved by the Director of Human Resources, PPL cannot be used retroactively.

Use of PPL shall not be cause for an employee to lose his/her current assignment on a permanent basis; however, assignments may be altered to accommodate the employee's or department's operational needs when working a reduce schedule.

An employee in a disability period following birth of a child must use sick leave down to 40 hours before using PPL.

### 22.9.3 Coordination of Benefits & Leaves

PPL can be fully integrated with any short-term disability or California Paid Family Leave program. STD and PFL will not reduce PPL leave

entitlement. For time covered by FMLA/CFRA job protected leave for bonding, PPL must be used prior to other accrued leave or Leave Without Pay. If an employee has exhausted FMLA/CFRA entitlements for reasons other than bonding, PPL must be used prior to Leave Without Pay for arranged leaves for the purpose of bonding. PPL does not need to be used when an employee is on leave for reasons other than bonding. To the extent FRA leave is available, it will run concurrently with PPL.

#### 22.9.4 Implementation

For qualifying events occurring after 10/1/2017, PPL may be applied to any remaining CFRA eligible bonding hours still available to the employee after the program effective date.

A break in service is defined as occurring upon resignation or termination.

#### **ARTICLE 27 – VOTING**

## **ARTICLE 30 – GRIEVANCE PROCEDURE**

### 30.1 Purpose

The County and Association agree to this Grievance Procedure in order to provide an orderly procedure to resolve employee grievances promptly. This procedure shall become available for grievances which occur after the Board of Supervisors adopts a resolution implementing this Memorandum.

Appendix B contains the Departmental Grievance Procedure, used for complaints concerning alleged violations or misapplications of one or more written departmental policies.

### 30.2 Definitions

- a. A grievance is a claim by an employee, a group of employees, or the Association on behalf of an employee(s), concerning the interpretation, application or an alleged violation of an expressed provision of this Memorandum. All other complaints are specifically excluded from this procedure including but not limited to, complaints which arise from the following: all disciplinary actions; all matters concerning employment examinations; all other matters subject to the jurisdiction of the Civil Service Commission; performance review appraisals or denial of a merit increase, except as provided in Section 7.19; provisions of the Fair Labor Standards Act; and any provision of this Memorandum specifically identified as not grievable.
- b. “Day” shall mean regular County business days, Monday through Friday, 8 a.m. to 5 p.m.
- c. A “grievant” shall mean an employee, a group of employees or the Association who in good faith has an actual grievance with the County over a grievable matter as defined in Section 31.2 above. The Association may file a grievance without naming an individual employee in the grievance provided the grievance alleges a violation of a right or benefit granted the Association under Article 5 of this Memorandum.

### 30.3 Representation

At any step of the grievance procedure, the employee may represent him/herself, or may be represented by an Association representative who may be a County employee or a non-County employee.

### 30.4 Initiation Deadline

The grievance must be initiated within ten (10) days from the date of the action or occurrence giving rise to the grievance, or within ten (10) days of when the grievant knew of or could have reasonably discovered such action or occurrence.

### 30.5 Time Limits

Time limits specified in each step of the procedure shall be strictly observed and may only be extended by mutual agreement of the parties in writing. Failure of a grievant to observe a time limit shall terminate the grievance. Failure of the party to whom the grievance is submitted to observe the time limits shall give the grievant the right to move the grievance to the next level.

### 30.6 First Step

The grievance shall first be discussed on an informal basis by the grievant with the employee's immediate supervisor within ten (10) days from the date of the action causing the grievance as provided above. The immediate supervisor shall respond within ten (10) days. Every effort shall be made by the parties to resolve the grievance at this level and may include conferences among supervisory or administrative personnel. Such discussions will be held whenever possible during the grievant's work hours.

### 30.7 Interest Based Intermediary Step – Optional

In the event the grievant believes the grievance has not been satisfactorily resolved, the grievant may request in writing that the County Human Resources Department participate in an effort to resolve the grievance through an interest-based, non-positional approach to problem solving.

If the employee indicates this preference in writing, the prescribed time parameters are suspended while representatives of the Association, the affected department and the Human Resources Department meet in an attempt to resolve the grievance.

If the parties agree to use an alternative process, the time parameter for resolution is twenty-one (21) days from the time it is agreed to use the alternative resolution process.

If the parties agree to suspend the optional process or the process is not successful after twenty-one (21) days, then the process will move to the Third Step (Department Head) level of this grievance procedure.

### 30.8 Second Step Grievance

In the event the grievant believes the grievance has not been satisfactorily resolved, the grievant shall submit the grievance in writing, with a copy to the County's Employee Relations Manager, to the immediate supervisor and the Association within five (5) days after receipt of the immediate supervisor's response. The written grievance shall:

- a. Fully describe the grievance and how the grievant is/was adversely affected by the County;
- b. Set forth the specific section(s) of this Memorandum allegedly violated;
- c. Indicate the date(s) of the incident(s) grieved; and
- d. Specify the remedy or solution to the grievance sought by the grievant.

### 30.9 Second Step Response

The written grievance shall be responded to in writing by the immediate supervisor within seven (7) days from the time the written grievance is received. The supervisor shall send a copy of the response to the Employee Relations Manager and to the Association. The written response shall include:

- a. A complete statement of the immediate supervisor's position and the facts upon which it is based; and
- b. The remedy or correction which has been offered, if any.

Upon receipt of the Step Two response by the Association, the Association has seven (7) days to respond and preserve its rights.

### 30.10 Third Step Grievance

If the grievant is not satisfied with the response at Step Two, the grievant may appeal the decision to the next higher level of supervision (identified by the department head) and to the department head, with a copy to the Employee Relations Manager, within seven (7) days after receipt of the written response at Step Two or termination of the Interest-Based Problem Resolution Process.

### 30.11 Third Step Response

After receiving the completed grievance appeal form, the person occupying the next higher level of supervision together with the department head, or representative, shall meet with the grievant and thoroughly discuss the grievance. The department head shall give a written decision to the grievant within fifteen (15) days after receiving the completed grievance appeal form and send a copy of the decision to the Employee Relations Manager and to the Association.

### 30.12 Mediation

Prior to an arbitration hearing, the parties may mutually agree to request the assistance of a mediator from the State Conciliation Service in an attempt to resolve the grievance. The mediator shall have no authority to resolve the grievance except by written agreement of the Association and the County. In the event the grievance is not resolved, neither stipulations, admissions, settlement proposals nor concessions agreed to or offered during mediation shall be admissible in a subsequent hearing.

### 30.13 Arbitrable Grievances

A grievance which directly and primarily involves the application, alleged violation, or interpretation herein, except as otherwise provided in this Memorandum, is arbitrable. If the grievance is submitted to arbitration by the Association, neither offers of settlement nor concessions for settlement made during the grievance procedure steps prior to mediation shall be admissible in arbitration.

Following the Third Step of the grievance procedure provided herein, if the grievance is subject to arbitration and remains unresolved, the Association on behalf of the grievant may request arbitration. The request for arbitration must be given to the County Counsel and the Employee Relations Manager, in writing, within fifteen (15) days of the receipt of the response from Step Three.

Within fourteen (14) days of submitting a written request for arbitration, the Association and the County shall begin the process for selecting an arbitrator and scheduling a hearing date. An extension of the fourteen (14)-day timeline must be requested in writing by either party and agreed upon by both parties. Failure to comply with the timelines set forth in this section or other timeline mutually agreed upon by the parties shall immediately terminate the grievance and all rights provided under the grievance procedure.

### 30.14 Selection Of Arbitrator

The arbitrator may be selected by mutual agreement of the Association and County. Should the parties fail to mutually agree on an arbitrator, they shall make a joint request of the State Mediation and Conciliation Service for a list of five qualified arbitrators. The arbitrator shall be selected from the list by the parties alternately striking names, with the first strike determined by chance.

### 30.15 Arbitration Issues

The parties shall, within twenty-one (21) days following the receipt of a written request for arbitration, exchange in writing their understanding of the questions to be submitted to arbitration. Thereafter, the parties to the arbitration shall use their best efforts to exchange a written summary of the evidence they intend to offer and to reach agreement on and reduce to writing the question or questions to be submitted to arbitration. The agreed upon question or questions, if agreement is reached, together with the exchanged summaries of evidence and a list of witnesses to be used by each side, shall be submitted to each other and the arbitrator five (5) days prior to the arbitration hearing.

30.16 Arbitrator's Authority

The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of the Memorandum. He/she shall consider and make a decision with respect to only the specific issue submitted, and shall have no authority to make a decision on any other issue not so submitted. In the event the arbitrator finds a violation of this Memorandum, he/she shall fashion an appropriate remedy. The arbitrator shall have no authority to substitute his/her judgment for that of the County as to any matter within the County's discretion under this Memorandum. The decision and award of the arbitrator shall be based solely upon the evidence and arguments presented to the arbitrator by the respective parties.

30.17 Binding/Non-Binding Decision

The decision of the arbitrator rendered consistent with the terms of this Memorandum shall be binding upon the Association. To the extent that the award of the arbitrator is not in excess of \$5,000 per individual grievant, it is binding on the County. To the extent that such award exceeds \$5,000 per individual grievant, it is advisory. If within sixty (60) days of receiving notice of the decision and award requiring an expenditure in excess of \$5,000 per individual grievant, final action is not taken by the County to implement it, then the arbitrator's decision and award shall have no force or effect whatsoever as to the amount in excess of \$5,000 per individual grievant. The Association may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum. If the Association is the grievant, then the \$5,000 limit shall apply to each employee who has been identified by the Association and sustained by the arbitrator as employees directly affected by the grievance and the remedy sought and imposed.

30.18 Arbitrator's Decision Due

Unless the parties agree otherwise, the arbitrator shall render the decision in writing within thirty (30) days following the close of the hearing. The decision of the arbitrator is final. If requested by either party, the decision shall be accompanied by findings of fact and conclusions of law.

30.19 Arbitration Expenses Shared

The cost of employing the arbitrator shall be borne equally by the parties to the arbitration. All other costs such as, but not limited to, attorney's fees and witness fees shall be borne only by the party incurring that cost.

The parties agree to form ad hoc committees to address local issues at the Valley of

The County agrees that it will not cause a “lockout” of employees during the term of this Memorandum. The parties agree that the term “lockout” does not apply to a layoff consistent with the rules of the Civil Service Commission nor to job-related discipline.

**ARTICLE 34 – FULL UNDERSTANDING, MODIFICATION, ACKNOWLEDGMENT**

34.1 Full Understanding

This Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein.

35.1 Maintenance Of Membership

In accordance with Government Code Section 3502.5, all employees who have Association dues deduction authorization on file with the Auditor-Controller-Treasurer-Tax Collector (ACTTC) or who may thereafter authorize in writing the deduction of Association dues, shall remain on such payroll deduction. This maintenance of membership required payroll Association dues deduction shall continue for the term of this Memorandum, except that such maintenance of membership required dues deductions shall be voided under any of the following circumstances: when an employee is removed from a classification allocated to the representative bargaining units covered under this Memorandum ; consistent with applicable law, if the employee notifies the ACTTC in writing to cease such dues deductions, and a successor agreement has not been concluded which continues this provision or all applicable impasse procedures concerning negotiations for such a successor agreement have been exhausted without an agreement being reached; and at any time an employee and the Association stipulate in writing to the ACTTC that the employee is not to be subject to further dues deductions under this clause or any other provision herein.

### 35.2 Agency Shop Service Fee

- a. Any non-supervisory employee in a classification in the non-supervisory bargaining units covered by this agreement shall as a condition of continued employment, either:
  - 1 Pay to the Association an agency shop service fee as provided below; or
  - 2 (a) Execute a written declaration that the employee is a member of a bona fide religion, body or sect which holds a conscientious objection to joining or financially supporting any public employee organization as a condition of employment; and (b) Pay a sum equal to the agency shop service fee (full service fee) described below to a non-religious, non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. Proof of such payments shall be made on a monthly basis to the County and the Association as a condition of continued exemption from the requirement of financial support to the Association.
  - 3 The employee shall have, on a bi-weekly basis, a payroll deduction of the agency shop service fee or charitable contribution. The sum so deducted shall be paid to the Association or applicable charity or deposited into escrow as directed by the Association.

### 35.3 Separation From Unit Exception

The provisions of Sections 35.1 and 35.2 shall not apply during periods of separation from the eligible bargaining unit by any employee otherwise subject to those provisions but shall reapply to such employee following the return of the employee to the bargaining unit. The term "separation" includes layoffs, transfer out of the covered bargaining units by request, promotion, demotion, reclassification or for any other lawful reason, and unpaid status, all of a duration of more than one (1) full pay period.

### 35.4 Service Fee Choice

- a. Full service fee — Each affected employee shall have the option by affirmative written election and voluntary written waiver of all constitutional objections to pay a full service fee to the Association in an amount equal to the regular periodic dues and general assessments charged to Association members. Said payment shall entitle the full service fee payer to the same rights, level of benefits and privileges of Association membership except for the right to participate in Association elections and governance of the Association.
- b. Basic service fee — Each affected employee who does not affirmatively elect to pay a full service fee to the Association and who does not voluntarily waive all constitutional objections, shall pay a basic service fee to the Association in an amount calculated as described below, but, in no events, in excess of the regular periodic dues and general assessments charged to Association members.

### 33.1 Calculation Of Basic Service Fee

- a. The basic service fee will be calculated by the Association to fairly value the collective bargaining activities, contract administration and grievance adjustment services provided. The basic service fee shall not be used for any of the following:
  - (1) Lobbying or political activity by the Association;
  - (2) Payments to affiliates by the Association;
  - (3) Social activities for Association members;
  - (4) Charitable and philanthropic activities;
  - (5) Insurance and other benefit programs for members and full service fee payers.
- b. The basic service fee shall not entitle the payer to the same rights, level of benefits and privileges as Association members or individuals electing to pay a full service fee. The Association shall fairly represent all employees covered by this agreement. However, that duty does not require that basic fee payers obtain the same level of individual representation benefits or other benefits as Association members and full service fee payers. For example, basic service fee payers may not receive legal representation in individual disciplinary actions or civil or criminal actions brought against them as a result of acts or omissions within the course and scope of their employment. Basic fee payers will not be entitled to attorney consultation, retirement, insurance and death benefits provided only to members. The basic service fee will be calculated to fairly charge the represented employee for the representation services provided.

### 35.6 Advance Notice Of Agency Shop Service Fee

No agency shop service fee shall be collected from any employee until the first pay period no less than thirty (30) days after the employee has received written notice sent by certified mail from the Association which includes legally adequate information concerning the calculation of the basic service fee, the services provided for a full service fee and basic service fee, a description of a reasonably prompt opportunity to challenge the amount of the basic service fee before an impartial decision-maker, and notice as to how the employee may elect to pay the full service fee, waive constitutional rights or object to the amount for the basic service fee. An escrow account shall be set up by the Association of any amounts reasonably in dispute while any challenges are pending.

### 35.7 Notice Of New Employees

- a. To the extent the information is available, the County shall provide the Association with the names, addresses, personal email addresses and telephone numbers of all new employees coming into the relevant bargaining units during each subsequent pay period.
- b. The names and addresses provided the Association shall be kept confidential.

### 35.8 Agency Shop Service Fee Collection

To the extent authorized by law, the failure of an obligated employee to pay an agency shop service fee shall be a condition of continued employment and shall be grounds for the Association to file a legal action to collect the fees due subject to the following procedures:

- a. The Association shall notify the employee (a copy to the Human Resources Department and the department head) of non-compliance by certified mail, return receipt requested. Said notice shall detail the non-compliance by explaining that the employee is delinquent in not tendering the agency shop service fee due, specifying the amount of the delinquency, and warning the employee that unless such fees are tendered within thirty (30) calendar days, the Association has the right to file an action to collect the sums due.
- b. If the employee fails to comply, the Association may file a legal action and the County may be notified that the employee has failed to satisfy this condition of employment.
- c. The County shall not incur any cost due to court appearances by County staff, but shall provide a written statement to the Association at their request specifying the employee's agency shop service fee obligations under this agreement.

### 35.9 Indemnification

The Association shall defend, indemnify, hold harmless, release and save the County, its agents and employees, from and against any and all claims, demands, suits, orders, judgments, expenses or other forms of liability arising out of or in connection with this subsection and/or any action taken or not taken by the County and/or the Association under this subsection, including, but not limited to, the collection and procedures for collection of agency shop service fees and the amount of such fees. This section shall be in addition to any other remedy available to the County under this agreement or provision of law.

### 35.10 Rescission Of Agency Shop Provision

The implementation of the provisions of this subsection shall not prohibit or restrict an election to rescind this provision as provided by Section 3502.5 of the California Government Code.

### 35.11 Recordkeeping And Reporting

The Association shall comply with the financial record keeping and reporting requirements of Government Code Section 3502.5.

### 35.12 Association's Constitutional Obligations

It is recognized that this agency shop provision affects sensitive and important political speech and association rights of County employees, which are protected by the First Amendment of the U.S. Constitution. In an effort to ensure that these

rights are not infringed, this Article sets forth procedures and requirements that the Association must, at a minimum, follow. Nothing in this Article or any other, however, relieves the Association of taking whatever additional action may legally be required to protect the constitutional rights of employees who are subject to an agency shop service fee under this subsection. The Association also acknowledges that the law in this area is constantly evolving, and therefore, recognizes that it has an ongoing obligation to monitor relevant legal developments, including the case law on this subject, and to adapt its conduct in implementing this Article as required. The Association also recognizes that it is foreseeable that the employees subject to the agency shop service fee may suffer damages if this subsection is not carried out in accordance with the First Amendment. For this reason, and others, the County has strongly encouraged and still does strongly encourage the Association to consult with competent legal counsel throughout the term of this contract over the implementation of this subsection.

- a. No employee shall be discriminated against or harassed on the basis of his or her status as a non-member. Reasonable communication regarding the Association and/or Association membership shall not be considered discrimination or harassment under this subsection.

### 35.13 Violation Of Law

If a court finds the implementation of this subsection to be in violation of constitutional law, the Association shall have sixty (60) days to comply with the Court's order or the County may cease the collection of agency shop service fees and not condition continued employment upon the payment of agency shop service fee unless otherwise directed by the court.

## **ARTICLE 36 – INVALID SECTIONS**

### 36.1 Invalid Sections

If during the term of this Memorandum, any item or portion thereof of this Memorandum is held to be invalid by operation of any applicable law, rule, regulation, or order issued by governmental authority or tribunal of competent jurisdiction, or if compliance with or enforcement of the item or portion thereof shall be restrained by any tribunal, such provision of this Memorandum shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Memorandum shall not invalidate any remaining portion which shall continue in full force and effect.

### 36.2 Separability

In the event of suspension or invalidation of any article or section of this Memorandum of Understanding, the parties agree, except in an emergency situation, to meet and confer within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such article or section.

**ARTICLE 37: DISTRIBUTION OF MEMORANDUM OF UNDERSTANDING  
AND ENACTMENT**

37.1 Distribution

The parties agree that the County shall have this Memorandum available on-line at the County's inter-net and intra-net site.

37.2 Enactment

County and Association agree that any policy, procedure, rule regulation, benefit, premium pay or other form of compensation including salary that is changed or modified by the terms and conditions of this Memorandum of Understanding is hereby repealed in its entirety, and that this Memorandum is in full force and effect on the date the Board of Supervisors approves it. - (a) **GRIEVANCE.** A grievance is a complaint by an employee, a group of employees, or by either the Sonoma County Law Enforcement (herein after, the “Association”) on behalf of an employee(s) (all herein after referred to as a “grievant”) represented by the Association concerning an alleged violation or misapplication of one or more of the written departmental policies affecting an employee’s terms and conditions of employment and within the scope of representation as defined by Government Code 3504 and the County’s Employee Relations Policy. All other matters are excluded from the definition of grievance and from this grievance procedure, including but not limited to:
  - (1) Complaints concerning matters which are specifically covered by an existing Memorandum of Understanding (MOU) covering the grievant whether or not they are subject to any grievance or dispute resolution procedure there under;
  - (2) complaints, the resolution of which would require a change in or an amendment to law, ordinance, or the resolutions, rules or regulations of the Board of Supervisors;
  - (3) discrimination complaints which are subject to the County’s Equal Opportunity Discrimination Complaint Procedure;
  - (4) dismissals, suspensions, and reductions in rank or compensation; and
  - (5) in addition to (4), above, all other matters appealable under the Civil Service Ordinance and/or the Rules of the Civil Service Commission.
- (b) **GRIEVANCE PROCEDURE.** This grievance procedure is the method by which a grievant may seek management action to relieve or eliminate the grievance as defined above.
- (c) **GRIEVANCE APPEALS COMMITTEE.** A Grievance Appeals Committee of three members shall be a forum for consideration of grievances. Committee members shall be composed as follows:
  - (1) One person selected by the Association representing the grievant.
  - (2) The Director of Human Resources or designee.

(3) The third member of the Committee shall be mutually selected by the first two Committee members chosen by the grievant and the Human Resources Director. The third member of the Committee must be so selected within ten (10) days of the day the first two members were selected. If the first two Committee members are unable to agree upon a selection, then the first two Committee members shall strike names off of a list of the current members of the County Civil Service Commission until only one name remains, who shall be the third member of the Committee. The order of striking shall be determined by a coin toss. No Committee member may be selected who is employed in the department in which the grievant is employed. Committee members shall select a chairperson. The Human Resources Department shall provide secretarial services to the Committee. The Committee shall meet on call of its chairman and with mutual agreement, as to date and time of the meeting, among the grievant, the department head and the other Committee members. Deliberations of the Committee shall be informal, confidential and provide a full and fair hearing of the grievance and proposed solutions without formal rules of evidence or a stenographic or electronic recording of the proceedings.

(d) DAYS. The term “days” as used in this procedure shall mean regular County business days, Mondays through Fridays, from 8 a.m. to 5 p.m., but excluding formal County holidays or weekends.

Section 2. REPRESENTATION. An employee may be represented in any step of this grievance procedure by a representative of the Association which represents the grievant as a County employee. No member of the Grievance Appeals Committee may represent the grievant.

Section 3. DISCRIMINATION. No employee shall be subjected to discrimination, coercion, restraint, or reprisal by reason of good faith utilization of this grievance procedure.

Section 4. TIME OFF. Reasonable time off without loss of regular pay from normal County work duties shall be accorded to an employee for the purpose of presenting a grievance, representing the grievant in a grievance proceeding or serving as a member of the Grievance Appeals Committee subject to the condition that before leaving the employee’s usual duties the employee shall obtain the permission of the employee’s immediate supervisor. Such permission shall not be unreasonably withheld.

Section 5. INFORMAL GRIEVANCE PROCEDURE. It shall be the mutual responsibility of employees and management to endeavor to resolve grievances informally at the lowest practicable level of management. To this end, the grievant shall first present the grievance to the grievant’s immediate supervisor in an informal meeting within ten (10) days after the occurrence of the circumstances giving rise to the grievance or when the grievant first actually knew, or could have reasonably known of them. The grievant may request the meeting be held at any reasonable time, and the supervisor shall meet with the grievant as soon
