62	not enough tennis courts. Many times all of the courts are occupied. We have no other playable courts in Sonoma. The high school courts are only open on the weekends.	1/6/2015 12:20 PM
63	MORE TENNIS COURTS!!!	1/6/2015 9:19 AM
64	The skatepark needs work it's messed up	1/6/2015 8:51 AM
65	I go to the park 1-2 week, more often with nice weather	1/5/2015 11:36 PM
66	The playground is always broken! The bathrooms are filthy!	1/5/2015 6:24 PM
67	Wet tennis courts because of trees overhanging the courts and the shadow affect. Muddy walking paths for walking dogs.	1/5/2015 5:41 PM
68	Tennis courts full	1/5/2015 2:00 PM
69	Not enough tennis courts or facility to serve all the players in Sonoma on a match day.	1/5/2015 12:41 PM
70	Lacks enough tennis courts to ensure getting on to play. Courts are situated so early morning moisture is often a deterring factor (can't play early in winter due to wet courts)	1/5/2015 12:32 PM
71	If a parking fee is a necessity, let people purchase an annual pass that they can display on their windshield please.	1/5/2015 10:09 AM
72	Tennis courts wet in winter, or full and no courts available, ho to Napa to play usually. Park parking WAY too far away	1/5/2015 9:01 AM

76	No disc golf course	1/4/2015 2:51 PM
77	Not enough tennis courts. Have to wait for a court, especially weekends	1/4/2015 12:13 PM
78	Scooter kids	1/4/2015 11:26 AM
79	The cracks in the skatepark are dangerous and cause injury. If it was expanded and revamped it would attract not only more local skaters but their families to the park aswell.	1/4/2015 10:13 AM
80	Scooters,bikers	1/4/2015 9:32 AM
81	No basketball court	1/3/2015 10:14 PM
82	there isnt much to do at maxwell for older kids, im an 18 year old girl and theres nothing besides the skatepark, which i visit with my friends.	1/3/2015 1:18 PM
83	I would like to see a disc golf course installed.	1/3/2015 12:46 PM
84	Needs a more convenient bridge between El Verano (specifically Paul's Beach on River Road to the park on the other side of Sonoma Creek) which would connect the community better to the park.	1/3/2015 9:34 AM
85	Not applicable	1/3/2015 2:13 AM
86	It would be great to add disc golf and a bmx track. The lack of a sidewalk on verano between the bus stop and the bridge is very dangerous. There are many family's that risk their lives trying to get between those two points. Also the homeless problem in the hiking area especially near the verano bridge and at the bathrooms is out of control. I live nearby and love maxwell but those two problems really need to be addressed.	1/2/2015 6:04 PM
87	If there were more amenities and openness to the park, it would also feel safer	1/2/2015 3:23 PM
88	Bikes not allowed at skatepark.	1/2/2015 2:58 PM
89	Schedule other hikes.	1/1/2015 3:42 PM
90	My husband and I visit parks every Sunday and Maxwell is one of our favorites. it is close by yet is still wilderness.	1/1/2015 2:58 PM
91	It is one of several parks and areas that offer good long walking and I alternate them. So many good parks, can't visit them more frequently.	12/31/2014 6:27 PM
92	Not walking distance from my house.	12/31/2014 2:09 PM
93	All 5 tennis courts are in use sometimes.	12/30/2014 2:47 PM
94	Not enough trails	12/30/2014 12:17 PM
95	The tennis courts stay very wet with any rain or any bit of fog; the courts are often unplayable. In addition, the courts are frequently all in use so no court is available for play, especially mornings 9-12 and weekends; it's sometimes impossible to get a court. The bathrooms are also VERY inconvenient and quite a distance from the court; quite a challenge for an older woman! Other teams who come to play official matches always complain about the inconvenience and distance; it's embarrassing!	12/29/2014 7:08 PM
96	Nothing: it's nearby and convenient. I wish the parks were better funded by taxes, as they used to be.	12/29/2014 4:54 PM
97	See above. Plus, I don't feel save walking in the back area to the creek by myself.	12/29/2014 2:32 PM
98	There is other open space closer to my house.	12/29/2014 2:20 PM

1	I don't know really, but the trail along the creek, which I like because it is rural, feels a little unprotected	6/20/2015 7:25 PM
2	Don't see Rangers often, and as they are unarmed, if I was being raped what would they do, watch, call police. At the State Parks the Rangers are armed and full police, that makes me feel safer and why I go there more.	5/24/2015 9:22 PM
3	I feel safe because I visit in the daytime. I might visit on a warm summer evening if there was solar lighting on a timer.	4/15/2015 7:16 PM
4	Lots of juveniles hanging around on park benches/picnic table drinking alcohol.	4/11/2015 2:58 PM
5	Groups of youth mainly males hanging in groups who are obviously part of a gang or "gang wanabes". (please note I'm not making an assumption, I work in a "forensic setting" and am familiar with the difference between gangs, gang "wanabes" and groups of teens). I am in my late 50s and cant defend myself as well. I prefer the wooded area and wont go there now with out my dog. The park is a half mile from my home so is so convenient. PS the few homeless in the park dont bother me and Im not worried about them. Most are harmless and will stay away from family areas because they know they arent welcome.	4/11/2015 11:33 AM
6	The back area with all the natural habitat is lovely and very appealing. But at the same time feels isolated and like homeless people could be hiding out back there. Also one time when I was walking my dog I found a skinned beaver hanging over a tree branch by the creek. I alerted park staff from the Boys & Girls Club. They followed up and took care of it. Maybe some soft trail lights might help.	4/9/2015 4:17 PM
7	groups of Hispanics just hanging and shouting vulgar words in their language. They trash the park and are just flat rude to everyone, acting like they own the place.	4/8/2015 6:44 PM
8	I personally do not fear the park but I know many who do. Many people fear that within the park many gang members meet there.	4/8/2015 1:11 PM
9	Non derelict activities in the undeveloped areas will help eradicate riffraff.	4/6/2015 10:13 AM
10	It seems as though bad things happen in that part of town. I never go alone to Maxwell Park, whereas I do visit other parks and often hike alone.	3/30/2015 2:52 PM
11	Concerned about homeless by the creek and gang activity	1/28/2015 8:30 PM

22	At some times of the day, there are not many people in the conservation easement areas. If I fell or felt threatened, there might not be another person for hours. A sign-in sheet in a safe, indoor place for those who wish to register alleviate this fear. There is usually always someone at the tennis courts whenever I enter the park. Also, I know some young men who supposedly have gang affiliation gather in the park. Although I don't fear them, and they have a right to use the space peacefully, I sometimes feel uncomfortable going onto the walking paths, knowing that they or other men might be watching.	1/13/2015 4:14 PM
23	na	1/12/2015 3:50 PM
24	I have encountered men on the trails who were not friendly and we quickly left. Situation has occurred multiple times. Suspect there was some type of transfer going on. Perhaps brush is too thick and people hide. For me and hiking friends, we avoid.	1/12/2015 11:30 AM
25	Not sure who is hanging out behind the boys and girls club. I used to take the kids and walk along the trail by the creek.	1/12/2015 8:31 AM
26	The back wooded area seems to show signs that people camp there with litter and empty alcohol bottles.	1/11/2015 10:16 PM
27	The gang activity that has occurred and who knows what goes on in the brush.	1/11/2015 5:32 PM
28	Homeless that have been known to camp there(although, it has gotten better).	1/11/2015 3:12 PM
29	Honestly, there are just a lot of people that seem shady to me there. I'm not sure what you can do about that. Is like to walk the trails with my kids, but I just feel very vulnerable and often cross paths with people and big aggressive dogs that make me feel unsafe.	1/11/2015 2:07 PM
30	There have been a few times I have run into people drinking at the creek and they were loud and overly friendly (guys).	1/10/2015 9:52 PM
31	I used to walk trails regularly and ride my bike with kids. Men were nestled in bushes watching me. One man was sitting in a tree behind Boys and Girls Club watching kids. My sister and I had our sons at the playground and we witness a gang beating.	1/10/2015 7:44 PM

36	Gang activity in the park.	1/8/2015 10:35 PM
37	Rude guys in groups loitering & staring, sometimes making comments	1/8/2015 10:03 PM
38	I see homeless there or near by. Punk kids or gang related things have occurred there before. I don't like that sometimes my kids and I are the only ones there. Not enough public around to feel safe. That's why we just go to plaza park.	1/8/2015 9:53 PM
39	I feel like gang members are there, I go early afternoon or with my husband when on the trails. There needs to be security around.	1/8/2015 9:50 PM
40	We feel safe	1/8/2015 9:19 PM

43	Gang hide outs and homeless encampments. 20 years ago it wasn't like this.	1/8/2015 7:21 PM
44	Homeless, gang members and the memorial for a gang member the county allowed in the park attracts the wrong crowd	1/8/2015 2:38 PM
45	Homeless and transient people in the woods by the creek are scary and sometimes threatening. I don't want to be in a compromising position with my young son.	1/8/2015 12:57 PM
46	I've seen some unseemly people on the trail that runs through the trees near the creek.	1/8/2015 12:56 PM
47	You never know who you will encounter back by the creek...	1/8/2015 12:21 PM
48	Whenever we walk on the paths in the trees we always encounter people that seem to be up to no good which is a shame because the kids love to explore in there.	1/8/2015 6:50 AM

56	There's quite a bit of up-to-no-good that happens in the western portions of the park... in particular down by the creek and under the Verano bridge. The undeveloped floodplain portion of the park on the west side of Sonoma Creek is also a no-mans land.	1/7/2015 4:48 PM

64	That is where a lot of teenagers hang out and smoke pot.	1/7/2015 1:43 PM
65	I feel safe at day light hours, and up close to the playground, the bathroom sits back to far for me to feel comfortable sending my children when I was a mom of younger children, there isn't a lot of places for parents to sit and watch kiddos, just a couple benches, the trees lining the creek and knowing the people that pop in and out of there is what keeps me from being down in that area, I am comfortable walking from Maxwell over to pack and back or riding through there but again in daylight hours. We don't use the skate park but find it to be a wonderful part of our community for those who do.	1/7/2015 1:34 PM
66	I'm very weak and insecure	1/7/2015 12:14 PM
67	1. Agressive Homeless presence 2. Young kids trying to show they are cool and be a bit rowdy towards families. 3. High ration of young adult males hanging out in the creek area, by the playground and skate area.	1/7/2015 10:59 AM

87	dark	1/2/2015 1:52 PM
88	Past history of criminal activity.	12/31/2014 3:14 PM
89	I've seen homeless camps, human waste, and at least one time found a drugged out man passed out under the bushes – we checked to make sure he wasn't dead, and he was pretty unhappy about being disturbed. I generally feel safe in the park, but I only go with friends and our large dogs ... I love the wooded section, but don't walk there alone, even during the day.	12/31/2014 2:53 PM
90	I feel safe but worry about the homeless camps and their effects on kids.	12/31/2014 2:09 PM
91	I have heard of homeless people living along the creek, and my son witnessed a woman being dragged into the park, there, when he was a teen. I so not feel afraid, but I feel bad about homeless people having to? (Or choosing to) live like that.	12/29/2014 4:54 PM
92	There have been incidents in the back area of the park. I recall an attempted rape once. Plus, the park is known for being a location for gang members to hang out, although more so at night.	12/29/2014 2:32 PM

1	Because of climate change and the need to grow community, plus the high cost of living here, I'd like to see some of the park made into a community garden, with fresh organic produce made available free or at cost.	6/20/2015 7:25 PM
2	Restroom	6/7/2015 12:36 AM
3	More BBQ areas with tables, benches, potable water fountains	5/12/2015 4:22 AM
4	Swimming Pool similar to the pool at Vintage High School in Napa.	4/25/2015 6:50 PM
5	If the large lawn is leveled to create official soccer fields, I believe the replacement surface should be astroturf, not living grass that requires water. I would like the wild, creekside of the park to remain a wild oasis much as it is, perhaps with only minimal trail signs to guide walkers.	4/15/2015 7:16 PM
6	Community garden with gardening classes. In front of park not in meadows.	4/15/2015 9:16 AM
7	Soccer fields	4/12/2015 10:15 PM
8	More tennis courts	4/12/2015 8:52 AM
9	marked jogging trails with mileage	4/11/2015 3:19 PM
10	More tennis courts, and the ones you have corrected to be dry at a minimum, ideally lighted, and a bathroom closer to the courts would be FABULOUS. Sonoma has lost many many tennis players to Napa because the courts are always busy in the mornings and courts in bad shape. A healthy sport which keeps adults in the area to keep bad behavior to a minimum is a good thing which should be encouraged. SVTA even pays to maintain the courts, which is a very good deal!!!	4/11/2015 2:58 PM
11	I think developing a "City or Valley" Parks and Recreation Department that can coordinate activities at the city and valley parks in collaboration with the private and non profits is extremely important as this city and valley area grows. The Boys and Girls Club serves a few, and I think a parks department can provide services for those not involved in the B&G club. Collaboration of facilities between agencies is the way to go. Maybe a summer day camp that's more environmental and arts focused so those kids not interested in sports can have something? I firmly believe that sports activities are very important but there needs to be a well rounded services for all. Maybe making a "Zen garden or labyrinth meditation area" some kind of quiet area away from some of the larger louder events? How about a "parks and rec run eco-garden" for the kids and adults for on going learning? Taxation base seems to be either county or city but many of us out of the city use city facilities. Is there an option for a "valley based tax"? I know Tax is almost a "four-letter word" but that is reality if we want services to keep areas safe and friendly and inviting.	4/11/2015 11:33 AM
12	Fenced in dog park, with separate areas for big and small dogs, where they can get off leash exercise safely and legally. A band stand for concerts or performances in keeping with a small town community. Designated nature trails with educational signs about the flora and fauna. Solar lighted and Wheelchair accessible . More easily accessible public toilet facilities .	4/9/2015 4:17 PM
13	Group vegetable allotments for community and Boys & Girls club using permaculture principles.	4/9/2015 9:57 AM
14	Performing arts amphitheater would be wonderful!	4/8/2015 7:19 PM
15	Would like to see a small stage (with handicap friendly) to serve a variety of things like theatre, musical & dance performances. Perhaps be able to screen movies, (drive in style without the cars) Bathrooms conveniently located near the stage. Also, some covered shade areas in protection of hot summer heat.	4/8/2015 6:44 PM
16	An outdoor amphitheater, theatrical events(transcendence theater)	4/8/2015 1:11 PM

17	I would love to see an outdoor amphitheater nestled in the space between the woods. It would serve a great variety of people. I'm thinking music, performing arts, movies in summer. Sonoma could really use that! And it would be a huge cultural upgrade for El Verano.	4/8/2015 8:37 AM
18	Additional tennis courts and keeping trees trimmed to keep affected courts dry.	4/7/2015 10:56 AM
19	Putting Green, Mountain Bike Trail, Fishing Pond, Senior Center, Larger Playground	4/6/2015 4:07 PM
20	Resurface/expand tennis facilities Allow dogs off leash on trails during specified hours/days	4/6/2015 1:22 PM
21	off leash dog park	4/6/2015 11:55 AM
22	Disc golf course in the ag area along the creek.	4/6/2015 10:13 AM
23	Sonoma needs more soccer fields to accommodate the growing interest in the sport. A stadium for the use of high school football and soccer and other area events.	4/5/2015 10:00 AM
24	Slightly larger skate park. Extra bathroom with baby changing table. Update the sandbox area. Possibly a basketball court. A couple more swings.	4/3/2015 7:58 AM
25	I don't know how you make a park feel safe, but that would encourage me to visit. I love the park because I can walk in the shade, which is important to me.	3/30/2015 2:52 PM
26	there should be a bigger skate park, a snack bar for the kids or vending machines, better bathrooms, and a bigger or better park for the kids.	3/29/2015 4:45 PM
27	Disc golf course	3/23/2015 11:48 AM
28	A few more tennis courts with a sports tennis wall for practice. Several courts with lights for night play.	3/14/2015 5:24 PM
29	More picnic areas with table and bbqs where already existing 1 or 2	3/13/2015 7:02 AM
30	additional tennis courts continued development of trails for walking	3/10/2015 4:01 PM
31	new restrooms, more picnic tables, and a fenced in area for kids 5 and under. None of the playgrounds in Sonoma have a fence, it's a nice addition for those of us who have kids who bolt! Thanks!	3/2/2015 3:17 PM
32	A bike skills area, pump track, BMX course.	2/17/2015 4:28 PM
33	Replace picnic tables and BBQ removed after the shooting of a young man.	2/10/2015 9:24 AM
34	I was opposed to the B&G club when it was first suggested because I felt the area would be trashed. I wanted to preserve an outdoor area so our children could enjoy nature. It was my understanding at the time that ONLY the Club would go in! Then came the soccer and baseball fields, playground, skate park. If we do not teach the younger generation to learn that we are one with nature and nature is community, NOT commodity, then we will have failed. Maybe a partnership with Sonoma Ecology Center to develop trails, replant landscape and get community to assist with creek cleanup. Teach nurture.	2/6/2015 3:36 PM
35	NONE	2/6/2015 1:52 PM
36	An off-leash dog park.	1/31/2015 11:25 AM
37	Snack machine	1/30/2015 8:06 PM
38	Splash pad for kids, ability to purchase annual parking passes on site, more/improved playground, nicer bathroom facilities, more bike parking	1/28/2015 8:30 PM
39	Park and Rec. center; Frisbee golf course, Community center with classes and gym for kids; Pool. Similar to what San Francisco has to offer it's local communities. Hosted community events for families to partake in, concerts, festivals, etc. Nature/ Discovery center with improved trails and guided walks/ activities.	1/26/2015 10:21 PM
40	don't change a thing! except put more waste cans	1/24/2015 4:30 PM
41	more tennis courts as often we drive there only to find courts full and lights to open up more time for play. Dog park - places to take does off-leash are so limited in Sonoma and this is a great way to have one place I'm town where families with or w/o dogs can all go together to spend some time!	1/20/2015 1:45 PM

42	1) As mentioned above, the conversion of the large green in the center of the park to artificial turf-based soccer fields would provide a new focal point for community soccer, one of the largest, most under served community youth sport. 2) in the wilderness area, an off-road bike course like they have in Truckee, CA (Truckee Pump Track - https://www.facebook.com/truckeebikepark) 3) A small pedestrian foot-bridge connecting MP with the planned community pool once this is finished would extend parking and give MP the feel of a whole community sports complex, rather than a county park disconnected from a rec facility	1/19/2015 12:16 PM
43	FIX WHAT IS THERE.. ADD AN OTHER SOCCER FIELD	1/18/2015 7:04 PM
44	Is sonoma valley dog group would like a bigger dog park (than the one by the police station) this seems like a good location	1/15/2015 9:32 PM
45	Public swimming pool, biking trail	1/14/2015 6:38 PM
46	I would like to see room made for a large dog park to accommodate many Sonoma dog owners and their dogs who feel Sonoma is not a dog-friendly place. The Sonoma City dog park is so small it more like a dog kennel.	1/14/2015 4:25 PM
47	A good size dog park where larger animals can run free and get the exercise they need.	1/14/2015 4:10 PM
48	better soccer fields	1/14/2015 4:07 PM
49	Restoration programs to restore the creek and native plants. Partnership programs with Sonoma Ecology Center, La Luz, Sierra Club, schools, churches to protect, preserve and enhance natural values of the park. Restoration of historic orchards to recall history of Maxwell Farms. Partnerships with Transition Sonoma Valley and SlowFood groups to develop small experimental organic orchards and/or food such as a community garden to tie in to the park's history as a farm. Partnerships with Native Tribes to learn about the history of the land and Valley and Sonoma Creek. Guided walks for people, schools, and other organized groups to understand the creek system and natural and human history of the park. An interpretative map or display that describes the plants, animals and ecosystem of the park. Small events like the kite festival, old-time farm days, native american basket making, poetry readings, story-telling in the natural environmeht.	1/14/2015 3:58 PM
50	A large dog park	1/14/2015 3:28 PM
51	Fenced dog park	1/14/2015 3:08 PM
52	The park is situated at the end of a very, busy an active bike trail that runs east-west through town. As long as the park has been open, rather than walk 1 block north or south to a crosswalk, people run from the bike path and across Highway 12 to get to the park on the other side of the street. I have seen people of all ages run across the highway, as well as kids on bikes and Moms pushing strollers. I personally have witnessed many near misses. I believe there needs to be a pedestrian overcrossing from the end of the bike path to the other side of Highway 12 where there already is a park entrance (by the tennis courts).	1/14/2015 1:23 PM
53	I would love to see...1. More tennis courts, in an area that they won't be constantly wet during the winter months EVEN when there has been no rain. 2. Perhaps a trailer that has a bathroom and storage for all the tennis activities that go on at Maxwell. OR...at least bathroom facilities closer to the courts. 3. A larger shed for out tennis pro and the league teams to have space to store what they need for matches, etc.	1/14/2015 12:00 PM
54	Dog Park	1/14/2015 10:18 AM
55	More courts. More convenient parking. Better landscape maintenance.	1/14/2015 9:15 AM
56	None! Leave it natural, please.	1/14/2015 8:52 AM
57	Disc golf!	1/13/2015 10:39 PM
58	An 18 hole disc golf course would make me visit the park frequently.	1/13/2015 10:37 PM
59	I would really like to see an off-leash dog park here, especially if there were different areas for large and small dogs (I have a small dog).	1/13/2015 8:54 PM

Maxwell Farms Regional Park Survey

60	<p>1. I would like to see additional facilities for tweens and teenagers -- such as a bike track, ball wall, amenities for the skate park (shade). There are very few areas in our community where kids are allowed to congregate and be active. Maxwell Park has the space to accommodate more. 2. Is there an Exercise Course (Par Course?) being planned? One where you walk/job from activity to activity to do things like pull-ups, stretches, etc. 3. I would like to see a low-fenced, flat, outdoor, roller-skating area. One, I saw once, had a smooth, flat surface. Families with younger children used it. It was a great addition to the community. 4. What about Petanque, or lawn-bowling alleys? Again, casual ones that families or groups of teens could use (as opposed to the ones in town that the Petanque Club uses). 5. It would be great if there were support for a small concession-type building (think Spring Lake) where snack items were sold and things could be borrowed/rented such as: Rollerskates (for either my new rink or the path around the field) and Petanque/Lawn Bowling items (for the new alleys). 6. Institute "sprinkler days" (when the drought is over). On summer days, turn on some of the big lawn sprinklers and invite the community to come play. 7. Institute "Free Parking Days" on a regular basis. Community use of the park could increase. 8. I would like to see installation of additional benches along the perimeter path. This could encourage use by persons who walk but don't have the stamina to go far. It also encourages more people to come and spend time at the park. 9. Please place more yellow-jacket traps around the picnic areas.</p>	1/13/2015 8:41 PM
61	<p>I have offered to upgrade the sand volleyball courts as they are full of weeds. It would be great to have 2 courts, new sand and barriers so the balls don't roll so far away.</p>	1/13/2015 8:36 PM
62	<p>1. I wish the fruit-bearing trees and plants that are in the fields could be revived. Sadly, Although I can no longer garden extensively, I do wish there were community gardens there. 2. AND I wish the trees were available for children to climb. How can we make the conservation area a natural playground that entices children and families as much as the manufactured play structures do. 3. Create a nature and history path on the back lands. The billboard at the tennis court entrance to the park is a good beginning.</p>	1/13/2015 4:14 PM
63	<p>An indoor recreational facility that can be used for multiple sports throughout the seasons. Local sports like basketball, volleyball, are constantly fighting for gym space. A multi-court facility with turf/re-turfed fields (outside) for football/soccer/lacrosse/rugby...Most fields around the area are hard as clay. Add some field lights. There are soccer fields along the water line in Berkeley that are very popular--complete with lights-- that are used all year long at a lot of different hours. Set up a disc-golf course from the top field area that runs through the forest.</p>	1/12/2015 3:50 PM
64	<p>Pool would be great. Gathering for bicycle groups, fun activities for various ages ie Calavaras Frog leaping contest. Promote an few annual events for all agess, invite food vendors as well. Movie nights.</p>	1/12/2015 11:30 AM
65	<p>consider community gardens</p>	1/12/2015 10:05 AM
66	<p>Disc Golf Course. Driving Range for Golf. I know there is a group that has been involved with getting a disc golf course going at the park. It's time to get this done.</p>	1/12/2015 9:28 AM
67	<p>Something for teens and adults. Frisbee golf might be fun. More hiking trails.</p>	1/12/2015 8:31 AM
68	<p>A frisbee golf course would be fun. Visited a park in San Luis Obispo and they had such a course that was well-used by college students and others.</p>	1/12/2015 7:08 AM
69	<p>I would like to see more equipment focused on children 1-10. Swings, slides, sand area, more imaginative play space. Also a frisbee course for teens and adults. More tennis courts too.</p>	1/12/2015 6:43 AM
70	<p>More paved trails! Dog park; cleaned up and safer feeling back wooded area. Better infant playground.</p>	1/11/2015 10:16 PM
71	<p>Dog park! Also exercise/fitness course.</p>	1/11/2015 8:40 PM
72	<p>Pool, more trails</p>	1/11/2015 8:40 PM
73	<p>Seasonal trails in Sonoma Creek bottom.</p>	1/11/2015 6:43 PM
74	<p>more bike trails and Frisbee golf. that would be a great and inexpensive activity to install that would cater to the often overlooked teens in our valley.</p>	1/11/2015 5:32 PM
75	<p>More tennis courts and a tennis practice wall.</p>	1/11/2015 4:28 PM
76	<p>Picnic area near Sonoma Creek</p>	1/11/2015 3:25 PM
77	<p>Would love more options for tennis. Water feature for kids in summer.</p>	1/11/2015 2:27 PM
78	<p>I'd LOVE more developed trails</p>	1/11/2015 2:07 PM
79	<p>More tennis courts at Maxwell. Bathroom facilities right outside of the courts--women are afraid to go down to the existing one. Svta could lock and maintain the new one. Redo the tennis courts at Larson.</p>	1/11/2015 12:36 PM
80	<p>off leash dog park</p>	1/10/2015 9:56 PM

81	Updated bathrooms Water play area (for the little kids and big kids) More art	1/10/2015 9:54 PM
82	If there is something that gets kids out, active, and enjoying nature I am all for it.	1/10/2015 9:52 PM
83	Open theater. Paved bike/ walking trail. Keep dirt paths for woodsy walking areas. More family/community bbq areas. Continue youth sports and other activities like summer day camps. Clean_up of creek and better access. Maybe adding a bridge or platform for viewing of creek life. Pool across the Verano at Pauls Field. Organized access for 4th of July fireworks viewing. Continuing activities at Boys and Girls club. One time concert/entertainment activities such as Bruce Cohn concerts and plays or band concerts. Safety progrmas such as gang awareness, bike rodeos, child safety, policeand fire awareness. Art fairs shows. Dog activities and maybe a dog park. Great place to excercise our canine friends.	1/10/2015 7:44 PM
84	Basketball courts, baseball/softball/kickball field, bmx track,	1/10/2015 3:41 PM
85	A Disc Golf Course	1/10/2015 10:51 AM
86	Pond, swimming facilities, water fun of some sort	1/10/2015 7:24 AM
87	cheaper parking it have to charge.	1/9/2015 9:51 PM
88	Dog park	1/9/2015 3:17 PM
89	I would love a real disc golf course	1/9/2015 3:06 PM
90	disc golf. Bocce ball Croquet Skate park Mtn bike course	1/9/2015 10:11 AM
91	Would love lights at the tennis courts to keep up with the tennis programs when it gets dark early in the fall/winter. The kids are doing so well with this program.	1/9/2015 9:50 AM
92	More extensive and shaded play area for children. Easier parking. A map of trails with distances of routes for walking and exercising.	1/9/2015 6:00 AM
93	Water spouts that shoot what up so the kids can play in it.	1/8/2015 11:39 PM
94	a better play ground for kids closer to the age of two. At structure is way too large for a small toddler. Just now barely feel like my four year old is big enough for it. A better bathroom also. And a splash zone for summer/water activity.	1/8/2015 9:53 PM
95	bmx track, disk golf, outdoor climbing wall	1/8/2015 9:41 PM
96	Cleaner bathrooms Volleyball court	1/8/2015 9:37 PM
97	Free parking More Hiking trails	1/8/2015 9:19 PM
98	The inner wooded portion of the park would be perfect for a Disc Golf course. Others in the area such and Taylor mountain and crane creek have been very successful at increasing park use. Disc Golf courses are also relatively low impact and typically installed & maintained by the local club- United Flyers of Sonoma. I became a Sonoma county regional parks member because of the courses located on the those parks, and visit them multiple times a week.	1/8/2015 9:19 PM
99	Having concerts or a rodeo like they have done way long ago.	1/8/2015 9:05 PM
100	More sand space	1/8/2015 8:35 PM
101	Disc golf course	1/8/2015 8:33 PM
102	Disc golf	1/8/2015 8:00 PM
103	Disc Golf	1/8/2015 7:45 PM
104	Basketball courts, more parking (non fee), public pool would be nice. Groomed trails for hiking.	1/8/2015 7:21 PM
105	It would be great to have an 18 hole disc course at Maxwell park. Disc golf would bring more revenue to the park. Disc golf would also help deter vandalism and or negative actions in the park.	1/8/2015 6:51 PM
106	More benches near upper playground.	1/8/2015 6:43 PM
107	Community gardening. Vegetable gardens.	1/8/2015 5:33 PM
108	A water feature, basketball nets and a dog run. A bike track would be fantastic. More picnic tables. I love this park and would love to go more often. Free parking would be amazing but not realistic.	1/8/2015 3:21 PM
109	Bmx track, more stuff for kids	1/8/2015 2:38 PM

110	Water features at the playground. BMX course.	1/8/2015 12:57 PM
111	A better restroom facility	1/8/2015 12:21 PM
112	I've heard that they are considering BMX trail or similar in the virtually unused grassy area near skate park. I love this idea and it would save a lot of water on grass no one is using.	1/8/2015 12:14 PM
113	Water park/play area. This would be great, especially for the small children in the summer time. A lot of parks have them now and they are awesome and can be built with recycled water. There is a lot of support for this in Sonoma. The community pool is going to be awesome but on a hot day when you have small kids a water playground would be a quick and easy way to cool off and have fun with the little ones. More picnic tables are needed as well.	1/8/2015 11:52 AM
114	More picnic areas/tables, shade, native trees/plants, less weeds, more wood chips...fenced dog play/training area, hot days dog splash pools; occasional small Farmers' Market/local crafts sales; informal/pickup groups neighborhood softball, frisbee, etc.	1/8/2015 11:50 AM
115	Splash park/water playground	1/8/2015 10:01 AM
116	Replace cement path with a softer material suitable for jogging. (Cement over a relatively short time can cause pain and damage to bones and joints.) More shady bench locations, especially for the summer heat, or hot sun.	1/8/2015 9:28 AM
117	single track bike trails. more benches and picnic areas within the west side of the park. I would also like to propose something be done with the west side of the park, west of Sonoma creek adjacent to Riverside Drive. Although I don't have any specific ideas at this time, it seems that area is not maintained as well as the main park with homeless encampments and up-to-no good sorts. That section of the park is a safety concern to me.	1/8/2015 9:17 AM
118	Disc golf course Fishing pond?	1/8/2015 9:05 AM

121	Disc golf course	1/8/2015 7:35 AM
122	Disc golf	1/8/2015 7:31 AM
123	Lighted tennis courts. Better soccer fields	1/8/2015 7:28 AM
124	A splash park for kids. Outside workout equipment for adults to do exercise like some parks have.	1/8/2015 7:17 AM
125	Swimming pool More acces to creek	1/8/2015 7:03 AM
126	disc golf	1/8/2015 6:17 AM
127	Large gathering venues for outdoor parties. Provide events for food trucks to be a part of. Anything that would encourage families and children to be outside	1/8/2015 6:01 AM
128	Paved biking trail throughout the property	1/8/2015 3:39 AM
129	A pool. More personnel	1/8/2015 12:09 AM
130	Disc Golf	1/7/2015 10:47 PM
131	Since it is a great community building activity, and it is very inclusive for players of all ages and genders, since it is a great form of exercise, and it brings a lot of money to Sonoma County regional parks... And 18 holes of disc golf course would be terrific. 18 baskets there would provide people the opportunity to play a healthy growing sport without having to drive all the way to Santa Rosa. This is economically and environmentally sound. 18 holes... THIS is what the community is interested in.	1/7/2015 10:30 PM

139	Discgolf at every park it can fit in. Discgolf is cheap and mostly paid for by the discgolfers. It also generates money for the county by having more uses of the parks around the area I live in.	1/7/2015 6:59 PM
140	Exercise classes for seniors	1/7/2015 6:52 PM
141	Dirt bike track so kids can ride their bikes since they can't in the skatepark. Basketball courts, more hiking trails	1/7/2015 6:44 PM
142	Disc Golf course please. I will gladly be a contributor and help market it in the community.	1/7/2015 6:36 PM
143	Upgrade bathrooms	1/7/2015 6:17 PM
144	Disc golf, parking	1/7/2015 6:11 PM

146	18-hole disc golf course	1/7/2015 6:04 PM
147	Disc golf course would be fantastic	1/7/2015 5:34 PM
148	A Frisbee golf course	1/7/2015 5:31 PM
149	Disc golf	1/7/2015 5:23 PM
150	I would love a water park for kids! I would also love some tether all and ballwall courts.	1/7/2015 5:23 PM
151	Please resurface Larson Park Tennis Courts. Besides Maxwell Park, there are no other courts in the valley. During school time the High School Courts aren't open. Tennis has become very popular in Sonoma. When playing on the Larson Courts, the courts are so much in need of repair, many of my teammates fall and injure themselves.	1/7/2015 5:18 PM
152	disc golf	1/7/2015 5:15 PM
153	18 Hole Disc Golf Course	1/7/2015 5:04 PM
154	I like the fact that the park is not over-developed. I'd like to see some more signage on the paths through the woods, and see somewhat more maintenance. Also, It would be nice to have a more developed picnic area for family gatherings.	1/7/2015 4:51 PM
155	I love the idea of a bmx track or flow trail. I'd also love to see some sort of non-structural development on the west-of Sonoma Creek floodplain... like a community garden or something? Which would get more people coming and going through the area and make it less a place to dump trash or hide from the cops.	1/7/2015 4:48 PM
156	Disc Golf	1/7/2015 4:44 PM
157	Disc golf course	1/7/2015 4:42 PM
158	18 hole disc golf course would be amazing! I'd go at least a few times a month. Another great park to help introduce my kids to outdoor fun!	1/7/2015 4:23 PM
159	18 hole disc golf course	1/7/2015 4:21 PM
160	Frisbee golf. The constant presence of Frisbee golfers would help to deter undesireables.	1/7/2015 4:10 PM
161	18 hole Disc Golf course	1/7/2015 4:03 PM
162	A water playground for those hot summer days!	1/7/2015 4:00 PM
163	disc golf	1/7/2015 3:57 PM
164	18 hole disc golf course.	1/7/2015 3:54 PM
165	I don't have small children anymore but it would be nice to see a replacement of the little kid (1-5) playground that used to be in the sand area down by the bathrooms. It was a bummer when that was taken out.	1/7/2015 3:54 PM
166	Dog park Snack shack (same as Spring Lake) Better maintained paths in the back Better use o the track area	1/7/2015 3:50 PM

170	Water play park. Bike park.	1/7/2015 3:13 PM
171	When the park was constructed, it was a mistake not to put a Hwy. 12 crossing at the west end of the bike path, with blinking lights and warning signs; or electric traffic signals. Few people go to either the north or the south crossing ; they just dash across the road, or bike across. The highway curves, north of the bike path, and there's a stand of acacia at the curve, so one can't see what's coming. Someday someone will be killed.	1/7/2015 3:05 PM
172	Something fun that a group can take part in.	1/7/2015 3:00 PM
173	a better playground with equipment for younger kids (under 5) and better rest rooms!	1/7/2015 2:48 PM
174	A pool/ community center would be fantastic. Also, getting the toddler park going again would be great. Especially if it were to be fenced off. There are no fenced in children's parks in Sonoma. Fenced parks give peace of mind- you don't have to worry that your child is running off in the opposite direction every time they go into a blind spot.	1/7/2015 2:14 PM
175	Water play (water that shoots up from the ground, etc.) would be amazing, none of the Sonoma parks have that feature for the Summer season. Brighter colors, different play equipment(teater-totter, etc). Leghorn Park in Petaluma is AMAZING!!	1/7/2015 2:08 PM
176	clean up picnic tables not broken,water fountains ,better policed,maybe a lil water park for kids,bike area,bigger party area garbage cans	1/7/2015 2:06 PM
177	A toddler friendly playground - items geared towards 1-3 year olds	1/7/2015 1:50 PM
178	An ice skating rink during the holidays and a jazz series in the summer	1/7/2015 1:43 PM
179	Off leash dog area, fenced in.	1/7/2015 1:43 PM
180	Needs better lighting in parking lot	1/7/2015 1:38 PM
181	Bathroom closer to parking lot, more drinking fountains, can never have enough :) More picnic tables and benches for watching kiddos play, make it more like Howarth Park a bit perhaps where there are Family events in the park like Movie Nights? Not a big show play place with the ponies and train etc but if ya did that, there would at least be more people who work there present to keep eyes and ears about :) OH I KNOW, a WATER AREA, in the Rockland area, there are some in every neighborhood park, we loved it, OH AND Shade covers over the tables and the play area. Check out Rockland area for ideas.	1/7/2015 1:34 PM
182	Activities to promote child and family fitness and their appreciation of nature.	1/7/2015 12:59 PM
183	Basketball	1/7/2015 12:01 PM
184	Group picnic areas...space/venues for private special events (weddings, birthday parties)	1/7/2015 11:17 AM
185	Clean restrooms Little kid play area Flat roller skate or roller blade area like Larson Park used to have	1/7/2015 10:59 AM
186	security	1/7/2015 10:57 AM
187	add 2 more tennis courts to Maxwell Park. improve tennis facility at Larson Park change parking situation at Maxwell Park.	1/7/2015 7:40 AM
188	More tennis courts. Most mornings and every weekend there are never enough courts for the people who want to play.	1/7/2015 6:34 AM
189	More Tennis Courts closer to parking and restrooms would be GREAT!!!!!!	1/6/2015 5:35 PM
190	Bike park next to skatepark.	1/6/2015 3:23 PM
191	Additional tennis courts. Trailer with bathroom facility for tennis pro and equipment	1/6/2015 1:33 PM
192	more tennis courts, better bathrooms	1/6/2015 12:20 PM
193	MORE TENNIS COURTS PLEASE!!!!	1/6/2015 9:19 AM
194	If you add on to the skatepark I would like a nice handrail and a nice bowl actually made correctly with pool coping and metal coping	1/6/2015 8:51 AM
195	More tennis programs and instructors. More running trails.	1/6/2015 8:33 AM
196	expand the tennis facilities, or resurface Larson Park tennis courts set up a disc golf course at Maxwell Park	1/5/2015 11:36 PM

198	additional tennis courts	1/5/2015 7:31 PM
199	Indoor Soccer? Public Swimming Pool? Dog Park? New Playground!	1/5/2015 6:24 PM
200	A better play structure. A pool. A better skate park. More picnic tables. A cop on foot patrol.	1/5/2015 5:49 PM
201	More tennis courts. Some pickle-ball courts. Restrooms closer to the tennis area. A tennis gathering/picnic area on the north side of the present courts (off the busy path where bikes speed by causing a dangerous situation).	1/5/2015 5:41 PM
202	dog park	1/5/2015 4:36 PM
203	Pool better play area for the kids maybe one with water toys And a better smaller structure for the smaller kids Small little store with snacks Animal petting zoo on weekenss	1/5/2015 4:04 PM
204	Additional tennis courts, improved bathroom facilities, Better storage for tennis gear and supplies for junior programs.	1/5/2015 2:00 PM
205	A disc golf course!	1/5/2015 1:39 PM
206	More tennis courts , (with lights) along with small facility close by, that encompass bathrooms and small office,refrigerator. etc. Napa Valley Tennis Association has done a role model job with their facility (manufactured trailer) . The sport of tennis appeals to all ages and the pro in Sonoma at Maxwell is fantastic with many programs for all ages. There are many players in Sonoma.	1/5/2015 12:41 PM
207	More tennis courts, picnic/viewing area near courts, disc golf course (or at least a few practice holes)	1/5/2015 12:32 PM
208	LIGHTS for the tennis court. Additional tennis courts and a couple bocce ball courts in the same lighted area. Lighting would encourage additional use and discourage vandalism which always seems to take place in the dark of night.	1/5/2015 12:14 PM
209	More tennis courts. Outdoor fitness circuit. Croquet lawn.	1/5/2015 10:09 AM
210	The tennis courts at Larsen Park are in a highly degraded condition and need to be resurfaced. The courts at Maxwell Park, while not nearly degraded as those at Larsen, also will need to be resurfaced soon. Lights for night play at either (or both) locations would be so appreciated at either court.	1/5/2015 10:06 AM
211	More tennis courts, better bathrooms	1/5/2015 9:30 AM
212	The tennis program is getting much stronger so more courts would be helpful. It would also be helpful to have more restrooms. The existing ones are very far away from the courts and could be improved. Very basic now.	1/5/2015 9:10 AM
213	Fix water issue on courts and add courts! Healthy wholesome activity and courts always full mornings and weekends if playable. Sonoma loses lots of people to Napa tennis facilities, could be much more active, vibrant sport if facilities were as good as Napa or St Helena courts.	1/5/2015 9:01 AM
214	more tennis courts, better bathrooms closer to the courts and better storage facility for the tennis teams	1/5/2015 8:35 AM
215	Lights on the tennis courts and new toilets	1/5/2015 8:02 AM
216	More tennis courts and lit courts	1/5/2015 8:02 AM
217	Better format of the park Compititons	1/5/2015 6:36 AM
218	Better bathrooms, better lighting, basketball court would be awesome. Drinking fountain in more than one area, work out spot. Doggie bags for people who dont already bring them.	1/4/2015 10:49 PM
219	I believe this park could host a beautiful disc golf course that would attract many locals and travelers like myself to the area.	1/4/2015 2:51 PM
220	At least two additional tennis courts and a secure building that could be a clubhouse for a variety of users such as the SVTA and local soccer teams.	1/4/2015 12:13 PM
221	Re-surfacing the skatepark/ EXPANDING the skatepark as well!!	1/4/2015 10:13 AM
222	Add new obstacles, at the skatepark or re fill the big cracks in the bowls.	1/4/2015 9:32 AM
223	Make the skate park bigger	1/4/2015 1:49 AM
224	I would like more public bathrooms and a water fountain in or close to the skatepark	1/3/2015 10:27 PM

Maxwell Farms Regional Park Survey

225	I would like to see a Disc Golf course installed. Disc Golf is an excellent way to increase revenue and activity for the park. The disc golfing community takes pride in maintaining their course, and it is an excellent centralized location that would be tremendously popular for the community. It is an excellent source of exercise and serves as an activity for any demographic. I play disc golf with regularly with teenagers and my father who is in his late 50's. I frequently drive to Rohnert Park, Santa Rosa, Novato, Napa, and Sacramento to play my new favorite sport. A disc golf course in Sonoma would be a dream come true. A BMX course would be great but it wouldnt get nearly as much use as a disc golf course. I hope you consider the increase in activity that Taylor Mountain has recently gotten due to its new course. The park has become safe and serves as an example to the county.	1/3/2015 10:17 PM
226	A basketball court that has lights so peopel could play late at night over the summer	1/3/2015 10:14 PM
227	A indoor sports center, with rock climbing, basketball courts, in door soccer field, pool. A real community center.	1/3/2015 7:10 PM
228	Upgrade soccer field. Level the field or put in artificial turf field	1/3/2015 6:40 PM
229	1) update the skatepark. it is out-dated, cement is bad quality and getting worse and worse over time, including cracks and holes in the cement causing skaters to fall(skatepark shouldn't be an obstacle course of avoiding holes and cracks). fence is too close to skate obstacles and causes injuries to fingers getting caught in fence while skating. 2) add a water fountain to skatepark area. every other activity structure in maxwell park(tennis courts, playgrounds, bike path)all have water fountains, yet the skatepark, where people are just as active if not more, are left without water on hand. 3) re-do the top field. the field is not flat. very uneven and wavey. has potential to be a great soccer field. 4) basketball courts/hoops. for obvious reasons, but basketball is a great team sport and way to exercise. there aren't too many good courts/hoops in sonoma and basketball is a sport that appeals to lots of diverse people and age groups. 5) bmx dirt track. its simple. the land is there(between skatepark and tennis courts), it would open up that area and give bikes a place to ride since their not allowed to do so at the skatepark, although some do anyway. their is money in sonoma and plenty of peoples willing to donate materials and work time. there is no reason all of this cant happen. keep the youth's active(and adults). youth's are our future so lets take care of them instead of putting them on the back burner and forgetting about them. this ultimately leads to kids and everyone being more active, less couch/down time, less obesity, better health, more active, less boredom, better society!	1/3/2015 5:40 PM
230	Bike track, sports fields, trees with picnic area's out in the open areas	1/3/2015 4:51 PM
231	i would love to have lights around the park. and maybe a cleaner or bigger bathroom. the skatepark could be bigger, i hear the guys who there say its too small because of all the people who hangout there. extending it a little would be perfect and satisfying for everyone.	1/3/2015 1:18 PM
232	Disc golf course + would be willing to make a contribution to the county for installation.	1/3/2015 12:46 PM
233	As previously stated a bridge connecting the El Verano community on River Road with a bridge over Sonoma creek from Paul's Beach to the park. Also potentially a mountain bike/BMX course. Frisbee Golf or Bocce Courts.	1/3/2015 9:34 AM
234	New playground for toddlers, water feature for kids to play in, imaginative play structures.	1/3/2015 7:34 AM
235	A dirt bike path. Dirt bike riding Is a huge local sport (off road biking as opposed to motor biking). We gave the skaters a place to ride, there are tennis courts and hiking/walking paths...it would be a huge benefit to our community and surrounding neighbors if the local off road place for your everdday outdoor bike rider who is out to get some fresh air and a little adventure with their exercise. So not only would you be providing a safe place for local off road riders, weekenders, family, and group riders, you could bring in profits by holding sponsored biking events and/or classes.	1/3/2015 7:14 AM
236	Better bike path surface through park from B&G club to Verano Ave. Maybe Parktread material.	1/3/2015 2:13 AM
237	Something fun for young kids. This Valley lacks this - my child is grown but it was always a challenge. In addition, it would be fun if they did Sonoma Jazz events there. They gotta bring that back. I know there were some rough years, but the economy is stronger now. We need for music in this town outside.	1/2/2015 10:00 PM
238	Water park for kids, dog training, exercise programs for moms	1/2/2015 9:02 PM
239	Would love to see a Splash Pad at Maxwell. Someplace to bring the kids to play on hot summer days that doesn't require taking them to a swimming pool. Woodland has a great one! A fenced in Toddler Play area would be great too, my kids try to run onto the bike path often. Also, a better toddler play area, what's with the 2 baby swings SO FAR away from the rest of the playground?? That area by the baby swings could use more play structures. More swings too! Always popular...	1/2/2015 8:26 PM
240	Bike park Pool More tennis courts A better closer bathroom More parking Lighted tennis	1/2/2015 7:08 PM
241	Bmx and disc golf.	1/2/2015 6:04 PM

242	What about a water element?	1/2/2015 4:26 PM
243	Pump track for bikes	1/2/2015 3:23 PM
244	A bike dirt park. Bikes are not allowed at the skatepark and we are left to drive an hour to be able to ride. A park for all levels and ages can give families a great opportunity to be outside and teens to be active. It could also help beautify the park if done right. 4 years ago I hit my first little jump here in Sonoma and now I am traveling across the country competing, have gotten in magazines, done commercials, picked up multiple sponsors and have made friends from all over the world all because of my bike. I now ride with guys that 4 years ago, I was watching at the X Games and on TV. Most important, I found something to stay active and healthy and help overcome anxiety. I want the same for everyone else. Bike Parks create amazing communities and could really enhance Sonoma in so many ways.	1/2/2015 2:58 PM
245	improved tennis	1/2/2015 1:52 PM
246	disc golf course	1/2/2015 12:58 PM
247	Public use soccer field next to the Boys & Girls Club. None otherwise.	1/1/2015 3:42 PM
248	Dogs, especially larger ones, need an off-leash park. Maxwell should be the place. Dogs are already walked there and it is a developed park as opposed to more natural or preserve-like area. Instead of extending the use of Montini or Overlook to leashed dogs and creating an enforcement headache plus damaging effects to the environment and people, the County should reach out to the City to work together to develop an off-leash fenced alternative at Maxwell.	12/31/2014 6:27 PM
249	Fountains/water play area, like they have in downtown Portland. Amphitheater, live music.	12/31/2014 3:14 PM
250	Exercise circuit, rock climbing walls, formal soccer facility, connected the the sonoma and purposes springs bike trail	12/31/2014 3:05 PM
251	It would be great to have a fenced dog park in the shade! We use Ernie Smith dog park almost every day and the heat can be pretty unbearable in the summer. I'm OK with anything that is quiet and doesn't disturb wildlife. Paths at Maxwell are often very muddy and rutted in winter, so I'd be in favor of doing something to mitigate that ... possibly a water-permeable natural surface (not asphalt or cement) that would make the paths more accessible without making them into "roads." See what was done at Sonoma Garden Park for some good examples.	12/31/2014 2:53 PM
252	Bike trail, not necessarily paved.	12/31/2014 2:09 PM
253	Small fishing pond for kids	12/31/2014 12:50 PM
254	I would like to see the addition of 2 tennis courts, and possibly a wall against which to play tennis and/or handball	12/30/2014 2:47 PM
255	Hiking/walking trails	12/30/2014 12:17 PM
256	My idea is to remove the tennis courts from Larsen Park and make it a more family oriented park. More soccer and more family recreation area. Then add 4 courts to Maxwell Park and have SVTA to care for them.	12/30/2014 7:07 AM
257	2 more tennis courts Convenient restrooms nearer to the tennis courts	12/29/2014 7:08 PM
258	I would like to see better funding, and more environmental education and activities, not more development!	12/29/2014 4:54 PM
259	Bike trail.	12/29/2014 4:40 PM
260	big fenced dog park so that Montini will not need to be used for dog exercise	12/29/2014 3:27 PM
261	A dog park for small dogs. But not in the area that has the conservation easement and is supposed to remain open, as dog parks require fences. Marked hiking trails with signs. A community garden.	12/29/2014 2:32 PM
262	Hands-on resource management activities for all ages, like stewardship days where we plant plants, replace blackberries with better plants for birds and wildlife. Bird-watching or beaver-watching amenities. Posted species lists that people can add to. Geocache or similar orienteering activities. Encouraging kids to explore the wilder parts, climb trees, check out the creek, etc. Using the park as a floodway for Sonoma Creek.	12/29/2014 2:20 PM
263	community garden; need to improve ways to walk to the park and connect new Sonoma Trail	12/29/2014 11:17 AM

1	I would prefer not to see the park developed very much at all, but I would like there to be community picnics around the suggested garden area, more trails, a few benches here and there.	6/20/2015 7:25 PM
2	None	6/7/2015 12:36 AM
3	Anything disrupting the open space and hiking.	5/24/2015 9:22 PM
4	I would like to see no further development in Maxwell Farms Regional Park. The small beaches of Sonoma Creek in the Park should be kept graffiti and litter free. Rocks are clogging the creek because of people constantly throwing them in and making the streambed more and more shallow.	5/12/2015 4:22 AM
5	Be careful to maintain a balance between user groups. Do not let one activity dominate. Don't make it a soccer only venue.	4/25/2015 6:50 PM
6	I would not want any more buildings that draw large crowds and require more parking and energy usage, create trash and an energy that strays from the calm that can be gained by an open space left open. Many of these entertainment venues only serve a select part of the community that can afford the events and Maxwell is the peoples park.	4/15/2015 7:16 PM
7	No more buildings.	4/15/2015 9:16 AM
8	dog park	4/12/2015 10:15 PM
9	frisbee golf	4/11/2015 3:19 PM
10	Anything that promotes usage in a controlled, safe environment is good.	4/11/2015 2:58 PM
11	BMX track. Although I think it is a fun activity for the kids, I think that parks is only large enough for so many activities. Maybe build BMX over by the Field of Dreams? BMX is highly competitive and attracts a lot of people riding bikes that will not keep to the track. They will end up jumping and racing their bikes over the trails and other areas on their way to and from the track. Maybe some property further south down the valley for BMX?	4/11/2015 11:33 AM
12	Gaming, RV camping or parking	4/9/2015 4:17 PM
13	No more loss of grass and nature. No motorized loud activities.	4/9/2015 9:57 AM
14	Commercial enterprises like souvenir shops, etc.	4/8/2015 7:19 PM
15	Disk Golf Course	4/6/2015 4:07 PM
16	No dog park.	4/3/2015 7:58 AM
17	Anything noisy! The skateboards are enough noise.	3/30/2015 2:52 PM
18	Nothing that requires more pavement, please.	3/30/2015 2:34 PM
19	BMX track	3/23/2015 11:48 AM
20	The wild part of the park should remain untouched.	3/13/2015 7:02 AM
21	I value the natural part of the park.	3/11/2015 3:57 PM
22	There should be no further development of Maxwell Park. I walk every day there and rarely do I see anyone else there. Just leave is natural beauty alone. I thought the Regional parks are strapped for money and couldn't afford a small dog park addition in Ernie Smith.	2/10/2015 9:24 AM
23	Bike trails-it is a small area. I think there should only be foot traffic.	2/6/2015 3:36 PM

Maxwell Farms Regional Park Survey

24	No more development!! Maxwell farms was left to Sonoma County as a Nature Preserve, not as a space to see how much could be build there.	2/6/2015 1:52 PM
25	DON'T CHANGE A THING	1/24/2015 4:30 PM
26	Nothing should be changed in the back wild area	1/21/2015 4:53 PM
27	Mountain bike trails are likely to give rise to conflicts between speeding bikers and hikers and walkers.	1/14/2015 4:25 PM
28	No bike BMX project. The park is too small and it would drive out all walkers and be unsafe for walkers. It would also cause erosion, harm to plants, and disturb birds, squirrels and other wildlife that use the park as a refuge. No frisbee golf. No paved surfaces or trails. No new parking areas.	1/14/2015 3:58 PM
29	Dogs off leash. Bikes on trails. Access points from Rlverside	1/14/2015 3:08 PM
30	Keep it as is.	1/14/2015 8:52 AM
31	The sky is the limit. I think we need to be careful how we develop the park.	1/13/2015 8:54 PM
32	Please don't develop anything designed for the tourist industry. The increased population of our valley means there is less and less space for those of us living here. Keep Maxwell Park for locals. I'm not in favor of a dog-park at Maxwell Park unless it does not take away current ball and play fields.	1/13/2015 8:41 PM
33	Would not want to see the natural beauty of the trees and meadows disturbed.	1/13/2015 8:36 PM
34	I am not in favor of any activities that require more pavement or cement or large buildings. Garden sheds are fine. Keep the open space! Do not remove any trees!	1/13/2015 4:14 PM
35	na	1/12/2015 3:50 PM
36	I would not like to see dogs on leashes banned.	1/12/2015 11:30 AM
37	No	1/12/2015 9:28 AM
38	I would not like to see things developed much more. I thought the wishes of the donors were to have the land preserved rather than developed.	1/10/2015 9:52 PM
39	Gang activities. Homeless camps.	1/10/2015 7:44 PM
40	anything. it was suppose to be botanical gardens. leave the open space.	1/9/2015 9:51 PM
41	N/A	1/8/2015 9:53 PM
42	Disc golf Tree removal for open fields	1/8/2015 9:19 PM
43	Just get the homeless out.	1/8/2015 9:05 PM
44	I like it just the way it is, enough is enough. Just keep area equipment in safe condition	1/8/2015 8:35 PM
45	Dirt bike trails	1/8/2015 8:33 PM
46	No more buildings for boys and girls club.	1/8/2015 7:21 PM
47	The memorial for a gang member. Give the teen center the bench and move on	1/8/2015 2:38 PM
48	Dog park.	1/8/2015 12:57 PM
49	No motorized vehicle trails, such as dirt bikes. A dirt bicycle/bmx track would be nice though.	1/8/2015 12:21 PM
50	Anything that impacts the hiking trails behind the B&G Club. Please leave that area in it's natural state.	1/8/2015 11:52 AM
51	NO more paved areas, cars.	1/8/2015 11:50 AM
52	No more amenities such as the skateboard pen. Such places take up too much of the park's limited space. Do not remove any more open space.	1/8/2015 9:28 AM
53	I like the rural quiet nature at the west of the park, and beyond single track bike trails, I do not want to see hardscape development in this area.	1/8/2015 9:17 AM
54	anything that would encourage the rift raft.	1/8/2015 6:01 AM
55	Anything that would take away from the animals that still live in & around the property	1/8/2015 3:39 AM

57	n/a	1/7/2015 6:36 PM
58	Bike track	1/7/2015 5:34 PM
59	Anything that would take away green space. It's nice that groups can play soccer, and that people can sit on the grass to watch fireworks. Again, I think it has a somewhat rustic, home-town feel that is appealing.	1/7/2015 4:51 PM
60	I don't think there's any need for more green-grass playing fields. Or parking lots quite honestly.	1/7/2015 4:48 PM
61	All is welcome	1/7/2015 4:44 PM
62	Horse trails	1/7/2015 4:10 PM
63	Any more skate or biking parks, too many teenagers doing drugs	1/7/2015 4:00 PM
64	Tweakers	1/7/2015 3:50 PM
65	Would not like to see the trails paved, since I run only on dirt.	1/7/2015 3:05 PM
66	I would not like for the back portion to be developed- where the hiking trails and old orchards are.	1/7/2015 2:14 PM
67	development of business,	1/7/2015 2:06 PM
68	Too many organized sports. They take up all of the courts and field.	1/7/2015 1:43 PM
69	Not sure, activities like at Howarth Park are a big draw but not sure if that is right fit for Sonoma with Train Town close and a long time tradition.	1/7/2015 1:34 PM
70	Commercial ventures. Development of woods area.	1/7/2015 12:59 PM

92	I love that I can be close to home and in nature. I find walking the trails to be very relaxing and healing. I have talked to other locals and many are not aware of the back part of the park. I will be bringing a couple of small groups to picnic and hike in the Spring. I hope nothing is done to disturb the serenity of the area.	1/1/2015 2:58 PM
93	Please do not overdevelop the natural areas around the creek. Cleaning them up is good, but not destroying habitats.	12/31/2014 3:14 PM
94	More baseball fields, the existing fields get so little use for the space they occupy	12/31/2014 3:05 PM
95	I go to Maxwell because it's quiet and peaceful, and feels like a walk in the "real" woods. I would oppose anything that destroys that feeling, whether by making a lot of noise, disrupting wildlife habitat, creating light pollution, or bringing large groups into the wooded portion of the park. Please do NOT bring amplified music or noise (e.g. an amphitheater or "event space"). I live three miles west of Arnold Drive and can easily hear music from Plaza events all summer long. I would be very sad to hear those sounds coming out of Maxwell too!	12/31/2014 2:53 PM

80	Not really. I'm in favor of recreation, but not reduction in wild, natural areas. Perhaps the skate park could be slightly be expanded, learning from the experience of the skaters and the origins developers. . It's a little too small, and probably needs some longer runs. The soccer fields could be better maintained, and programs for low income kids added.	12/29/2014 4:54 PM

1	Please keep climate change in mind, and water use, whatever you decide to do to improve the park. Thanks	6/20/2015 7:25 PM
2	The issue of fear being a factor for people to come out not to come to the park I believe is a concerted psychological attempt on the part of the parks' campaign to decrease the visitor flow and to eventually use this statistic to commercially develop this oasis.	5/12/2015 4:22 AM
3	Adding lights would be good to allow night-time enjoyment of the park, but additional policing/security would also be required.	4/25/2015 6:50 PM
4	It might be nice to have another group of bathrooms near the Hwy 12 end of the park.	4/15/2015 7:16 PM
5	The best recreation is a quiet walk in the park. There is VERY little open space in the "flat lands" of the valley where people can go. When it's gone it's gone! I had permission to go on Maxwell Farm in the 70s before the shopping center-the open space has been compromised enough. Ken Bowles Sonoma	4/15/2015 9:16 AM
6	each spring some trails are made impassible by plowing for firebreaks. the neven ground becomes dangerous and it's left to park users to make them work again. please mow, not plow, the paths. and no chemicals to kill grass, please.	4/11/2015 3:19 PM
7	Don't forget adults in park planning. Tennis is played by ALL ages. SVTA provides free clinics to involve all aspects of the community in a healthy activity, at no cost to taxpayers. They should be supported in all possible ways, a huge asset to the park and the community. Fix the wet courts and build more, SVTA keeps them with nets and resurfaced....great deal.	4/11/2015 2:58 PM
8	Just dont take all the developed land for sports. I think the schools can be used much more for sports...collaboration is the word. I think the city and Valley needs a public parks and recreation department that can coordinate and provide services that are not offered by the private and nonprofit clubs. Sometimes people dont want to join a club/organization but would like to participate in activities as they are offered. Think globally (all ages and cultures) for service provision. The Maxwell Farms Park has such huge potential to being a hub for recreation activities for the valley. Im a recreation therapist and have worked for City of San Jose Parks and Rec Dept, and San Jose Family Camp before moving up here. I am very happy you all are taking action on the further development of recreation activities in this valley. If I didnt leave this area on the weekends to do elderly parent care, Id attend these meetings and become more involved. Thank You All :)	4/11/2015 11:33 AM
9	Thank you for this opportunity to provide input in this decision making process. I really don't want to attend *another* meeting this week.... Two points: 1.) I'm not sure there should be any new amenities "developed" at the park. Please keep in mind that with Climate Change the computer models predict that we will have 80 days/year over 90 degrees. That's 2.5 months of really hot weather. And we will have 100-year rain storms *every* year with longer periods of drought between them. Any turf in that park should be watered by recycled water from the sanitation district, at what cost? Who pays? Is that the best use of our money to address Climate Change? With more hot weather and more drought we can expect more fires. What can we be doing to reduce carbon in the air? Natural environments are carbon sinks. I'd like to see you use this opportunity with the community discussing the park to address what Sonoma County is doing to regarding Climate Change. 2.) I also want to say that it is the currant accepted norm to "exploit natural resources." "How can we USE the park." The current park is fine. It's an oasis of nature in an urban setting. It is home to wildlife. Put more people in it and the wildlife will be driven out. But most importantly, please use this decision making opportunity to address Climate Change.	4/10/2015 11:15 AM
10	The presence of poison oak in other regional parks is one reason I have hesitated to explore the natural resource area. Is there a program that monitors for and removes poison oak? Thank you.	4/9/2015 9:32 PM

13	Sonoma needs more and better spaces for performances! An outdoor amphitheater or stage would be terrific. Plays, musical events...who knows? All sorts of groups and organizations would use it, if it's not too expensive.	4/8/2015 7:19 PM
14	"Food Wagons", on weekends would be nice!	4/6/2015 4:07 PM
15	I understand the focus of the survey is on Macwell Park. However I encourage a broader look at tennis facilities in the valley. The only other public tennis option is Larson Park. These courts are an embarrassment and should be resurfaced. There is a growing, healthy interest in tennis in our community and the parks need to support that.	4/6/2015 1:22 PM
16	pedestrian overpass where the bike path intersects hwy 12	4/6/2015 11:55 AM
17	The success of other recent disc golf course construction/use throughout Sonoma County should help substantiate the benefits of allowing one in the relatively unused portion of Maxwell. Additionally, I believe most/all of the costs associated with building a course could be allocated through fundraising. Once we build it... they will come; to enjoy, preserve and self-govern. Thank you!	4/6/2015 10:13 AM
18	Updating the skate park, by adding more realistic things you'd find on a street, like 3 steps, "fun box"	4/3/2015 7:58 AM
19	Safety, safety, safety.	3/30/2015 2:52 PM
20	I support the conservation easement.	3/30/2015 2:34 PM
21	This part has a conservation easement requiring it be left in its "natural state". A BMX park and disc golf course is NOT a natural state!! Leave commercial venues OUT of this park!	3/24/2015 9:49 AM
22	Dog-friendly is a plus!	3/23/2015 11:48 AM
23	More park personnel foot patrols to discourage criminal activities and littering. Dogs should be allowed to walk off leash. More garbage and recycling cans	3/13/2015 7:02 AM
24	I would like to see the conservation easement at the park protected, since the natural areas are most important to me.	3/9/2015 3:52 PM
25	We need more bike-oriented recreational opportunities in the County Parks for residents of Sonoma County.	2/17/2015 4:28 PM
26	No "re-visioning". That's bureaucratic speak for wasting money and messing up a good thing.	2/10/2015 9:24 AM
27	When area was gifted to community, I would really like to see that document again. There were significant restrictions because I thought it was given for garden or agricultural use, and most was to remain open and natural.	2/6/2015 3:36 PM
28	I think you should look at the original intentions of the Maxwell Trust. Do you think the Maxwell family would have donated the acreage to the community if they'd know it would eventually become just another park where trees were cut down and the earth leveled for tennis courts, playing fields and large buildings? It's a shame that all formerly natural areas in the Sonoma area are eroding away to be replaced by "parks" or "paths", baseball diamonds, clubs. I'm fairly certain more amendments will be made to the old General Plan for Maxwell so that more and more development will be the result there. Pave paradise, put up a parking lot.	2/6/2015 1:52 PM
29	I support bike paths, hiking trails and dog walking areas.	1/31/2015 11:25 AM
30	This should be a place that people flock to for occasional entertainment, community events, nature, etc. The land is so under utilized and could be a real gem for Sonoma if developed smartly and thoughtfully with respect to the land and what it has to offer. Keeping the open space accessible for all, but developed in a way that promotes a connection to nature and recreation.	1/26/2015 10:21 PM
31	DON'T CHANGE A THING	1/24/2015 4:30 PM
32	The back part of the park should always stay the wilderness area it is now. Those "trails" that are back there have been made over hundreds if not thousands of years by the Native Americans who called it home for time unknown. One would presume they were made by cattle but the deep ruts of the trails and where they lead suggest otherwise. The fact the Maxwell's owned and preserved it as long as they did in the "wild" is the only reason the County has such a pristine piece of untouched land. It would be a shame to spoil that land and bring in more of our modern footprints which is questionable at best. Let people walk on a trail worn down over time and "Feel" the people who made the trails and lived in a perfect place. We should all be so lucky.	1/21/2015 4:53 PM
33	I'm not sure it's needs re-envisioning. My grandkids use the skateboard park, my friends and I use the wooded trails for walking and admiring the flora, another friend uses the tennis courts regularly, the parking lot is easy to use and I see lots of family picnics. I think it's a great park. Thank you.	1/15/2015 9:32 PM
34	Thank you.	1/14/2015 4:25 PM

Maxwell Farms Regional Park Survey

35	Sonoma is blessed with a wide variety of parks. I feel they should be categorized as to types of usage based on intensity of use, closeness to urban centers and have access, be it for humans, animals, vehicles either uncontrolled, or controlled. Tolay would be at one end of the spectrum, perhaps Taylor Mountain or Maxwell Park at the other. Further, this should be integrated with the resources controlled by cities and agencies such as Sonoma Land Trust and SCAPOSD. Revisioning would then be focused, and fit in to an agreed framework.	1/14/2015 4:10 PM
36	The re-visioning for the park should recall the original reasons for the creation of the park and the conservation easement. The parks department should engage volunteers to take surveys on the ground with people who actually use the park, particularly the natural areas, to solicit their views. Otherwise the results will be one-sided with input primarily from those who use the developed areas of the parks; or those with strong lobbies that don't necessary live in the community or use the park regularly.	1/14/2015 3:58 PM
37	More patrol in wooded areas and along creek.	1/14/2015 3:08 PM
38	I live about three blocks from Maxwell Park and drive the Highway 12 corridor frequently. I am amazed that more accidents haven't taken place given the number of people running across the highway to get to the park on the other side. As a parent, I always tried to set a good example and use the cross walks with my children...but it only takes the loss of one life to make a overcrossing worth the expenditure. Please consider it. Sincerely, Vicki DeSmet, 600 Donald Street, Sonoma, Ca	1/14/2015 1:23 PM
39	I know there is controversy about where we park when we play tennis. But the current parking lot requires a permit/fee that I feel is unfair to teams that come to play out of town. Plus, the parking lot is so far from the courts that it's difficult to carry all that is needed when we have home matches. IF we could add 3 courts and make them closer to the existing lot, or expand the lot to be closer, I wouldn't have a problem parking there. But I do think we would need some sort of free pass for the out of town teams when we have matches.	1/14/2015 12:00 PM
40	I think we need to keep in mind the swim center that is planned to go into the property across the road. Are there ways Maxwell Farms can compliment that development? I don't know, but it's worth considering. Between Maxwell Farms, the swim center, and the ball fields, we are building a community recreation asset that should be considered as a whole.	1/13/2015 8:54 PM
41	Thanks for providing a means of community input for those of us unable to attend the meeting.	1/13/2015 8:41 PM
42	Field repairs.	1/13/2015 8:36 PM
43	Survey families in El Verano through the school, soccer teams, churches, and Boys and Girls Club. Many people who do not attend re-visioning meetings do and could use the park.	1/13/2015 4:14 PM
44	Sonoma is a beautiful town. A lot of the youth and athletes often feel choked out of town by a lack of facilities or facilities that are both safe and functional, so they go elsewhere for their sports. I don't think it would be too much to provide a spot between east and west sonoma where youth and adults can participate in athletics in a nice multi-functional area.	1/12/2015 3:50 PM
45	It affords lovely views and perhaps more security.	1/12/2015 11:30 AM
46	Only it's time to get better use out of this great area. Thank you!	1/12/2015 9:28 AM
47	Who are you trying to appeal to?	1/12/2015 7:08 AM
48	The need for an off-leash dog park in Sonoma Valley is great. There is currently only one very small dog park on 1st Street West that is only adequate for a limited number of small dogs.	1/11/2015 8:40 PM
49	It's nice to have a "rustic" park in the city. Wildland. No improvements other than trails, trash containers, and restrooms.	1/11/2015 6:43 PM
50	I really think a Frisbee golf course would be cool. Additional bike trails for off road bikes would be another fun teen activity.	1/11/2015 5:32 PM
51	Sonoma Creek runs right through Maxwell Park, but you would hardly know it. I would like to see the creek be more accessible, visible, and integrated into the park. More trails, picnic areas, small playground, grassy area, and maybe even a restroom facilities.	1/11/2015 3:25 PM
52	Would like that nothing be built close to the creek.	1/10/2015 9:52 PM
53	I miss enjoying the amazing resources at Maxwell park. Safety would be our number one concern. I havent been in years because I dont feel safe there. Thank you to all the wonderful people who are trying to return the park to the community.	1/10/2015 7:44 PM
54	parking fees changed for local residents.	1/9/2015 9:51 PM

55	Dogs need to be kept off trails like Montini and the Overlook but they still need a place to run and play. How about a big, beautiful dog park, not just a rectangle with a wire fence but something more appealing...	1/9/2015 3:17 PM
56	Disc golf has exploded in popularity. Parks that have courses are seeing an exponential increase in visitors and revenue. Since the disc golf courses have gone into crane creek and Taylor mtn, how much more \$ have these parks been bring in? Does it make sense to accommodate all these new visitors?	1/9/2015 10:11 AM
57	More shade. That park/playground is so hot during the summer	1/8/2015 9:53 PM
58	providing more safe and fun places for the kids in our community should be number one priority. Having a bmx track would be wonderful (but should be monitored) and disc golf would be fun too for adults and kids. The boys and girls club is a great facility - however - the staff need to be better trained in handling difficult situations (bullying, inappropriate behavior/language, aggressive behavior, etc.) would love to see more camps during the school breaks (christmas, spring break)	1/8/2015 9:41 PM
59	Parking fees are a big issue for an in town community park - compared to a mountain hiking park	1/8/2015 9:19 PM
60	Thank you for having this survey.	1/8/2015 9:05 PM
61	why are we changing the park?	1/8/2015 8:35 PM
62	Disc Golf please!!!!!!	1/8/2015 7:45 PM
63	George Maxwell's will originally called for the farm to be a center for "homecroft" education, what we would today call homesteading. Community gardens would be a contemporary version of that.	1/8/2015 5:33 PM
64	It would be nice if the wooded area could be cleaned up a bit more, undergrowth removed, etc so that it felt safer.	1/8/2015 12:57 PM
65	Monthly meetings.	1/8/2015 11:50 AM
66	Thanks for providing this community survey.	1/8/2015 9:28 AM
67	Please don't change the ramp style playground. It's really the only place a child with needs can go and play. Life is hard enough but when you can't play with everyone else it hurts.	1/8/2015 7:17 AM
68	It would bring in plenty of revenue for the parks, it's a community building activity, great way to exercise and Sonoman's wouldn't have to drive so far to play disc golf. Fun for all ages.	1/8/2015 6:17 AM
69	Disc golf is the fastest growing community sport in America. Everyone would benefit from having an 18 hole course. Mixed-use is the best way to utilize this land. Sonoma County Parks are the best.	1/7/2015 10:30 PM
70	Having a disc golf course would be a great use of space and allow people to utilize park grounds in a fun and constructive way.	1/7/2015 8:06 PM
71	Discgolfers also keep a good eye out for trouble in any parks and will discourage any wrong doing as long as disc golfers are around to prevent any wrong doing	1/7/2015 6:59 PM
72	Please reach out to me if you would like assistance in spearheading a disc golf course in Maxwell Park. (lifelong Sonoma resident) -David Daniel dangerddaniel@aol.com	1/7/2015 6:36 PM
73	Disc golf is a low impact sport that blends well with the existing nature and would be a great addition to most any parks.	1/7/2015 6:07 PM
74	Thanks for your consideration!	1/7/2015 5:34 PM
75	I know there is a swimming pool most likely going on across the street but I still feel a water play area would be great! Check out Fairfields Alston park for ideas.	1/7/2015 5:23 PM
76	As mentioned previously, Larson Park needs to be addressed in repairing the tennis courts. It is a MUST!!!	1/7/2015 5:18 PM
77	I appreciate the walk-paths through the woods, and that bags are available for dogs. When we had our daughter's dog, I walked around the park every day, and encountered several people each time. I like having benches occasionally. Overall, it has been a very pleasant experience. I also like that I can walk from our house though the park and to the shopping center (and Starbucks) or cross the street and move on to the bike path.	1/7/2015 4:51 PM

78	Disc Golf is one of the fastest growing sports in america today. I feel if you put a coarse there it would help the sport grow and preserve the land in its natural habitat and the disc golfers police that land from the homeless and criminal behavior including picking trash up and maintaining the environment. Also there is alot to be said at the money that it raises from parking and yearly regional park passes (look at other parks numbers like Taylor Mountain and Crane Creek). Look I know disc golfers over the years have had a bad rap butt they have come a long way from your pot smoking hippies to now your family friendly competitive athletic sport where big sponsors are now getting involved....I know personally a lot of people would love to see another beautiful discgolf course in sonoma county	1/7/2015 4:44 PM
79	We have great woods and a great playground, I wish it was safer for people to go to	1/7/2015 4:00 PM
80	Please don't change anything about the Boys and Girls Club. That place is so great.	1/7/2015 3:54 PM
81	Thank you	1/7/2015 3:50 PM
82	A Disc Golf course would be fun for all ages and disc golfers tend to be courteous, responsible folks.	1/7/2015 3:38 PM
83	The park should be kept in as much of a state of nature as possible.	1/7/2015 3:05 PM
84	I think that the lawn area is very large and under utilized. Space for soccer should remain but it should not be the whole space.	1/7/2015 2:14 PM
85	See question 11	1/7/2015 2:08 PM
86	Clean up trails garbage make people feel safe	1/7/2015 2:06 PM
87	Clean up the gang activity and the pot smoking. Put events in the park that would attract the community-craft fairs, food truck night, music, etc. Monitor the skate park and police the park better at night.	1/7/2015 1:43 PM
88	Thank you for making this happen for our community.	1/7/2015 1:34 PM
89	Safety for the guests of the park, maybe light more of the are up at night?	1/7/2015 10:59 AM
90	just don't feel safe as a woman walking there anymore	1/7/2015 10:57 AM
91	There are plenty of parks for young children in town to go to. It would be good to focus on the teenage age group. The skate park is a great thing, but it's not deemed safe. Develop the park with the teenager in mind. They don't have enough to do in Sonoma.	1/7/2015 6:34 AM
92	MORE TENNIS COURTS PLEASE!!!!	1/6/2015 9:19 AM
93	A new addition to the skatepark or extension of it would be nice	1/6/2015 8:51 AM
94	good tennis courts in this community are in short supply (there are only 9* courts between Maxwell and the High School, and the H.S. restricts use of its courts during the weekdays); Larson Park tennis courts are a disaster, and basically dangerous to play on * one court at Maxwell is utilized by the teaching pro (Felipe Munroy), so technically there are only 4 tennis courts available to the public on any given day that are open to the public (H.S. courts are only available on weekends, or whenever school is out Disc golf is a great game that can be played from a very young age to senior. The closest disc golf is in Petaluma and Napa. Maxwell Park would be a perfect location for a course that would provide free entertainment for a variety of age groups, but particularly for young people who can't afford to play traditional golf...	1/5/2015 11:36 PM
95	A whole new playground, and for someone to be checking them sometimes they don't fix them fast enough, new bathrooms! More benches?	1/5/2015 6:24 PM
96	A lifeguard and police presence would be necessary for safety.	1/5/2015 5:49 PM
97	Tennis is a growing sport for all ages that starts with love.	1/5/2015 5:41 PM
98	The deciding powers should check out the Napa Valley Tennis Association (NVTA) is located on a portion of a high school there. to see what they have put together. They have a large , active membership program.	1/5/2015 12:41 PM
99	Just to note again lighting for the tennis courts. There is no facility in Sonoma where we can play tennis in the evenings. The Sonoma Valley Tennis Association (SVTA) attempted to put them in themselves but were thwarted by Maxwell Shopping Center for power access and lost USTA grant money to help in that. The US Tennis Association may be willing to partner with you or reinstate the grant to SVTA for lighting. I know SVTA would be happy to work with you on the project.	1/5/2015 12:14 PM
100	More access to water. Bathroom closer to tennis courts.	1/5/2015 10:09 AM

Maxwell Farms Regional Park Survey

101	Ideally, lighted courts, like most others...Magnolia Park eg. But, rather have more and better maintained/dry courts, lights would be extra!!!!	1/5/2015 9:01 AM
102	Expand The park !!!!!	1/5/2015 6:36 AM
103	Tennis currently provides recreation and social functions for an age range that goes from 5 to mid 80's. That is a large section of the population that could benefit from having additional courts and facilities, particularly with the presence of a recognized and certified pro.	1/4/2015 12:13 PM
104	In the small town of sonoma there is not much for young kids to do "on the grid" which is why so many go "off the grid" and drink and do drugs. The skatepark offered me a place to go when my peers were only doing that and i didnt want to partake. it saved me from legal trouble and gave me a place to not only feel safe and comfortable but to call home and feel welcome. Skateboarding has done a lot for the community in sonoma and is constantly helping kids stay safe and follow their dreams! Please expand on this seeing as there are many playgrounds and picnic areas within sonoma already. I believe the skatepark is used more than any other amenities.	1/4/2015 10:13 AM
105	The skatepark is turning into a dump the cement is chipping, there is cracks all along the park floor. The way the skatepark was built was not done correctly i feel it needs to be reconstructed and extended 6 1/2 feet longer and have no fence around it. The fence is what is polluting Maxwell park for years. With the trash can being in the middle of the park and a nice little slot you can shove things behind you and watch it "disappear". The nice little slot is more convenient for teenagers and young adults that have been wasting all their energy all day skating , to place their trash. Without the fence you can put benches surrounding the skatepark and next to each bench have a trash can so that when a skater goes to rest they are out of other skaters way and they have a convenient trash can to keep the park clean. With all that said it would aswell be easier for law enforcement keep the park safe by not having a little hide away for who ever is running from the police. I say hide away because i have ran from police for minor cases and gotten away from them by hiding in the big bowl at the skatepark. with the fence it blocks most of visuals on anyone inside from a distance and up close. I hope you have read my concerns about the park and put some serious considerations in re-visioning the park. Have a Good Day!	1/4/2015 9:26 AM
106	A basketball court that has lights so people could play late at night over the summer	1/3/2015 10:14 PM
107	as an avid skateboarder, i think that the skate park should be a big focus point of the re-visioning process, mostly based on the points above, but the list can go on and on. focus on the main point and for everything else, promote an active lifestyle. thats the best we can do for our community and the future. keep our locals active and happy instead of demolishing things for a new hotel or tasting room....like the rest of sonoma. kids live here too, lots of them, with not too much options for activities. so lets focus on our locals and our youth instead of helping the rich get richer	1/3/2015 5:40 PM
108	the bathrooms are messy, not clean enough, and again, when the sun goes down the bathrooms are not safe because of how dark and hidden they are.	1/3/2015 1:18 PM
109	A place for spectators to comfortably sit and watch.	1/3/2015 7:14 AM
110	Make sure that parking costs are kept to a minimum - and that there is ample parking.	1/2/2015 10:00 PM
111	Parking and safety	1/2/2015 4:26 PM
112	The more we create for 'free' time for our youth in the valley, where anyone feels welcome, the more there will be our youth outdoors doing healthy things for themselves and not always having to 'join' a club of some sort, but can just show up and have good, clean, safe fun. Please vote to have the pump track sooner rather than later!	1/2/2015 3:23 PM
113	thanks!	1/2/2015 1:52 PM
114	Maintain drinking facilities. Bags for dog walkers.	1/1/2015 3:42 PM
115	It's not an effective use of tax dollars for one entity to develop its parks system and individual parks without reference to the parks and natural areas owned by another entity in the same area. The customer in both cases is the same, citizens/taxpayers, and we don't experience parks as "county," "city" or "state." In other words, there should be a comprehensive, collaborative approach to the extent possible. It would also be very helpful for the county to explain its parks philosophy overall, the different kinds, the goals etc. The County's parks aren't visioned in isolation and it would be good to understand your thinking on the suite and tiers of parks you operate.	12/31/2014 6:27 PM
116	Thank you for providing this survey and please keep soliciting suggestions from residents. It will be interesting to see what happens when the new pool gets built.	12/31/2014 3:14 PM
117	Think about not only what would attract the local community but also our out of town tourists, it could be a great place for locals and non locals to cross pollinate, like the community park in Healdsburg.	12/31/2014 3:05 PM

Maxwell Farms Regional Park Survey

118	My primary concern is keeping Maxwell as wild as possible. QUIET is very important. As Sonoma grows it will be harder and harder to find places to escape to for peace and quiet, away from the sounds of cars, trucks, skateboards, amplified music, drunken wine tasters, and all the rest. I once visited a botanical garden up the coast, that gradually transitioned from an easily accessible, people-friendly area with paved paths, picnic area, and educational signage, to an uncultivated natural landscape with native plants, all over a space not much bigger than Maxwell. There was a lot of activity and event space near the entrance, but the majority of the space was allowed to be as natural as a cultivated garden can be. Please keep as many trees as possible! Maxwell is a gorgeous magical gem in the Valley, and I hope it will remain so for a long time to come. Thank you for listening!	12/31/2014 2:53 PM
119	Let's keep this park in as natural a state as possible.	12/31/2014 2:09 PM
120	There are not enough tennis courts in the community. 2 additional courts and maxwell, or repair of tennis courts at Larson are greatly needed. Repairing courts at Larson could benefit the children at Flowery School, which shares a boundary with Larson.	12/30/2014 2:47 PM
121	Maxwell Park is a great park and an asset to the community, please don't ruin it by reducing the things that make it unique! It just needs more support!	12/29/2014 4:54 PM
122	the back trails along Sonoma Creek are great, great trees, this area should stay natural and maybe have some international signs	12/29/2014 3:27 PM
123	Please make downloadable maps of several alternative layouts available, early in the process.	12/29/2014 2:20 PM
124	the park needs to promote health and well being of the community	12/29/2014 11:17 AM
